Submitted to the President, Dt. Board, Ramnad.

2. The pandit is now drawing Rs 32/ in the scale of 30-2/2-50. He prays that the higher scale of Rs 45-2/2-75 should be given to him. According to G.O. No.1010 (edn) dated 30-6-41 a pandit is eligible for the higher scale only if at least half his work is in the high school forms. But this pandit's work is entirely in the lower forms, as the Telugu course conducted in the school stops with the Third Form; nor is there any chance of opening Telugu for the higher forms as the leading citizens are against it, in the interests of the pupils learning Telugu.

3. But there is need for the present Telugu course and a duly qualified pandit with a knowledge of Tamil is also necessary for the post. The applicant is a suitable hand for the post and is doing very good work and if he should give up the post saying his pay is not enough, the post and the course may have to be abolished, as a suitable pandit will not be forthcoming for the lower pay. Hence Government may be addressed to permit the higher scale to the pandit, as a special case, under the circumstances.

Headmaster,
S. S. Board High School,
Rajapalayam.

Pandit-Grant of higher scale of pay -sanction requested.

In the year 1931 Telugu was introduced as a subject of study for Telugu boys of Forms I to III in the S.S. Board High school, Rajapalayam and a Telugu knowing secondary grade assistant was appointed to teach the subject. To fill up this post after the demise of this teacher in 1942, no suitable hand was available and so a Telugu Pandit with the Oriental title Examination VII B. (Final) of the Madras University was appointed on Rs.30/- in the scale of Rs.30-2/2-50.

2. The telugu knowing public of that place moved the Board to introduce the subject to Forms IV to VI under group A and this was also recommended by the Educational authorities (vide Director of Public Instruction's letter 5650-41 dated 22-12-41) but this proposal was negatived by the District Board.

3. The present P. Pandit with the highest qualification is now drawing Rs.32/- in the scale of Rs.30-2/2-50 as laid down in G.O. No.960 Education dated 2-5-39 and G.O. No.1010 Education dated 30-6-41. He is not paid the higher scale of Rs.45-2/2-75 as the subject is not taught in the high school forms. I enclose his petition praying for the grant of the higher scale of pay with the endorsement of the Headmaster of the school and the District Educational Officer, Ramnad for favour of perusal and return. In these circumstances stated by the Headmaster, I strongly recommend that he may be given the higher scale of pay as a special case.

Re.No.890 G/46 dated 22-5-1946.

District Board, Ramnad - Sri V.S. Ramaswamy Raju, Telugu Pandit
- Board High School, Rajapalayam - Grant of the higher
scale of pay.

Ref: Government Endt. No. 24381 B1/46-1 Edn., dated 9-5-1946.

Resubmitted.

2. The proposal of the President, District Board, Ramnad
is to grant the higher scale of pay to Sri V.S. Ramaswamy Raju,
Telugu Pandit, Board High School, Rajapalayam as a special
case though he does not satisfy the condition laid down in
G.O. No. 1010 Edn., dated 30-8-41 (viz) that at least half his work
should be in the higher forms. There is no resolution of the
District Board to support this proposal.

3. Even as early as 1941 the Director of Public Instruction
asked the Divisional Inspector of Schools, Madras, to advise the
President, District Board, to provide for Telugu under Group 'A'
of the higher forms of the school as the people were
eager for it but the District Board was not in favour of the
proposal. The way to realise the object of the President
lies in the hands of the District Board itself (viz.) by
introducing Telugu as a language in the higher forms; but it
would not do this. On the other hand, the President, District
Board wants that the higher scale should be given for just
half the work.

4. The President, District Board may be informed that
he may either introduce Telugu in the higher forms increase
the work of the pandit and give a higher salary or he should
continue giving a lower salary for a lower grade work of
about half the quantity.

Sub: - Establishment - Dt. Bd., Ramnad - Sri V. S. Ramaswamy Raju, Telugu Pandit, Board High School, Rajapalayam - Grant of higher scale of pay.

Please see the petition from Sri V. S. Ramaswamy Raju, Telugu Pandit, Board High School, Rajapalayam on p. 1 cf., the remarks of the P. D. B., Ramnad on p. 3 cf. and the D. P. I.'s remarks on p. 5 cf.

In the circumstances explained by the D. P. I. it is for orders whether his suggestion in para 4 of his letter on p. 5 cf. may be agreed to.

(AS. 2 said that H. M. wanted to see the file)

The case may be circulated to H. M. (Edn.).

28/5/46

Under his existing orders his Pension is eligible only for his Scale of Rs. 30. 2/2-00. as his work is confined only to J. P. I. - II.

He can get the higher scale (Rs. 45-2/2-75) if an order help his work lies in Form IV to VI. In his school where he works there is no provision for Telugu in the higher forms. The Commission get, therefore, the higher scale in his own case.

The D.O. for gives him if Telugu is introduced in the higher forms, he may be allowed the higher scale and then otherwise he should continue to draw the lower scale. Para 2 of the letter on p. 30 with a view to his D.O. was once moved to introduce Telugu in the higher forms but which is vetoed by the Government. But his views in that. The Government's attitude of the Rs. 35-2/2-60 scale is not known. It is possible better to accept it. If the D.O. is in favor

of introducing Telugu in the higher forms, there is no difficulty in giving him the higher scale; otherwise if he is to be given he should be given as a special case.

28.5.46 20/5/46 I think that the

views taken by the D.P.G. - 2 as far as - 5 the proper are of that time would be no justification to treat this as a special case.

2.6.46

Amongst pandits (H. H. Pandit) with his high qualifications is willing to teach the high school, the Pandit Dr. B.D. does not want Telugu in higher forms, but at the same time would like to have the grade of the Pandit raised. As a special case he may be put in Rs. 35-2/2-60 grade as T.B.A. 8-6-45

Please see H.M.'s orders above.

With a view to avoid diversity in the scales of pay that were previously being adopted by local bodies, the Govt. fixed uniform scales of pay for the staff employed by all local bodies. Under those orders pandits in Board and Municipal Secondary schools are eligible for two scales of pay viz., Rs. 30-2/2-50 and Rs. 45-2/2-75 according to their qualification and work - vide G.O. No. 1010 Edu. d. 30-6-41. There is no separate grade in the scale of Rs. 35-2/2-60, and it will not be in the interests of the principle of uniform scales of pay if this scale were to be adopted by the Ramnad St. Bd. alone. The recommendation of the P.D.B., Ramnad too is that the Telugu Pandit should be given the higher scale, viz. Rs. 45-2/2-75, as a special case. If, however, it is considered that the Pandit need be given only the scale of Rs. 35-2/2-60, the draft order subd. below is for approval.

Manu, re Circulars to H.R. (Edu)

It is suggested that before final orders are passed, it may be ascertained from the Board whether it is or not proposed to introduce Telugu in the Higher forms. If it is agreed to do so, orders can be issued in the normal course, without having to treat it as a special case. If the President is not willing to have Telugu taught in the higher forms, he can be asked to explain on what ground he recommends the higher scale of pay. To treat a case as a special case, special circumstances are necessary; otherwise it will become a precedent and an inconvenient one at that. Draft memo. to the P.D.B. is submitted for approval, subject to orders. *R*

H.N. (Edn)

I have had a talk with people connected with the D.T. Bd. They are not willing to introduce Telugu in the Higher forms, as the school is situated in Tamil nad, & will be detrimental to the interests of the boys to do so. They only want to suggest a higher pay to the Telugu pundit, who has higher qualifications. I appreciate the objections put up above, since the intention is not to create a new cadre & the suggestion made in my note if it leads to that may be worth drawing. Instead the pundit may be given an extra allowance of Rs 5/- in view of his higher qualifications.
