Sir,

Ref: Grant--Teaching- Kerala Oriental College,
Kadambazhipuram (South Malabar), 1943-1944, --
proceedings of the D.P.I. Dis.No.10.D-7/44/45
dated 8.3.1945 and R.O.C.No.316 dated/45 dated
27.3.45 and R.C.No.478-D/45, dated --
19.3.46.

With reference to the above proceedings, I beg to
make the following representations for your kind consi-
deration and favourable disposal.

The Kerala Oriental College was allowed a grant
of Rs.1315/- for the year 1943-1944 and a bill was also
despatched for the amount so granted. At the time when
the bill reached my station I was absent from the station
attending on a near relation of mine in Allahabad. I
left the station on receipt of an urgent wire calling
me to Allahabad. Before I left I got intimation of the
teaching grant of Rs.1315/- sanctioned to my college.
As I had to leave urgently I got into touch with the
disbursing authorities to kindly advise as to what I
should do for the realisation of the amount in my absence
and according to their advice I authorised my brother
to receive the payment on my behalf and left the station.
The bill presented with my authorisation letter to my
brother, was returned with the endorsement that the
payment could not be made without my signature. My
brother immediately got into touch with the Director
of Public Instruction to allow him to draw the amount
in the special circumstances. The reply of the Director
stating that the procedure was against the rules and the bill
could not be cashed without my signature reached the
station on 29.3.45, the last working day of the month.
My relation's illness unfortunately detained me longer
than I expected and I could return to the station only
by 14.4.45 by which date the time for cashing the cheque
had lapsed.

Subsequent to my return, I placed all these --

-2-

circumstances for the kind consideration of the Director of Public Instruction, through the Superintendent of - Sanskrit Schools, Madras by a letter dated 24.4.1945. I am sorry to state that I have been granted a bill only for Rs.625/- by the proceedings R.C.No.478-D/45, dated- 19.3.46 in reply thereto.

I humbly submit that the above matter may kindly be re-considered and directions given for - granting of a bill for the full amount of Rs.1315/- for which allotment was made and which by unforeseen circumstances beyond my control prevented me from cashing. If the full allotted amount is not granted the management will be severely handicapped and so I humbly request that the case may be sympathetically considered and my -- request granted.

I need hardly state that the dis-allowance - of the grant will cause considerable hardship to me and my staff in these abnormal days.

Soliciting your kind consideration and sympathy,

I remain,
Sir,
Your most obedient Servant,

Correspondent.

In resubmitting herewith the letter from the Correspondent of the Kerala Oriental College, Kadambazhipuram, dated 11-4-1946 referred to me for remarks in the Government Endorsement read above I have the honour to state as follows:-

2. The grant of Rs.1315/- referred to by the Correspondent represents the grant sanctioned for the institution in the year 1944-45 based on the accounts of the institution for the year 1943-44. During that year (1943-44) the College Department of the institution did not satisfy the condition regarding the minimum strength. The Director however relaxed the Rule under G.O.No.Ms.300, E.D.M., dated 25-2-44, and sanctioned the payment of teaching grant of Rs.1315 for the year 1943-44. This sanction order was despatched to the Correspondent on 8-3-1945 with instructions to cash the grant as early as possible and any case before the close of the Financial year i.e. 29-3-45. On 25-3-45, a letter was received from one Mr. C.K.Balakrishna Gupta (Brother of the Correspondent of the College) stating that the Treasury Officer refused to honour the bill as it was not signed by the Correspondent, and requested the Director to pass orders empowering Mr. Gupta to draw the bill. He was informed that the Correspondent could not delegate the right to draw the bill to any other person without the prior approval of the Controlling authority. The Correspondent was also specifically informed that the grant should be drawn before 29-3-45 and that the grant could not be sanctioned as arrears grant in the subsequent year, if he failed to draw the same.

3. It may be stated in this connection that before the Correspondent left for Allahabad, the teaching grant sanction Order reached him and he was aware of the sanction of teaching grant. He should have therefore made arrangements before he left the station for drawing the money by presenting a bill and presenting it at the Treasury through his authorised agent to receive payment. The Correspondent failed to adopt this course and the same is responsible for the lapse. The reasons put forward by the Correspondent for not drawing the grant in time cannot be considered satisfactory.

4. The Budget allotment for payment of grant to all Sanskrit institutions in the presidency is a fixed one, viz. Rs.41,485 and is not variable according to the needs of the year (i.e. Sanskrit institutions are not paid grants actually earned by them but grants on their behalf are

restricted to the total allotment of Rs.41,485. Representations to abolish the fixed allotment system have not been favourably considered by Government. The demand in respect of teaching grant in 1945-46 for all Sanskrit Institutions far exceeded the fixed provision - Rs.41,485/- that a pro rate cut of 13% was imposed on the grants actually earned by them. A small amount viz. Rs.625/- was, however, available for disbursement in 1945-46. This was the amount set apart for a few Sanskrit Institutions which did not submit their financial statements and other particulars in time and since complete particulars were not received on their behalf till about the middle of March 1946, this amount of Rs.625/- was sanctioned for payment to the Kadambazhipuram College in 1945-46 as arrear grant for 1943-44 with reference to the representation of the Correspondent dated 24-4-1945 referred to in para 3 of the petition herewith resubmitted. In these circumstances it was not possible to pay the full grant of Rs.1315/- originally sanctioned to the institution.

5) If any further grant is paid to the College towards the arrears during the current financial year (1946-47) from the fixed provision of Rs.41,485/-, the allotment will stand reduced by this amount, and other Sanskrit Institutions will be adversely affected. As has been already explained, the allotment of Rs.41,485/- is found to be inadequate even to pay the grants earned by these institutions in full and grants are paid only after imposing a cut on the earned grant.

6) It will be observed from the foregoing paragraphs that the case of the institution was considered sympathetically; firstly, by condoning the shortage in strength and secondly by sanctioning the balance available from the fixed allotment towards the arrears of grant. I may also state that a grant of Rs.1142/- was sanctioned to the institution in 1945-46, (based on the accounts of the institution for 1944-45) apart from the arrear grant of Rs.625/- referred in para 4 above.

unpaid is Rs 690. (1315-625)... The Correspondent of the school requests that the payment of this amount may be authorized as the management will be severely handicapped if the grant is disallowed.

2. The circumstances in which the grant sanctioned in 1944-5 was ^{not} drawn before the close of the year are explained in the Correspondent's letter on pp 1-2 cf. The D.P.D. considers that the reasons given for not drawing the grant are not satisfactory. The D.P.D.'s main objection to the payment of the balance grant due would seem to be that the allotment for teaching grants to aided Sanskrit institutions is a fixed one and it is not possible to meet such an extra payment from out the annual fixed allotment. If the Correspondent's request is complied with it will be necessary ^{to increase} the allotment for the current year by Rs 690. As this is a small amount it will not be difficult to provide this sum by

I do not see any objection to the D.P.D. sanctioning the grant up to Rs 690/- as the grant is for the year 1944-5 and the balance is due. The D.P.D. is not to be held responsible for the failure to draw the grant before the close of the year.
