the same post against which he was recruited direct. But in view of the fact that the posts of Professors in the Presidency College are usually held by the best among the available persons in each subject unit, I consider it desirable that even in the matter of confirmation the best available Officer is given his lien on the post of Professor, if this could be arranged - without injuring the statutory rights of any other member of the service.

3. In the Physics Unit of the Madras Educational Service there are three Officers senior to Sri T.K.Lakshmanan and they are:

- (1) Sri T.M. Margasahayam Chettiar:
Permanent Lecturer in Physics,
Government Training College,
Rajahmundry.
- (2) Dr. S. Gopalakrishnamurti:
Permanent Additional Professor of Physics,
Presidency College, Madras.
- (3) Sri M. Manjunath Mulki,
Permanent Lecturer in Physics,
Ceded Districts College, Anantapur.

Dr. S. Gopalakrishnamurti has been officiating as Professor of Physics, Presidency College, Madras. I submit that the lien of Dr. S. Gopalakrishnamurti may be transferred from the post of Additional Professor of Physics, Presidency College, Madras, to that of Professor of Physics in the same College, with effect from 31st January 1945. In the resultant vacancy in the post of Additional Professor of Physics, Presidency College, Madras, I recommend that Sri T.K. Lakshmanan may be confirmed with effect from 31st January 1945, the date from which he is continuously on duty.
