Station M a d r a s , Dated the 20th M a y 1946.

From (Name) G.L. Lobo Esq., B.A., (Hons.) Cantab,
(Designation) Deputy Director of Public Instruction
(in-charge.)

To The Secretary to the Government of Madras,

EDUCATION AND PUBLIC HEALTH Department.

Sir,

In G.O. No. 611 Education and Public Health dated 4-5-1942, the post of an assistant to the Women Specialist in Physical Education was sanctioned temporarily for a period of two years from 1-7-42 in the time scale of Rs. 100-8/2-140-10/2-190 to assist the Women Specialist in her duties. The post was continued for a further period of three years from 1-7-44 in G.O.Ms.279 Education dated 23-2-44. This is an isolated post and only one of its kind in the Women's branch of the Madras Educational Subordinate Service. The pay of the post was revised to Rs.100-10/2-200 in G.O. Ms. 629 Education dated 25-4-44.

2. Miss. Eleanor Addison, who is now the Assistant to the Woman specialist in Physical Education is a B.A.(Eng. I Class) of the Lucknow University and also first class in the Diploma Examination in Physical Education in the Y.M.C.A. College. Though she had many lucrative posts offered her

P.t.o.

her in Northern India, she was specially requested by the Woman Specialist to accept her present post. I may also mention, in this connection, that in "The Hindu" of the 9th instant there was an advertisement for a post of Physical Training Instructress to the Lady Irwin College, Delhi, on a pay of Rs.150 to 250. There are not sufficient number of qualified candidates to take up posts in all the schools in the Presidency and first class candidates are very rare. The varied group of students attending the Y.M.C.A. College require that the Assistant be an outstanding personality with a cosmopolitan outlook.

3. Further, unlike the Physical Education Directors in the men's branch who are attached to Colleges or appointed as Regional Physical Directors, the Assistant to the Woman Specialist has more responsible duties - at times she has to be in sole charge of the class when Mrs. Buck is on tour or on leave. It would be a definite loss to this Government, if on account of low pay now drawn by her, Miss Addison seeks a better job in Northern India. - Her work during the last academic year has been very satisfactory.

4. In view of these special circumstances, I have the honour to recommend very strongly to Government that Miss. Addison, Assistant to the Woman Specialist in Physical Education may be granted an initial pay of Rs.150/- p.m. in the time scale of Rs.100-10/2-200 with effect from 26-6-45, the date on which she assumed the duties of the post.

I have the honour to be,
Sir,
Your most obedient servant,

M. Muhammad

Physical Education - Miss E. Addison
Asst. to the Woman Specialist in physical Education - Fixation of pay at a higher stage - Proposal of D.P.T. - Not sanctioned.
From the D.P.T. R.O. C.No. 3920-C/45, d/20.5.46
G.O(M) 1210
Edn. d/18-6-46

pp1-2 n f

The D.P.T. is informed that as the post of the Asst. to the Woman Specialist in Physical Education will be merged with the six posts of Physical Training Instructresses to be created under the postwar plan for expansion of physical education the Govt do not consider it necessary to fix the pay of Miss E. Addison at a higher stage.
2. The Director is requested to state when his proposals on the

Sub: Physical Education - Miss E. Addison - Assistant to the woman specialist in Physical Education - Fixation of pay at a higher stage.

Ref: From the D.P.I. Roc. No. 3920-C/45, dated 20-5-1946.

The proposal of the D.P.I. is that the pay of Miss E. Addison, Assistant to the Woman Specialist in Physical Education, may be fixed at Rs. 150/- in the time of Rs. 100-10/2-200 with effects from 26-6-1945. She now draws a pay of Rs. 100/- per mensem. The proposal of the D.P.I. amounts to granting her five advance increments. The reasons urged for the proposal are in paras 2 and 3 of the Director's letter at pp. 1-2 c.f.

2. Recently the Woman Specialist in Physical Education requested a revision of her own salary and that of her assistant as their salaries were hardly commensurate with their status and responsibility. Regarding the pay of the assistant, the Woman Specialist was informed that the Government had under consideration certain proposals for the expansion of Physical Education as part of the post war schemes and that pending orders on those proposals, it was not possible to revise the pay of the post. Please see D.O. on page 3-4 of G.O. No. 1929, Edn., dated 19-11-45.

3. The appointment to the post in question is either by direct recruitment or by promotion from the posts of physical directresses or physical training instructresses. Physical directresses are now employed in the Queen Mary's College, Lady Wollington Training College and in the Presidency College. The Director of Public Instruction has not stated whether a suitable candidate cannot be appointed by direct recruitment or by promotion from among Physical Directresses, as in case Miss Addison goes away. For orders whether this enquiry may be made or whether the Director's recommendation may be accepted. Finance may see.

Please see para 2, p 2 N F of (Y). The post in question is the merged into the post of Physical Training Instructresses. The post-war plan, she directed proposals to implement the plan scheme have not been received. It does not seem that pending
