All Provincial Governments
and Local Administrations.

Grant of financial assistance to evacuee
University students - Question of the
continuance of the scheme for the
academic year 1946-47.

Sir,

With reference to this Department Circular
letter No.F.18/45-E(ii), dated the 12th September 1945,
I am directed to say that, as a decision on the
question of the continuance of the scheme of educational
allowance to evacuee University students for the
academic year 1946-47, is likely to take some time, the
Government of India have decided that financial assistance
to evacuee university students may be continued for
that academic year on repayable basis until further
orders. The financial position of each individual student
should, however, be reviewed in the light of the changed
circumstances now prevailing in the Far Eastern territories
after their re-occupation and financial assistance given
only in those cases where the students have not yet been
able to fall back on their pre-evacuation resources.
The benefit may also be extended to the students who,
after passing their school final examination have become
eligible for admission to a University not later than
1946 and join University classes during the academic
year 1946-47.

2. I am further to say that the dependants of
persons who have returned to the country from which they
evacuated, on getting some post under Government should
not be considered eligible for assistance under the
scheme. The dependants of persons who have gone back
to resume their old business or profession may be
given repayable financial assistance only for a
period not exceeding three months from the date of
their guardians' departure from India.

I have the honour to be,
Sir,
Your most obedient servant,

Ed P.H. 2.c. in continuation
of this department's No. 4935 H/45.1
