To The Honourable the Minister for Education,
Madras.

Thro' Sri N. Annamalai Pillai, M.L.A.,
Tiruvannamalai.

Sir, (now promoted to V Form)
We, the undersigned students of V Form of the Municipal High School
Tiruvannamalai, most respectfully beg to bring the following to your
kind notice and pray for favourable orders.:

Sri V.N. Varadaraja Mudaliar B.A., L.T., our Headmaster has been
connected with our school from its initial stage. He is a very experi-
enced and successful teacher and has distinguished himself in the pro-
fession. He is hale and healthy and is due to retire on 17th July '46,
as he is said to complete the age of fiftyfive then.

As the students of our school felt they should not loose the ser-
vices of such a good teacher, a petition was submitted requesting the
continuance in service of our headmaster for one year from the date of
his retirement. A copy of the petition is enclosed herewith. Further
in its resolution No 494 dated 17.12.45 the Municipal Council, Tiruvan-
namalai unanimously endorsed our appeal and requested the Government
to sanction our request. Now we learn that the Government have declin-
ed to do so.

We are to appear for the public examination of March 1947. The
first assistant of our school too has to retire in August 1946 and we
will be loosing the advantage of instruction by two of our best teachers
almost simultaneously. We sincerely believe that we will be affected
very much. Ours is a hard case and if we are deprived of the services
of our headmaster we would be left half way. It is our earnest desire
that we should continue to have the benefit of his teaching of English
in particular till we appear for the public examination. Incidentally
we beg to mention that the Government have in many cases permitted their
subordinates to be in service even after the age of 55. We learn the
Headmaster of the Municipal High School, Tiruppur has been granted
extension and is in service.

We humbly pray you may be pleased to consider our case sympatheti-
cally and issue early orders allowing our headmaster to continue in
service for a year from 17-7-1946 for which act of kindness we shall
ever feel grateful.

Advance copy submitted.

To the D.P.I.

This gentle man may be
kindly allowed to
continue in service

Municipal High School,
Tiruvannamalai,
17-5-46.

To
The Hon'ble The Minister for Education,
Madras.

Thro' The Commissioner,
Municipal Council,
Tiruvannamalai.

Thro' The District Educational Officer,
North Arcot, Vellore.

Thro' ~~xxx~~ The Divisional Inspector of Schools,
Coimbatore.

Thro' The Director of Public Instruction,
Madras.

Sir,

(E) Ref:- G.O.No. R.9. Edn dated 9-2-46.

Sub:- Secondary Education - Municipal High School - Tiruvannamalai
Headmaster's re-employment order - Request to reconsider
favourably.

I was appointed in this school in 1918. It was a middle school then for more than 60 years. I was appointed as Acting Headmaster for a period of 10 months during which period I endeavoured my best to raise the school as a High School and it was made into a High School in 1921 mostly by my efforts. I underwent L.T. Training in 1928-29 and I was an assistant till 1941. It was only in January 1941 I was appointed as the Headmaster of this school and so I have not reached even the maximum salary.

Now as per service register I complete my fiftyfifth year on 16th July 1946. But I am not really 55 years old and every one known to me will bear testimony to my being really younger for my age. I am hale and healthy and I am strong enough to work for some more years.

All these years after I became the Headmaster successive District Educational Officers have passed satisfactory remarks about my work in their inspection reports.

As I have already pointed out in my original petition I have done much work of public interest. The school also has improved in all directions.

Further, Officers who are superannuated in various other departments such as Revenue, Medical, Engineering and Educational are re-employed. Teachers, Headmasters and Principals in aided schools are given extensions till they complete their 60th year. There are some cases even in Municipal schools where re-employment has been granted by the Government.

More over the senior assistant of the school also has to retire early this year and if both the experienced hands are to retire at the same time the efficiency of the school will go down.

Under these circumstances and the other reasons pointed out by me in my original petition, I request that the Government may be kind enough to reconsider my case sympathetically and re-employ me for one more year from the date of my retirement.

I remain,
Sir,

Your most obedient servant,

Sundarajan
Headmaster. 17.5.46
