Re. No. 6E/46, dated 16-5-46.

Stationery - Purchase of certain articles -
Delegation of Powers - Requested.

An indent for the supply of stationery articles to this office and Mofussil branches for the year 1946 was placed on the Superintendent of Stationery, Madras. He has supplied certain articles of stationery and stated that the manifold papers, tags, ink bottles, etc., were out of stock and they have not yet been replenished. As manifold papers, tags etc., are required urgently for my office use, I request that powers may kindly be delegated to me under rule 8A.1 of stationery Manual Vol. I to make petty purchases of stationery to which this office is entitled under Appendix I of the Stationery Manual up to a limit of Rs. 20/- in each case. I may also submit that local purchase will be made only in the case of stationery articles which were not supplied by the stationery office.

Endorsement No.D.1.1600-46 dated 4 June 1946.

Returned.

Articles of stationery which are out of stock at one time, are supplied as balances due in the indent when stock is replenished, as per Rule 176, Stationery Manual Vol.I. It is not, therefore, desirable to permit local purchase in such cases. If an article is out of stock and there is no prospect of its replenishment within a reasonable time - which will be a far remote contingency in normal times - the power to make local purchase to the actual need, may be exercised in consultation with the Superintendent of Stationery, subject to the monetary limit already laid down in Rule 8(1).

In this connection, I solicit reference to Government Order in Ms.No. 1928-Edn. & P.H. Deptt. dated 19-11-1945 to the Hon'ble the Chief Justice of the High Court of Judicature, Madras, regarding similar delegation of powers.
