ENCLOSURES

SPARE COPIES

A secondary school with forms I to III was newly started from June 1944. There is already another long standing high school which imparts free education to all communities from the infant standard to VI Form.

Fees were levied and collected in the Municipal Secondary School as laid down in the Madras Educational Rules. But in the levy of fines under rule 90 concession was shown to the pupils during the year 1944-45 in view of the fact that the school was opened newly during the year and that the other high school was a free institution. The headmaster of the school fixed the date as 22nd instead of 15th as for the last day for payment of fees as laid down in rule 86 of the Madras Educational Rules. For the current year fines are levied as per Rules 86 and 90 of the Madras Educational Rules. The total fine thus foregone during the year 1944-45 comes to Rs.53-10-0.

The request of the council to open IV Form from 1945-46 was not approved by the Director of Public Instruction. So the pupils who were promoted from III Form had to be compulsorily sent out of the school. The Headmaster reports that it is not possible to collect the arrears of fines from these pupils. It will not be fair to collect fines from other pupils leaving the pupils who had left the school. The Headmaster recommends that non-levy of fines between 15th and 22nd in every month during 1944-45 may be condoned.

In para 25(d) of the Audit Report for 1944-45 objection has been taken for the non-levy of the fines. A copy of the audit objection is enclosed. The Municipal council in its resolution No.28 dated 4-1-46 (copy enclosed) has waived the non-levy of fines amounting to Rs.53-10-0 subject to the approval of the Government.

I request

P.T.2

I request that the Government may be pleased to condone the nonlevy of fines amounting to Rs.53-10-0 in the Municipal Secondary School during the year 1944-45 as a special case.

Commissioner.

(d) Fines not collected:-

Rule 90 of the Madras Educational Rules lays down that a fine at 0-1-0 per each rupee shall be levied from a pupil who fails to pay the first instalment of fees not later than the 15th of each succeeding month. But no fine was recovered from pupils who did not pay them upto the end of 22nd of each month. Fines omitted to be collected for the payments of fees between the 16th and 22nd of each may be worked out and collected.
