In G.O.No.687 Education dated 29-3-46, sanction was accorded to the supply of a typewriter for the use of the stenotypist to the Special Officer in this office. The Special Officer for the establishment of the proposed Medical College will have his headquarters at Madura and the requisite sanction has been applied for separately. The staff attached to the officer will cease to be employed in this office when he shifts his headquarters to Madura and a staff consisting of a steno-typist, a lower division clerk and a peon will work at Madura.

2. The staff sanctioned in G.O.No.1412 P.H., dated 7-5-46, for work connected with resettlement and in civil life of demobilised medical and ancillary personnel, consists of, among others, a typist. The typist has been using one of the typewriters attached to the different sections as detailed in this office letter Ref.No.23365-1A dated 12-4-46 disposed of in G.O.No.980 Education dated 15-5-46. It is not possible to continue this arrangement

arrangement indefinitely. I therefore request the approval of Government to retain in this office the typewriter referred to in the previous paragraph for use ~~of~~ by the new typist until such time as the ~~post~~ temporary post of typist is continued. I also request that the Government may be pleased to sanction a typewriter for the steno-typist to be attached to the Special Officer who will have his office at the Erskine Hospital, Madura. It will not be possible for the steno-typist to use any of the two typewriters in that hospital as there is sufficient use for two machines.

Note:- The proposal of the S/L at A' <sup>on p 215 rather</sup> ~~at roundabout~~  
and there is no need to issue another order similar  
to the one at (C). The request amounts to the supply of  
another typewriter for the typist sanctioned in (J) and  
this could be done straightaway permitting the S/L effr.  
to take the machine sanctioned in (C) to his new Hdqrs.
