Sir,

Ref: G.O.No.575 Edn., dated 19th March 1946 sanctioning Car allowance of Rs 50/- to Mr. G.F. Amalanathan Assistant Superintendent, Government Press for 3 months from 1-2-46 for supervising printing of Electoral Rolls and High Court records in private presses and This office letter No.82/Mis., dated 22-1-1946.

With reference to the G.O. referred to above I have the honour to state that the sanction of the Car Allowance to Mr. Amalanathan expires on 30th April 1946. In view of the orders issued in G.O.No.740 Edn., dated 5th April sanctioning the continuance of printing the High Court records at private presses for a further period of six months from 1st May 1946 it is requested that the car allowance sanctioned in the G.O. referred to above may be continued for a similar period as the circumstances stated in my letter referred to above under which the allowance was sanctioned still hold good and it is understood that the consolidated electoral rolls for Madras City are to be reprinted in a short period of less than 2 months from the 15th May 1946 when the services of a great many more presses will

will be necessary.

Mr. Amalanathan represents that the allowance of Rs 50/- does not cover the expenses he has to incur in his daily round to the 16 presses who have undertaken the work spread over to different parts of the City. There were originally only 10 covers an average of 12 miles per day. Under his supervision the outturn of these presses has increased from 400 pages a week in February to over 1000 this week and I would recommend that the allowance be increased to Rs 75/- per mensem taking into consideration the extra distance he will have to cover during the Electoral roll period.

3.5.46

In G.O.No. 575-Edn., dated 13-3-1946, a car allowance of Rs 50/- p.m. was sanctioned for a period of 3 months from 1-2-1946 to Mr. G.F. Amalanathan, Asst. Superintendent, Govt. Press, Madras, for supervising the printing of electoral rolls and the High Court Records in the private presses in the City. The S.G.P. now requests that the allowance may be continued for a further period of 3 months from 1-5-1946, as the circumstances under which the allowance was sanctioned still hold good. The S.G.P.'s recommendation may perhaps be accepted.

2. The S.G.P. also requests that the car allowance may be increased from Rs 50/- to Rs 75/- p.m., as Mr. Amalanathan represents that the allowance of Rs 50/- does not cover the expenses he has to incur in connection with his supervision of the printing in the private presses. Attention is, in this connection, invited to the note of the Finance Addl. Deputy Secretary on page 3 n.f., this Department's note on pp. 3-4 et seq and the orders in circulation on page 4 n.f. of G.O.No. 575-Edn., dated 13-3-1946. For orders on the S.G.P.'s request for increasing the rate of car allowance to Rs 75/- p.m. may be accepted.

The file may be sent to Finance for remarks.

31/5/46 N 3 sub. 3.5.46 Finance

Please see the letter from the S.G.P. in the CF and and the note of E.P.H. overleaf. In the circumstances stated by E.P.H. in paragraph 1 of their note overleaf, this dept. may agree to the continuance of the car allowance sanctioned in G.O. 575 Edn. 13-3-46 for another period of three months from 1-5-46

2. With reference to the proposal for the increase of Car allowance to Rs 75 p.m., it is submitted that the Car allowance of Rs 50 p.m. was fixed in G.O. 575 Edn. 13-3-46 taking into consideration the petrol charges, wear & tear and maintenance charges etc. whereas the rate suggested by this dept. was Rs 30 p.m. One allowance was first expected only for a period of three months. Now an extension is applied for and also an increased rate of allowance. The conveyance allowance usually admissible to the officers of the Assistant Supt. Govt. Press is Rs 50 p.m. only. Conveyance allowances sanctioned by the Govt. should be a profit to the recipient. In the circumstances, it is for consideration whether this dept. may suggest that this proposal may be negative. It is however proposed to increase the allowance to Rs 75 p.m. for the next 3 months from 1-5-46.

quite minor. In this case to ask for Rs 75 CA. In view of the fact, but to light affy. The order in ① was passed. Finance comt. ask for that the CA. may be fixed at Rs 40/- p.m. for the next 3 months from 1-5-46.

He covers 12 mls a day now even if he has to travel 16 a day, the distance cannot exceed 15 mls, which means about 100 mls per month. I have ascertained further that the car is used for the police work, the specially extra for an additional petrol ration for Mr. Amalathasan of 12 gals. which has been granted as per Memo. For the extra petrol ration for the electoral roll work, he may probably require 3 gals more, making a total of 15 gals. Even if extra work is done, and good ch. are taken, the cost is not more than Rs 15/- per month. This is a very small amount and will be a profit to the recipient (even if he has to pay for the petrol). It may be a profit to the recipient. So the proposal may be negative.

25602 Rs 75/- will be a profit to the recipient (even if he has to pay for the petrol). It may be a profit to the recipient. So the proposal may be negative.

Please see the note of the fin. Dept. on page 2 ante. Finance agree to the continuance of the car allowance sanctioned in G.O. No. 575 Edn., dated, 13-3-46 for another period of three months from 1-5-46.

The increased rate of car allowance at Rs. 75/- p.m. was suggested in this department's note at para 2 on page 1 ante, taking into consideration the cost of oil, wear and tear and the maintenance charges. Finance suggest a car allowance of Rs. 40/- p.m. i.e., Rs. 10/- less than that sanctioned in G.O. No. 575 Edn., dated, 13-3-46 for the reasons stated in their note on page 2 ante. It is submitted that the reduced rate of allowance

at Rs. 40/- p.m. will be a discouragement to Mr. G. J. Amalathasan, Asst. Supt. Govt. Press, under whose supervision the output of the work at private presses has increased from 400 pages a week to 1600 pages a week, and as a result, the High Court is not complaining against delay in printing of the High Court records. In this connection, attention is invited to the Deputy Secretary's note at 'X' on page 4 N.F. of G.O. No. 575 Edn., dated, 13-3-46. In view of these facts, this dept. may fix the allowance via media, at Rs. 60/- p.m. and the balance to be paid by the recipient for the petrol.
