Sir,

Madras Educational Rules - Fee concessions to
converts from Scheduled classes.

Ref: (i) G.O.No.1282 Education dated 21-8-41.
(ii) G.O.No.1726 Education dated 7-11-41.

In their orders quoted above Government were pleased to direct that converts to Christianity or to any other religion from castes included in Group I of Appendix 17A of the Madras Educational Rules should be considered as eligible for all fee concessions including fee remissions in Colleges for which the Scheduled castes are eligible under the Madras Educational Rules. The sanctioning authority is therefore expected to satisfy itself that the parents or forefathers of the students claiming the concessions belonged before their conversion to one or other of the communities mentioned under Group I of Appendix 17 A of the Madras Educational Rules. However, at present the students are not being required in practice to produce any certificate, regarding the caste to which they belonged before conversion. In the absence of

such a certificate, there may be a tendency to abuse the concession. It seems therefore to be desirable that the students should be required to produce a certificate from the Pastor or some other Missionary about the community in the Hindu fold to which they or their ancestors belonged before their conversion. Such a certificate will ~~discourage~~ discourage attempts by parents or managements of schools to abuse the concessions specially granted in the G.O.s quoted above.

The amendment proposed is necessary & it is accepted.

I would like another aspect of this matter to be examined.
The concession given to the Scheduled Caste is due to their backwardness.
Converts from these Caste may be given the same advantages,
~~but will come to know their position immediately~~
if they are also backward. But unless a time limit is
fixed, i.e. for converts within a knowable period, this rule is
liable to be greatly misused. This aspect of the matter may be
looked into.
