I am enclosing herewith the u.o. remarks of the Inspectress of European Schools on the question of the consideration of nominations to the Madras Provincial Board for Anglo-Indian and European Education from the Anglo-Indian Association of All India and Burma. From these it will be seen that the recommendations made in my letter ROC.No.1763-E/45 dated 4-1-1946 were made in consultation with the several bodies connected therewith. The new Board would ordinarily have been reconstituted as from 4-1-1946. The nominations from the Anglo-Indian Association of All India and Burma appear to have been received by Government sometime in February 1946. In my letter R.C.No.324 E/46 dated 19-3-1946, I have suggested after consultation with the Inspectress of European Schools that the question of

In my endorsement ROC.No.4169/45 dated 27th Feb. 1946 while offering my remarks on the letter of the Honorary Secretary of the Anglo-Indian Association of All India and Burma to Government, that if the Government were inclined to consider the request of that Association favourably the question of nominating one from that Association could be taken up when the Board is reconstituted in January 1949.

I may submit in this connection that nominations for the reconstitution of the Board from 4th January 1946 were submitted in December 1945 and for the mere reason that Government Orders were not issued reconstituting the Board by the time the representation from the All India Association was received (perhaps sometime in February 1946), I do not think it desirable that the original recommendations should be revised at this stage. I therefore request that Government may be requested to issue orders reconstituting the Board from 4th January 1946 as originally recommended as nominations were submitted after long consideration and in consultation with the several bodies connected therewith.

I have carefully considered the question in all its aspects.

Principal flag (B)

As can be seen from an article appearing in "The Indian Express" dated 24-5-46, the future of the Lawrence Memorial Royal Military School, Lovedale, is unsettled and it is likely that the Rev. F.R.L. Brooke, M.A., Principal of the school may be leaving the institution for the United Kingdom in August next. In that case he may not be of much use to the Board. I, therefore, suggest that his name (appearing under item iii(a) in this office letter R.C.No.1763 E/45 dated 4-1-46) may be deleted and instead Mr. T.E. Axford, the Headmaster of the Doveton Corrie Boys' High School, Vepery be considered. The latter is a representative of the

pp 21-22 7 (J) In G.O.No.Ms.1258, Education, dated 26-6-46, Mr. G. C. D'Cruz, President of the Anglo-Indian and Domiciled European Association Egmore, Madras, was nominated as a member of the Provincial Board for Anglo Indian and European Education to represent the Anglo-Indian Community. The Inspectress of European Schools, Madras, now reports that Mr. D' Cruz has resigned his Presidentship of the Association and has taken up appointment at Bangalore. The Anglo-Indian Association considers that change of Presidentship of Mr. D'Cruz does not necessitate any change in the present membership on the Board to represent the Anglo-Indian Community through the Anglo-Indian Association Provincial Council has suggested the name of Mr. Fowler, if Mr. D' Cruz is to resign. The Inspectress of European Schools also considers that Mr. D'Cruz may be continued but enquires whether he may be paid Travelling Allowance from Bangalore for attending the meetings of the Board. I recommend the continuance of Mr. D'Cruz and the payment of Travelling Allowance to him to attend the meetings of the Board.

I have the honour to bring to your notice that under the above G.O., His Excellency the Governor of Madras, has been pleased to nominate Messrs E. H. M. Bower and G. C. D'Cruz to represent the Anglo-Indian Community, and Mr. Franco as a representative of University Education, on the Board.

(X) p22 G.O. No. 1258 Edn. 26/6/46

Messrs Bower and D'Cruz have since taken up their residence at Bangalore and Mr. Franco has retired from Government Service and is also on the verge of settling down at Bangalore. As Bangalore is outside the Province of Madras and soon to be ceeded to the Mysore State, my Association desires to point out that these three gentlemen automatically loose their right to represent the Community in this Province and should be called upon to resign. In any case as they are no longer actively engaged in Education in the Province, it is not possible for them to be in touch with problems effecting my Community, and my Association finds it difficult to keep them seized of events in the fast changing conditions of today.

I am to request that the Hon'ble Minister will be pleased to reconsider these nominations and in doing so, I take the liberty of submitting the following names.

In resubmitting herewith the letter dated 20-4-47 of the Honorary Secretary, the Anglo-Indian Association, Provincial Council, I have the honour to state that I am of opinion that no change in the membership of the Board is necessary till the existing members serve their period of nomination. Dear Mr. Roge,

Will you please refer to your letter of the 20th April with reference to continuance of Mr. Bower, Mr. D'Cruz and Mr. Franco in the Madras Provincial Angli-Indian education. I understand that Mr. Bower continues to be the Chairman of the biggest Anglo-Indian educational institution in South India, viz. theStanes High School, Coimbatore and he continues to be connected with many other educational institutions also. I understand that Mr. D'Cruz is also taking interest in the Anglo-Indian education in this province. I also understand Mr. Franco has not transferred his residence to Bangalore. In these circumstances, the Government are of opinion that the present Committee may last for the period for which it was appointed and any change that may be necessary may be done ~~during~~ when the fresh appointment of the Committee comes up.
