Sir,

Books and Publications - Newspapers - The "Hindu" -
Supply of - Ref: Govt. Memo. No. 18655-B-1/46-5 dated
23-4-1946.

The "Hindu" daily alone is being supplied to the High Commissioner, London, by surface mail. I have addressed the Manager, The Hindu to let me know whether he is now supplying two copies of the daily by Air Mail as ordered by Government in Memo. No. 18655-B-1/46-3 dated 6-4-1946, and if so, to send a bill for Air Mail Charges. He has already sent a bill for the supply of one copy of the daily from 14-5-46 to the High Commissioner.

In this connection, I have to state that two copies of the Hindu daily are being supplied to the High Commissioner. (1) one copy for the Reading room attached to the Library of the High Commissioner for India, London, the subscription for this supply commencing from 14th May of each year and (2) one copy for the High Commissioner for India, the subscription commencing from 1st January of each year. I presume that the two copies referred to in letter No. 18655-B-1/46-1 Edn., Education and Public Health Department, to the Manager, The Hindu, Madras relate to the above two copies.

Please see the letter from the India office in the C.F. and the note of Public (General) on p.1 above.

The India office have not ~~ask~~ asked this Govt., to bear the cost of the 2 newspapers to be supplied to them direct by the newspaper offices. It is understood that the newspaper offices have overseas customers from whom they receive payment direct ~~from~~ ^{for} newspapers supplied. A similar procedure will apparently be followed in the case of supplies to the India office also. All that seems necessary is that this Government

^{The Newspapers Concerned}
should issue instructions as suggested in the India office letter. Payment will be made to the Newspaper offices direct by the India office. With the above remarks, the case may be returned to
