Sir,
16 JUN 1946 Sub: Printing Metal - purchase of - permission for.

I have the honour to state that the present stock of monotype metal has completely run out and sufficient metal for current work is not available. There is also a likelihood of the monotype machines now engaged on the setting of Electoral Rolls being stopped if new metal is not supplied soon. 5 tons of monotype metal of specification 6% tin, 16% antimony and 78% lead are required for immediate use. Of the three local Firms that were addressed, only two have quoted of which Messrs. Binani Metal Works Ltd's quotation of Rs 1860/- per ton F.O.R. Calcutta packing and forwarding charges extra is the cheaper. I propose to purchase my requirements from the above firm if the purchase is sanctioned by Government. I request that Government may be pleased to accord sanction for a sum not exceeding Rs 10,500/- for the purchase of 5 tons of monotype metal including packing, forwarding, Railway freight charges etc.

The expenditure will be met from the allotment under "56 Stationery and Printing - (d) Government Presses (Madras) - F. other expenditure - 4. Stores purchased in India" or by re-appropriation.
