To
The Secretary to the Government of Madras,
Education and Public Health Department,
FORT ST. GEORGE

Sir,

With reference to Government Memorandum No.6269 C-2, Education and Public Health, dated 28th April 1944, English has been included as an Optional subject for the VIII Standard Public Examination with effect from the Examination of 1945. The "Village Readers - Book V - (Special edition)" published by the Oxford University Press, Madras, containing both Prose and Poetical Selections and which had been approved by the Madras Text-Book Committee was prescribed as a Text-Book in English for the VIII Standard Public Examination of 1945. This book was re-prescribed for the Examination of 1946 also, as a measure of paper economy due to war conditions.

For the Examination of 1947, a fresh Text-Book in English has to be prescribed, as the book referred to in the previous paragraph had been in use for two examinations. It has been decided on the recommendation of the Training School-Leaving Certificate and VIII Standard Examination Board that the book entitled "The Middle School English Readers - Book IV" published by Sri R.Loganathan Pillai, Publisher, Madras, may be prescribed as a Text-Book after revising and editing the same suitably. Sri Rao Bahadur V.R.Ranganathan, Divisional Inspector of Schools, Coimbatore and Chairman of the Board has been appointed to edit the book, for which work the publishers have agreed to pay him a remuneration of Rs.150/-.

I have, therefore, the honour to recommend that Government may be pleased to permit Sri V.R.Ranganathan to accept the above remuneration with reference to G.O.No.Ms.1866 Education, dated 16th August 1939.

I have the honour to be,
Sir,
Your most obedient servant,
