Sir,

Ref:- G.O.Mis.No.1715 Edn. dt.27-10-45.

The draft notification under section 4 (1) of the Act which was approved
in the G.O. cited above, was published at page 378 of part I B of the Fort
St.George Gazette for 6-11-45 as notification No.257 Notices under secs.4(1) and
5A of the Act were published and served on all the persons known or believed to
have interest in the land, as prescribed in the rules. There is no objection
to the proposed acquisition.

2. The enquiry under Sec. 5A of the Act reveals that Rangaswami Iyengar
and Andalammal have sold their rights in the land to Venkatachari and
Janaki amm. Excepting this there is no change in the ownership of the land.

P.t.o.

Also there is no change in the value of the land. As it is not likely that the owner will remove the trees in time as undertaken by her since the ownership is in dispute, they have been valued and the amount included in the valuation statement. The total cost of acquisition now works out to Rs.7325-7-7 including 15 per cent solatium. This may be accepted tentatively. There is no cemetery or tomb on the site.

3. The Zamindar of Chunampet, Sri. Diwan Bahadur C. Arunachala Mudaliar, who is the founder and manager of the institution, consents to abide by the conditions of alienation of the land after acquisition. He ~~may~~ agrees to meet the cost of acquisition and also further expenses, if any, in case the reference is made to a civil court. I enclose a draft declaration under sec. 6 of the Act. It may be approved and ordered to be published in the Fort St. George Gazette.

The letters of consent of the Manager are enclosed.
