I have the honour to state that the sanction accorded in G.O.Ms.No.608 Edn., dated 20th April 1945 to the re-employment of Sri L.R. Swaminatha Iyer, Head Reader expires on 14th June '46.

2. The work in all the sections of the Press, especially in connection with Civil Supplies, Rationing, Elections, etc. is daily on the increase, and upon the summoning of the Legislatures the work will be further increased to a greater extent.

3. The paucity of experienced members in the Government Press Supervising staff continues, I request therefore that, in the interest of public service, sanction may be accorded for the continuance of his re-employment for one more year from 15th June 1946.

Sir,

I have the honour to state that Sri A. Rangabashiam Naidu, Foreman, Government Press, Madras on Rs 30-60/60 retired from service on Super-annuation pension from 29-4-46. He has been in charge of Job printing for a long time and at the time of retirement he was in charge of a newly constituted Composing section known as "Standardized Forms Section" to cope with the heavy rush of work in connection with the Civil Supplies and Rationing work. Since the paucity of experienced supervising staff continues, I have no alternative but to approach Government in the interest of Public Service to re-employ him for a period of one year from 29-4-46. I request that Government may therefore be pleased to accord sanction for the same under the conditions specified in G.O.No.Ms.3524, Public (Services) dated 9-12-1944. I came to a definite decision on this point only shortly before proceeding on Casual leave out of Madras but I permitted him to continue in service at his risk. The delay in submitting this proposal is regretted.

Ref: G.O. No. Mis. 1292 Wdn., dated 2-7-1946.

Agreeably to the orders issued in the G.O. quoted above, the
services of Sri L.R. Swaminatha Iyer, Head Reader and Sri A. Ranga-
bashiam Naidu, Foreman were terminated with effect from the afternoon
of 3rd July 1946.

2. As these two officers were actually discharging the duties
attached to the posts, it is but fair that they should be paid their
salary for the period though they were re-employed at their risk. I
would therefore request that Government may be pleased to sanction for
their re-employment till 3-7-1946.
