Office of the Director of Public Instruction, Madras.
Rop.54 B3/45-46 dated 7-3-1946.

Sub: Elementary Education Fund - Budget Estimate for 1946-47 - Corporation of Madras.

Read: Letter from the Commissioner, Corporation of Madras, Ed.D.C.No.B1-5191/45 dated 19-2-1946.

Submitted.

2. The Budget is explained by the Commissioner in his covering letter to the budget and in his note to the standing committee for education.

3. Revised Estimate for 1945-46:

Expenditure under "Ordinary" and "Capital" is in excess of the sanctioned budget. Sanction of Government is necessary the increased expenditure.

4. Budget Estimate for 1946-47:

The request of the Commissioner to pay equivalent Government contribution under Section 37 of the Madras Elementary Education Act at the full rate cannot be complied with. The Commissioner's attention may be invited to para 2 of G.O.No. Ms.792 Edn., dated 22-5-1945. The credit taken under this head may be reduced to Rs.4,54,500 as in the Revised Estimate for 45-46 and this is further liable to revision with reference to the actual amount of education tax realised and adjusted to the fund during 1945-46.

5. The credit taken for Rs.5,00,000 under "Capital - Loans" may be allowed to stand, pending the sanction of Government.

6. Sanction of Government should be obtained for the appointment of the additional attendance checkers.

7. The proposal for running tutorial classes for coaching teachers to appear for the S.S.L.C. or Matriculation Examination may be accepted and the provision of Rs.2000 made for this purpose may be allowed to stand. But the proposal to pay an allowance of Rs.5/- to such teachers who come out successful, in these examinations may not be accepted. The provision of Rs.600/- made under this item may therefore be deleted.

8. It is stated by the Commissioner that a sum of Rs.500/- has been provided for the expenditure in connection with the arrangements of refresher courses. Necessary refresher courses will be arranged for by departmental officers. There is no need for any such expenditure. The provision may therefore be deleted.

9. The Commissioner states that a provision of Rs.7500/- has been made for the purchase of a motor van and to maintain it with a view to taking children during week ends to various Industrial Centres and places of interest. Excursions are a good idea though it is not necessary to restrict them to Industrial Centres. The provision made for this may be allowed to stand.

10. The provision of Rs.5000/- made for the installation of electric lights in the Corporation owned school buildings may be allowed to stand.

p.t.o.

ASST. SECRETARY TO GOVERNMENT
9 - MAR 1946
EDUCATION AND PUBLIC HEALTH DEPTT.

11. The proposal to revise the scale of pay of playground instructors may be accepted.

12. The proposed additional secondary grade teachers may be appointed in consultation with the Inspecting Officers.

13. The proposal to appoint relieving assistants may be accepted.

14. Sanction may be accorded to the employment of a typist and for the purchase of a typewriting machine.

15. The Commissioner may be asked to address Government separately for the conversion of the two posts of Reference Suppliers into those of Lower Division Clerks.

16. It is a part of the duty of the Works Department of the Corporation to see that the Corporation school buildings are maintained in good condition. The school buildings can very well be maintained by the Works Department overseers whose offices are situated in certain parts of the city than by a single overseer as proposed by the Commissioner. Even the District Boards do not employ separate overseers for this purpose. So there is no need to appoint a separate overseer.

17. In Para 11 of Director's endorsement Rop.54 B3/44-45 dated 31-1-45, in which remarks were offered on the Budget Estimate for 45-46 it was stated that the proposed conveyance allowance of Rs.15/- p.m. to the supervisors for the maintenance of a bicycle was high. But now the council has proposed to increase the allowance to Rs.40/- p.m. on the ground that they have to use public conveyances. This plea cannot be accepted. They should be made to use their cycles. There is no case for increasing the allowance. As pointed out in the last year's report the lady supervisors are paid a salary of only Rs.100/- p.m. each and it is now proposed to increase the conveyance allowance from Rs.45/- to Rs.60/- p.m.if they maintain a car. The conveyance allowance paid to these supervisors was raised from Rs.30/- to Rs.45/- only last year. There seems to be no new grounds to increase it still further this year. So the existing allowance of Rs.45/- p.m. may be continued.

18. The Corporation Boys' school, Vannia Teynampet continues to have the branch school 6 furlongs off, inspite of the remarks made at the time of the budget estimate for 1945-46 that the Corporation may centralize the main and the branch schools at one place. Since the main school is held in its own spacious building, it is most desirable that the branch school is developed into an independent school instead of centralising the main school and the branch school at one place.

19. In addition to the schools mentioned last year 15 boys' schools have also not been provided with adequate accommodation. The buildings owned by the management housing the Corporation Girls' Schools, Madhavaram High Road, Tholasinga Perumal Koil Street and Peters Road, are inadequate and unsuitable. About 29 girls' schools held in rented buildings have no adequate accommodation. The management should take steps to rectify these defects.

20. The Corporation Boys' school, Seven wells and the Corporation Muslim Boys' School, Seven Wells are held in buildings unsuitable for school purposes. They may be shifted to suitable buildings. 24 boys schools have no playgrounds of their own nor have they the facilities of the Corporation playgrounds nearby.

21. The accommodation, equipment and the staff provided for the teaching of prevocational subjects in five boys' schools are not adequate. The appointment of a second instructor in these schools, with preferably another subject introduced, may be considered. The teaching of Handicrafts and prevocational subjects which, at present, does not in many cases, scrupulously follow the departmental syllabuses should be required to be on the lines indicated

in the departmental syllabuses.

22. Writing desks are required for pupils of standards IV and V in all the Muslim Girls' schools as also the necessary charts and maps. Reference books are required in all the muslim girls' schools.

23. It is reported that Hither Grade teachers have been teaching English or posted to the Higher Elementary standards and no exemption has been sought in such cases. The Commissioner may be asked to rectify such irregularities.

24. Teachers trained under the new scheme were treated as probationary teachers' certificate holders even after the issue of the Government Order abolishing the system and paid the probationary teachers' rates of pay only, for the whole of 1944-45. The Commissioner may be asked to pay regular rates of pay from the date of the G.O. or the date of appointment whichever is later.

25. It is reported that text books in English were changed again this year though only last year, a change was made and yet, the approval of the District Educational officer has not been sought in the matter. This irregularity may be rectified.

26. Leave salary and dearness allowance are paid.

E.D. C. No.B.1.5191 of 1945, Dated 19-2-46.

DIRECTOR OF PUBLIC INSTRUCTION 21 FEB 1946 MADRAS

Enclosures: No.

Sir,

Subject:— Education - Elementary - Corporation of Madras - Budget Estimate - Elementary Education Fund - 1946-47.

Refce: Government Memorandum No.1758-A.1 dated 15-1-1946.

As required under Section 38 of the Madras Elementary Education Act (1920), I submit herewith the Budget Estimate of the Elementary Education Fund of the Corporation of Madras for the year 1946-47, as passed by the Council on 14-2-1946.

2. As explained in my note dated 27th November 1945 to the Standing Committee (Education) and the Council, (copy enclosed,) the Revised Estimate of Receipts (including the opening balance) and charges for 1945-46 will amount to Rs.18,07,923 and Rs,16,69,970, respectively leaving a closing balance of Rs.1,37,953 as against the budget figure of Rs.47,079.

Budget Estimate for 1946-47.

3. Credit is taken for the following items of receipts:-

	Rs.
(1) Education Tax at 12% of the Property Tax.	6,50,000.
(2) Government contribution under Section 37 of the Madras Elementary Education Act. at 12% of the Property tax as requested by the Council.	6,60,600
(3) Government contribution as subsidy for Elementary Schools opened after 1-4-1921.	31,380.
(4) Contribution from the General Funds of the Corporation to Elementary Education Fund and to contingencies (Pay of peons, Conductresses, etc.) (a) 4,30,000 Contribution. (b) 20,000 towards contingencies etc.	4,50,000
(5) Other items of receipts including advances recoverable.	13,220
	Rs. 18,05,200

With regard to item (2) above, I have to state that the

Government have been contributing to the Elementary Education Fund of the Corporation at 8% of the Property Tax realised in accordance with the proviso to Section 37 of the Madras Elementary Education Act, as amended in 1941, although the Education Tax is levied at 12% of the Property Tax. As the expenditure on Elementary Education has increased owing to the payment to the staff of Dearness Allowance which comes to nearly Rs.4.0 lakhs, and as Government have not been pleased to meet even a portion of the cost of Dearness Allowance which is a war time necessity, a difficult situation has arisen and the education budget could not be balanced. The contribution from the General Funds to the Elementary Education Fund which was originally fixed at Rs.2,40,000 has been increased from year to year to make up for the deficit in the Education Budget. A sum of Rs.4,11,463 was contributed during the year 1944-45 and the Council resolved to contribute Rs.4,50,000 for the year 1946-47 to the Elementary Education Fund in addition to the sum of Rs.1,82,000 which is budgetted for the expenditure for the supply of midday meals to poor children attending Corporation Schools. Progress in the direction of compulsory free elementary education has been very slow in the past mainly for want of adequate funds. After the appointment of a Special staff of Attendance Checkers on 30-7-45, the strength in the Corporation Schools has increased from 44683 in July 45 to 48,588 in December 1945 and it is going up further. Although the cost of maintenance of the existing schools has increased by about 30%, the problem of wiping out illiteracy among children of elementary school-age in the City has not yet been fully tackled. In view of the large contribution which the Corporation has been making towards the Elementary Education Fund at the sacrifice of even providing the much needed civic amenities to the public, the Council has requested that Government may be pleased to contribute a sum equal to the receipts realised by the Corporation by way of Education Tax at 12%. According to the Revised Estimate a sum of Rs.6,60,600 is expected to be realised at 12% of the Education Tax in the current year and an equivalent amount of Government contribution is accordingly taken credit for the next year.

4. Expenditure:

The budget provides for expenditure on the salaries of the Educational Officer, the Lady Superintendent, Corporation Girls Schools, the Medical Inspectors and Inspectresses, Supervisors of Corporation Schools, the teaching staff, the clerical and menial establishments, scouting equipment etc., and on the staff, equipment etc., for the following four new Schools already sanctioned by the Council.

(1) Old Slaughter House Road, 3rd division.
(2) Sivarajapuram, 17th division.
(3) Konnur Road, 21st division and
(4) Telugu mixed school for Thyagarayanagar, 38th division,

and for the 15 Branch Schools to be opened in the current year of which five have already been opened and for 20 branch schools in slums proposed to be opened in the next year. Provision is also made for the following new schools which are considered quite essential in the interest of the school going children of the backward or minority communities.

(1) Opening of two branch schools for Muslims at Washermanpet and Purasawalkam;

(2) Opening of a Muslim Girls' School in Dadasha Makhan;

(3) Opening of a Marathi School in Triplicane and

(4) Opening of a Kannada Section in one of the Boys' Schools in Triplicane.

The need for opening branch schools in slum areas is explained in paragraph 9 of my note to the Standing Committee (Education) and the Council, (copy enclosed.) It may be observed here that opening of Branch Schools in the slums is the best method for roping in the poor children of slum areas who otherwise fail to attend school at any rate regularly.

5. Compulsion Staff:

The Government in G.O.No.1042 (Education) dated 13-7-45 sanctioned the appointment of 4 Attendance Checkers on a salary of Rs.25-1-35 plus Dearness Allowance and they have been working in selected slums and other educationally backward areas in the City. 16 more Attendance Checkers on Rs.25-1-35 plus 16 Dearness Allowance each per mensem have

have to be appointed for attending to compulsion work throughout the City.

6. The following new proposals specified in statement No.V appended to my note to the Standing Committee (Education) and the Council are considered essential and the necessity for each item is briefly explained below:-

(1) Shift System: Payment of allowance to Senior assistants and peons. As a result of enforcing compulsion vigorously in the City, a large number of children have been seeking admission in Corporation Schools. But one serious handicap we are faced with is inadequacy of accomodation in many Corporation Schools. In order to overcome this difficulty, a shift system by which two batches of pupils could be taught daily with the same staff/accomodation and equipment has been adopted in 15 Corporation Schools. An allowance of Rs.3/- per mensem to the Senior Assistant of the School who will be in charge of one shift and of Rs.2/- per mensem to the school peon for staying for longer hours, is proposed to be granted.

(2) Holding evening classes for coaching teachers for Matriculation and S.S.L.C. Examinations.

At present only about 20% of the teachers in Corporation Schools possess Secondary Grade qualifications. In the interest of efficiency of the Corporation Schools, the number of Secondary Grade teachers should be increased. As there is a dearth of Secondary Grade Teachers, it is proposed to hold evening classes for coaching teachers who have completed S.S.L.C.course, but have not passed the final examination and those who are qualified to appear for the Matriculation Examination.. The classes will be handled by L.T's and College lecturers in a Central Corporation School. The Lecturers will have to be paid not less than Rs.30/- per mensem. At the rate of Rs.200/- per mensem for running the tutorial classes, a sum of Rs.2,000/- will be required.

Even after passing the examination, the teachers cannot, under the rules, be treated as Secondary Grade teachers without undergoing further training and will not therefore be entitled to the scale of

pay of Secondary Grade Teachers. A special pay of Rs.5/- per mensem is therefore proposed to be paid to those who come out successful in the examination so as to create an incentive for studying for the examination. This allowance will be paid until such time as they become qualified as Secondary Grade Teachers when they will get the benefit of the scale of pay of Secondary Grade teachers. A sum of Rs.600/- has been provided for this purpose.

(3) Refresher Course for teachers: The work now done by the Teachers' Association to improve the general knowledge of teachers is quite inadequate. The purpose of a Refresher Course is to give the teachers, particularly the holders of Elementary Higher Grade certificates with the general qualification of 8th standard, the general knowledge necessary for teaching efficiently, as well as useful instruction about the latest methods of teaching. During the holidays, special lectures will be arranged to be delivered by expert educationalists. The expenditure involved in arranging refresher courses of this kind has to be met. A sum of Rs.500/- has been provided for this purpose.

(4) Annual Sports for School Children: With a view to creating active health habits among children, a sum of Rs.1,000 is provided for the award of prizes for winners in sports to be organised as an annual function for children in all the elementary schools.

(5) Inculcation of Health Habits: A sum of Rs.3,000/- is provided for the supply of Carbolic Soap, towels, cocoanut oil etc., to children attending Corporation Schools, particularly in slums, who are found unclean. Children will be made to bathe in the school during the recess.

(6) Craft Introduction in New Schools: A sum of Rs.1,200/- has been provided for the purchase of apparatus and appliances for introducing spinning and weaving in four schools. It is proposed to appoint 4 Instructors on

on Rs.30/- per mensem plus Rs.16/- Dearness Allowance per mensem.

(7) Appointment of 3 Music Mistresses:

There are at present 15 Music Mistresses who work in 41 out of 49 Non Muslim Girls' Schools. They attend also to Girls' Sections in Boys'Schools. There are now 8 Girls' Schools without Music Mistresses. As the need for the appointment of three more Music Mistresses is keenly felt, provision is being made for the appointment of 3 Music Mistresses on Rs.35-1-45 plus 16/- Dearness Allowance per mensem.

(8) Excursion Van: With a view to inculcate an industrial bias, a regular programme for taking children during week ends to various Industrial Centres and places of interest is proposed to be drawn up. To facilitate such excursions, it is proposed to purchase one motor van at a cost of Rs.7,500 and to maintain it.

(9) Installation of Radio sets in Corporation Schools:

At present Radio sets are installed only in 17 Corporation owned school buildings. No new sets have been installed for the last three years owing to non-availability of sets. Of late, talks to children have been so arranged that either subjects relating to class work and lessons or subjects that would give useful general knowledge to children are dealt with. There are now 63 Corporation Schools in 62 Corporation owned buildings. To provide gradually atleast one Radio set in each division with Radio equipment, a sum of Rs.5,000 has been provided.

(10) Installation of electric lights in Corporation owned school buildings.

There are now 17 schools having electric installations. These are useful for installing radio sets and for imparting visual edcuation to children. Electric installation has to be provided in all the Corporation owned buildings to facilitate imparting education through the radio and cinema. A sum of Rs.5,000/- has been provided for this purpose.

(11) Conveyance for Muslim Gosha Girls - Service by Corporation carts.

The Corporation is now spending Rs.28,350 per year for the conveyance of Muslim Girls to schools and back to their

residences in the evenings. 63 carts are now supplied by Contractors. Attendance in Muslim Girls'Schools depends to a large extent on the supply of carts. So, regular supply of conveyance is of great importance to Muslim Girls' Schools. One cart has been manufactured and one bullock purchased for service. A provision of Rs.1500/- is made so that some more carts could be manufactured and bulls purchased to ensure better service.

(12) Apparatus for new Playgrounds: In pursuance of instructions given in Government Memorandum (Education) No.23189C.3 dated 17-7-45, suitable sites for new playgrounds have been selected. In cases of Government lands, Government have been requested to alienate them to the Corporation, for being used as playfields. A sum of Rs.10,000/- has been provided for the installation of apparatus and other incidental expenditure on levelling and preparing the ground in the playgrounds to be opened in the Royapuram and Seven Wells localities in Conran Smith Maidan and in the new playgrounds that are proposed to be formed and for improvements and ~~for improvements~~ to the existing playgrounds.

(13) Revision of scale of pay of Playground Instructors.

The present scale of pay of Playground Instructors is Rs.35-2-45. It is proposed to revise their scale of pay to Rs.40-5/2-60 as in the case of Playground Instructors whose scale of pay is met from the General Funds. There will be no immediate extra cost in the next year.

(14) Secondary Grade Additional Assistants:

To meet the increased strength in Corporation schools for teaching English in Higher standards, provision of Rs. Rs.8,160 for 20 posts of Secondary Grade teachers is made on the usual scale of pay of Secondary Grade Teachers.

(15) Relieving Assistants:

In schools having an average attendance of 400 pupils and more, instruction suffers during the absence of teachers

on casual leave. The clerical work of the school has to be done by the Headmaster in addition to his supervision and class work. Five more relieving assistants for 5 schools having an attendance of 400 and above are felt necessary and provision has been made accordingly.

(16) Typist for Educational Department and purchase of a Typewriting machine.

Two clerks have been recently appointed for compulsory Education work and one to cope with the general increase in the work of the Education Department. Typing work of the department has increased considerably owing to the opening of more schools, the intensive drive of compulsion and the schemes relating to acquisition of sites for school buildings, playgrounds and construction of school buildings etc. There is only one Shorthand Typist for the department to attend to the typing work connected with all the items of work referred to above and he is overworked not only by staying late hours but also by working on holidays. It is nearly two decades since a Typist for the Department has been sanctioned by Government. Provision for one more Typist is, therefore, made in the usual scale of pay of Rs.35-2-75 plus Dearness Allowance of Rs.16/-. Provision is also made for the purchase of a Typewriter.

(17) Conversion of the two posts of Reference Suppliers into the posts of Lower Division Clerks.

There are two Reference Suppliers in Education Department in the scale of pay of Rs.25-1-35. One of them is now attending to despatch work and the other for Registration of School bills and filing of papers etc. and helping the establishment clerks in the maintenance of the service books. It is proposed to convert these two posts into those of lower division clerks on a salary of Rs.30-2-70 each as they have been doing mostly clerical work.

(18) Appointment of an Overseer.

Out of 155 Corporation main schools, 63 are housed in Corporation owned buildings, 4 in Government buildings and the rest in rented buildings. The Works Department of the Corporation is not able to pay proper attention to the maintenance and repair of these buildings in addition to its other works and Education Department has to depend upon the Works Department even for minor repairs,

such as fixing bolts to doors, retiling, white washing etc., and for fixing playground apparatus etc. To attend to all these items of work and for supervising the construction of school buildings on sites already acquired by the Corporation, one Overseer in the scale of pay of Rs.80-4-120 plus Rs.4/- Cycle allowance plus Rs.18/- Dearness Allowance is proposed for sanction.

(18) Conveyance allowance to Supervisors.

Four men Supervisors have now been drawing a conveyance allowance of Rs.10/- per mensem each and two lady supervisors a car allowance of Rs.45 per mensem each. The two Lady Supervisors have been each maintaining a car in the discharge of their duties. They are not able to maintain this conveyance with the allowance now granted to them. The men Supervisors have to use the public conveyance which is not easily available in these days. Provision is made for the grant of conveyance allowance at Rs.40/- per mensem to the male supervisors and at Rs.60/- per mensem to the Lady Supervisors if they maintain a car.

(7) The receipts as per the budget passed by the Council amount to Rs.19,43,153 (Rs.18,05,200 plus Rs.1,37,953) and the expenditure to Rs.18,46,303 leaving a closing balance of Rs.96,850.

(8) Capital Account:

A sum of Rs.4 lakhs has already been applied for as a loan. As the Council has increased the provision by Rs.One lakh more, the additional provision will be included in the next loan application.

(9) In view of the heavy commitments on account of the payment of Dearness Allowance to the extent of about Rs.4 lakhs and in view of the new proposals which are considered essential, the Council requests that Government may be pleased to pay a contribution equal to the receipts under the Education Tax. I request that Government may be pleased to accord approval of the budget and of the various proposals specified above and pass

p.t.o.

early orders on the request of the Council.

Education Dept.

Dated 19th February 46.

J.P.L. SHENOY,

Commissioner.

O-B-139

Note for the Standing Committee(E) and the Council.

Subject: Elementary Education Budget - Revised Estimate for 1945-46 and Budget Estimate for 1946-47.

Revised Estimate for 1945-46:

1. (a) Opening Balance:

The Budget Estimate of the Elementary Education Fund of the Corporation of Madras for the year 1945-46 provided for an opening balance of Rs.2,70,714 as approved by Government in G.O.No.Ms.792 Edn.,dated 22nd May 1945, but the opening balance actually amounted to Rs.3,26,286 resulting in an increase of Rs.55,572 owing to the payment of an enhanced contribution of Rs.90,520 from the General Funds to the Elementary Education Fund as directed by Government in Memorandum No.43101 A - dated 22-9-44 to meet a part of the cost of payment of dearness allowance.

(b) Receipts:

The Revenue Officer anticipates that the total collection for 1945-46 towards Education Cess under arrear and current will be Rs.6,60,600 which may be adopted. The anticipated collection at the time of the preparation of the budget and approved by Government is Rs.6,07,175. The Education Tax has been calculated at 12% of the Property Tax.

(c) Government Grant:

Under Section 37 of the Madras Elementary Education Act 1920, the actual contribution received from the Government during the year is Rs.454,537 as against an estimated amount of Rs.3,80,000. Including the opening balance of Rs.3,26,286 the total amount available for expenditure as per revised estimate is Rs.18,07,923.

2. Expenditure:

The expenditure as per Revised Estimate for 1945-46 will be Rs.16,69,970 as against the budget figure of Rs.15,73,710.

(a) The excess expenditure of Rs.96,260 is due to the payment of dearness allowance at a higher rate viz., at Rs.16 per mensem to employees drawing a pay below Rs.40/-p.m.and at Rs.18/-p.m.or 17½ % of emoluments whichever is greater to employees drawing a pay from Rs.40/- upto Rs.200/- per mensem, and to the payment of war allowance to Officers and to the payment of enhanced dearness allowance to the Conductors and Conductresses at the rate of Rs.16/- p.m. as against Rs.5/- and to the payment of increased rate for the supply of carts to the Corporation Muslim Girls schools.

(b) Expenditure under the heads - House rent, Equipment and furniture and Library books and Maps is reduced by Rs.6,000/-, 10,000/- and 2,000/- respectively.

(c) Pensions and gratuities:

An extra sum of Rs.3,000/- is provided to meet the payment of pensions and gratuities.

3. Thus, the Revised Estimate of Receipts including the opening balance plus receipts and the charges for 1945-46 amount to ~~Rs.18~~ Rs.18,07,923 and Rs.16,69,970 leaving a closing balance of Rs.1,37,953.

4. Capital Account:

Under loan funds the opening balance as per Revised Estimate is Rs.61,632 and a loan of Rs.50,000 has been received in the current year from the Government for the acquisition of sites and construction of school buildings,making up a total of Rs.1,11,632. Consequent on the enhanced payment of compensation in respect of acquisition of

R.S.No.555 of Tondiarpet and the construction of a school building in Sivarajapuram slums which is being taken up and the construction of 15 sheds proposed to be put up in slums for opening branch schools, a sum of Rs.91,632 is expected to be spent, leaving a closing balance of Rs.20,000.

BUDGET ESTIMATE FOR 1946-47

Receipts:

5. In the draft budget for 1946-47 submitted herewith credit is taken for ordinary receipts as detailed below:-

	Rs.
Education Tax at 12 %	6,50,000
Government Contribution under Section 37 of the E.E.Act.	4,40,400
Subsidy for Elementary schools opened after 1-4-21	31,380
Contribution from General Funds. (Annual Rs.3,00,000 + Rs.20,000 for Contingencies)	3,20,000
Fines and other receipts.	3,200
Other items of receipts including advances recoverable.	10,020
	Rs. 14,55,000

Expenditure:

Provision for existing establishment and for schools already sanctioned.

6. The draft budget provides for the existing staff, equipment etc for all the existing schools and also for the schools already sanctioned at the places noted below:-

(1) Old Slaughter House Road, 3rd Division
(2) Sivarajapuram, 17th Division
(3) Konnur Road, 21st Division
(4) Telugu Mixed school for Thyagaraya Nagar, 38th Dn.

The construction of school buildings in Old Slaughter House Road and Sivarajapuram slums will be completed and the opening of a school in Konnur Road has been delayed for want of a suitable building. But provision is being made in 46-47 for running this school. The Telugu Mixed school at Thyagaraya Nagar will be opened in the next year when the strength in the Telugu section of C.B.S.Thyagaraya Nagar is expected to increase.

EXPENDITURE UNDER CERTAIN BUDGET HEADS.

7. Provision under other heads of expenditure has been made adopting almost the budget figures for 1945-46. The allotments under 'House Rent' and 'Furniture and apparatus' have been reduced. The provision under "Pension and Gratuities" has been increased to Rs.5,000 to meet the requirement.

NORMAL RECEIPTS AND NORMAL EXPENDITURE:

8. The normal receipts and expenditure excluding payment of dearness allowance are estimated to amount to Rs.14,55,000 and Rs.13,06,280 respectively leaving a balance of Rs.1,48,720.

Opening Branch schools in slums.

9. The City is growing in population. For reasons such as lack of accommodation or of adequate finance or failure to enforce the cumbrous procedure relating to Compulsory Education, no effective action other than that of opening from time to time a few elementary schools in school-less areas, as and when funds permitted, has been taken so far. While something has been achieved in the past by the Corporation in the

matter of spreading and enforcing elementary education in the City, much remains to be done before illiteracy could be wiped out. The present policy of tackling the problem of illiteracy among the masses gradually and by purely voluntary methods must be changed and measures for an intensive drive to rope in all children of school age under instruction within a limited period should be adopted. To remove illiteracy among the masses, education must be taken to almost to the very doors of the poor. With regard to this important matter proposals have been made for opening 15 Branch schools in slums in the current year and the subject is now before the Standing Committee(Education). There are nearly 290 slums in the City and 30 more branch schools may have to be opened in 30 slums in the next year. The cost of construction of sheds will have to be met from the loan funds so as to give immediate effect to the proposals. As a matter of fact sheds in selected slums will be put up and 15 branch schools started in the current year itself. So, provision for expansion of elementary education in the manner proposed above, has been made in the budget for the next year.

SHIFT SYSTEM.

10. We have already begun enforcing compulsion vigorously in the City and a large number of children of school-age are seeking admission. But one serious handicap with which we are faced is the inadequacy of accommodation in many of the Corporation schools. In order to overcome this difficulty, the shift system by which two batches of pupils can be taught daily with the same accommodation and equipment has been adopted in 5 Corporation schools and it will be extended to schools where the difficulty of accommodation is largely experienced. A sum of Rs.900 is provided towards payment of an allowance of Rs.3/-p.m.for the Senior Assistant for being in charge of the school during one shift and Rs.2/-p.m.to the school peon for staying longer hours.

CERTAIN OTHER NEW PROPOSALS.

11. The other new proposals which are needed for improving the efficiency of instruction in Corporation schools and for providing facilities for play are referred to in statement Nos.II to V attached which give the cost of the proposals. Statement No.VI give the summary of the cost of the new proposals. A sum of Rs.2,02,919 has to be met from the Elementary Education Fund and Rs.60,000 from the loan funds.

12. Payment of Dearness Allowance: The payment of Dearness allowance to the staff of the Education Department for the year 1946-47 at the existing rates involves a large commitment amounting to Rs.3,98,152 and this additional expenditure has to be met for the full year.

13. The anticipated total receipts for the year 1946-47 are estimated at Rs.15,92,953 including the opening balance of Rs.1,37,953. The normal expenditure is estimated at Rs.13,06,280 and to this has to be added a sum of Rs.3,98,152 for the payment of Dearness Allowance to the Education staff at the existing rates for the full year 1946-47. The total expenditure will thus be Rs.17,04,432 leaving a minus balance of Rs.1,11,479. The cost of the new proposals to be met from the Elementary Education Fund is estimated at Rs.2,02,919. In all, the deficit will amount to Rs.3,14,398.

14. The Corporation introduced free compulsory elementary education in the City two decades ago. As already stated while something has been achieved by the Corporation for the spread of elementary education in the City, it must still be said that much more remains to be done in the direction of wiping out illiteracy. Measures for an intensive drive of compulsion are now being adopted. As a result every child of elementary school going age will shortly be brought under instruction but this

means large extra expenditure. The expenditure on Elementary Education is therefore bound to rise from year to year. The Corporation needs and will need additional resources to keep pace with the increasing demand for more schools in school-less areas particularly in slums. The payment of dearness allowance to the staff of the Educational Department alone will amount to Rs.398152 in the next year. Although the expenditure is considered temporary and extraordinary in the sense that it absorbs more than 25% of the ordinary revenues of the Elementary Education Fund, it has to be met. As the General Funds of the Corporation have to meet the payment of enhanced dearness allowance to the staff paid from that fund, it is not possible to contribute from that fund anything more than the substantial contribution of Rs.3,20,000 to the Elementary Education Fund. The Education Tax at 12 % is expected to yield Rs.6,50,000 in the next year. An additional tax of 6 % will bring in Rs.3,25,000 more. I,therefore recommend the raising of the Educational tax from 12 to 18 % in the next year so that the Education budget may be balanced. Under the Elementary Education Act, this tax can be levied at such percentages as may be considered suitable.

15. Capital Account.

A loan of Rs.4/- lakhs has been applied for from Government for the construction of school buildings and Rs.50,000 for opening new playgrounds. If these two amounts are realised, they may be utilised for the purposes referred to in statement No.I.C and the balance left over for the construction of school buildings and for providing playgrounds. This course has to be suggested as the need for opening schools in slum areas is considered as of vital importance to be adopted for liquidating juvenile illiteracy in the City.

The subject was considered by S.C.(E) on 5-1-46, 7-1-46, 17-1-46 and 22-1-1946.

The following are the final recommendations of the Committee.

Receipts.

5. In the draft budget for 1946-47 submitted herewith credit is taken for ordinary receipts as detailed below:-

	Recommendation of the Commr. Rs.	Recommendation of the S.C.(E) Rs.
Education Tax at 13%	6,50,000	6,50,000
Government Contribution under Section 57 of the E.E.Act.	4,40,400	4,50,400
Subsidy for Elementary schools opened after 1-4-31.	31,380	31,380
Contribution from General Funds, (Annual Rs.3,00,000 plus Rs.30,000 for Contingencies.)	3,30,000	4,50,000
Fines and other receipts.	5,300	5,300
Other items of receipts including advances recoverable.	10,020	10,020
	14,55,000	15,95,000

Expenditure.

"Items 31 & 33. This Committee is not in favour of revision of scales of pay in view of the Commissioner's note dated 31-1-46 withdrawing his proposals in respect of item 33 and the suggested withdrawal of similar proposals in respect of item 31. The Committee also feels that in view of the depleted finances of the Corporation any revision in the scales of pay is inadvisable.

A motor cycle allowance of Rs.40/- is recommended for the male Supervisors and Rs.60/- being conveyance allowance for the Lady Supervisors provided they maintain a motor car to ensure a higher degree of efficiency."

"Item 33. Dropped for reasons mentioned in respect of items 31 and 33."

"Item 34. Approved"

"Statement No.VI. Statement No.1-B for opening of 30 schools in Slums.- Reduce by fifteen".

"Statement No.1-C-Cost of construction of 30 sheds - Reduce by fiftee

"Statement No.II-Compulsion staff - Approved."

"Statement No.III - Schools newly proposed to be opened. Approved.".

"Statement No.IV - Additional teachers - Approved."

"Statement No.V & VI New Proposals - (As revised by the Committee)".

"The Committee is not in favour of any further increase in the Education Tax; on the other hand it recommends to the Council to request the Govt. to contribute a sum equal to the Receipts realized by the Corporation by way of Education Tax at 13 per cent."

"The lease of all the rented buildings appended to the Elementary Education Budget and expiring on 31-3-1946 be renewed for another year from 1-4-1946".

RECOMMENDATIONS OF THE COMMITTEE ON THE STATMENT I to VI APPENDED TO THE BUDGET.

Statement No.1-B.

Item 1. Reduced from Rs3000 to Rs1000.

Enclosures: (one) No.

Sir,

Subject:— Allowance - Corporation of Madras - Increase in the cost of living due to the War - Grant of War and Dearness Allowances Retrospective effect to the existing rates from 1-7-1944.

23092

In continuation of this office letter C.A.D.C.No.A.1-390/46 dated 22-4-1946, I submit herewith an extract from the "Hindu", dated 25-4-1946 which states that the Government of Bombay have agreed to bear the entire extra expenditure involved in the grant of dearness allowance at Government rates with retrospective effect from 1st July 1944 to all primary school teachers employed by Local Authorities in Bombay Province, and request that Government may be pleased to reimburse the cost to the Corporation on the same basis.

2. The Elementary Education Budget of the Madras Corporation for 1946-47 as revised and passed by the Education Committee and the Council is expected to close with a balance of Rs.96,850 on 31-3-1947. But this is based on the assumption that Government will agree to pay an equivalent contribution under Section 37 of the Madras Elementary Education Act calculated at 12% of the Property Tax as requested by the Council instead of at 8% of the Property Tax as at present. Again the additional commitments pertaining to schools in areas since transferred to the Corporation from 1-4-1946 will further increase the expenditure in 1946-47. On 1st April 1946, the Elementary Education Account of the Saidapet Municipality closed with a deficit of Rs.8,029. There is again the expenditure on schools in District Board areas taken over by the Corporation. When the scale of salaries now applicable to the employees in these schools are brought on a par with those of the Corporation teachers, the expenditure will be much more. In all, we will have to provide nearly Rs.50,000/- for expenditure on schools newly taken over from 1st April 1946.

3. The contribution from the general revenues of the Corporation

has been increased to the maximum extent possible viz. Rs.4½ lakhs in 1946-47 and it will not be possible to contribute more from the General Funds of the Corporation.

4. For these reasons, I request that Government may be pleased to reimburse to the Corporation at least the entire extra expenditure involved in the payment of dearness allowance to the staff paid from the Elementary Education Fund with retrospective effect from 1st July 1944, in accordance with G.O.No.277 Finance, dated 29-3-1946. The amount thus involved will be Rs.73,000 only. I request early orders.

for Commissioner.

69/36

Extract from the Hindu dated 25-4-46.

DEARNESS ALLOWANCE FOR TEACHERS.

Bombay Ministry's Decision.

Bombay April 24.

Primary school teachers employed by local authorities in Bombay Province, it is announced, are to be given dearness allowance at Government rates with retrospective effect from July 1st, 1944. The Government of Bombay will bear the entire extra expenditure.

The Director of Public Instruction has been asked to call upon local authorities to pay the additional money immediately to their primary teachers. The local authorities will then be reimbursed by the Government.

The Government has also asked school boards to treat the period of the recent teachers' strike as a vacation in lieu of the ensuing summer vacation.

It will be recalled that a large number of primary teachers in the employ of the local authorities recently went on strike claiming higher rates of pay and allowances. The strike has now been called off.

Through the Mayor of Madras.

ASST. SECRETARY TO GOVERNMENT
9 - OCT 1946
EDUCATION AND PUBLIC HEALTH DEPT.

Enclosures: No.

Sir,

Subject:— Elementary Education Fund - Corporation of Madras- Payment of Dearness Allowance - Deficit - Application for free grant.

Ref: Government Memorandum No.26899-C-1/46-1-Edn., dated 23-9-46.

1. In the Memorandum cited above, Government were pleased to state that in the case of certain Municipal Councils, it was estimated that the Elementary Education Fund would close with a deficit at the end of the current year 1946-47 and that the executive authorities of Municipal Councils should report whether it would not be possible for the Municipal Councils to carry on the administration of elementary schools till February 1947 without a subsidy from Provincial Funds and if not, to work out the deficit, that might arise in the Elementary Education Fund account at the end of February 1947 with details of receipts and and expenditure for the period and to explain the need for an advance subsidy. It is not clear whether this memo applies to the Corporation of Madras.

2. The Elementary Education Fund of the Corporation of Madras is expected to close with a deficit of Rs.65,000 at the end of this year as shown below.

In G.O.No.Ms.1297 Education, dated 3-7-46, the Government approved the budget estimate for 1946-47 of the Elementary Education Fund of the Corporation subject to the remark that the credit taken for the Government contribution under Section 37 of the Elementary Education Act 1920 should be reduced from Rs.6,60,600 to Rs.4,40,400, as the Corporation is eligible only for a contribution in respect of the proceeds of education tax realised at 8 per cent of the property tax. So, the total anticipated receipts for 1946-47 will amount to Rs.17,22,953 against Rs.19,43,153 already budgetted and the normal expenditure excluding the

the new proposals will be Rs.17,04,432 leaving a balance of Rs.18,521 (Rs.17,22,953 minus Rs.17,04,432), as noted in the G.O. Thus the amount available for meeting the cost of the new proposals will be only Rs.18,521 and the Government stated that the Commissioner might give effect to such of the new schemes considered essential provided the cost of the new schemes was met from the closing balance and the approval of the Director of Public Instruction was obtained for the schemes.

3. The actual opening balance on 1-4-1946 was Rs.1,85,202 against Rs.1,37,953 anticipated and the contribution received from the Government under Section 37 of the Madras Elementary Education Act for the year 1945-46 was Rs.4,42,704. Taking into account these two changes, the receipts will amount to Rs.17,72,506 as against the normal expenditure of Rs.17,04,432, leaving a balance of Rs.68,074/-.

4. The Director of Public Instruction has been addressed separately for approval of schemes already given effect to and for the new proposals estimated to cost Rs.65,306/-, to carry on the administation of the Education Department in the cufrent year.

5. A sum of nearly Rs.65,000 was paid to the staff of the Education Department as arrears of dearness allowance for six months from 1-7-44 to 31-12-44 in accordance with the resolution of the Council dated 16-4-46 and on the orders of the Government issued in G.O.No.277 (Finance) dated 29-3-1946. This is an extraordinary item of expenditure not anticipated at the time of the preparation of the budget. Hence it is expected that there will be a deficit of Rs.65,000/- in the Elementary Education Fund in March 1947. I, therefore, request that the Government may be pleased to pay this amount to the Corporation as a free grant so as to make up the deficit.

As the bulk of the receipts come in the shape of a surcharge on property tax and as property tax is mostly realised in the closing months of the Official year, it is absolutely necessary for the Corporation to obtain an advance subsidy from Government before the end of October 1946.

Budget Estimate - 1946-47 - Elementary Edn. Fund - Corporation of Madras

The DPI has forwarded with his remarks the revised estimate for 1945-46 and the budget estimate for 1946-47 of the Elementary Edn. Fund under the control of the Corporation of Madras. The estimates are examined below.

2. Revised Estimate - 1945-46

(1) Receipts. (a) Edn. tax. It is stated that the increase in income is due to collections of arrears.

(b) Govt. contribution in respect of edn. tax. The credit taken under this head represents the subsidy actually paid to the Corporation this year.

(c) contribution from the general funds. Besides the usual contribution of Rs 3.20 lakhs the Corporation was asked to assist this year the E.E. Fund from the general funds

(i) a sum of Rs 90,520 towards the arrear contribution due for 1945-46

and (ii) an additional contribution to meet the extra cost on the grant of dearness allowance to teachers on increased rates from 1.1.46.

(i) alone No provision for this contribution has been made in the RE. From the actual of 1945-46 it is observed that the sum of Rs 90,520 has not been credited in 1945-46 itself. No action seems called for & the matter may be kept to audit.

(ii) alone The Corporation has been asked to make an additional contribution towards the deficit that may arise this year. The RE does not show a balance of over a lakh of rupees. In the circumstances no

no extra contribution need be insisted on.

(2) Charges Provision has been made for the grant of dearness allowance to teachers as for rates. The other items do not call for remarks.

3. Budget Estimate - 1946-47

(1) Receipts (a) Fees contribution and in respect of edl. fees

a contribution equivalent to the proceeds of edl. fees while the Corporation is eligible only for a contribution equivalent to (to) a fraction of proceeds. No exception cannot be made in the Corporation. The credit may be reduced to Rs 4.50 lakhs.

(b) contribution from the general funds LA may be consulted as to whether the increased contribution (Rs 4.50 lakhs) can be taken credit for.

(2) Expenditure (c) Receipts - Capital

The loan applied for from Govt funds is only Rs 4.50 lakhs. The application has been considered as a part II scheme. The credit may be reduced from Rs four lakhs to Rs 4.5 lakhs.

(2) Expenditure The budget provides for the normal expenditure under the several heads. The total working expenditure works out Rs 17.04 lakhs. In additional addition to this the Corporation has proposed new items of expenditure amounting to Rs 1.42 lakhs. details in respect of the new schemes are given on pages 41-43 of of the expenditure of Rs 1.40 lakhs a sum of Rs 1.09 is recurring & the balance Rs 31,000 non-recurring. If provision for the new schemes is included in the budget the closing balance will be reduced from Rs 2.39 lakhs to Rs 96850. The direct recurring maing of the new schemes for adoption. He does not however agree to a few. His views may generally be concurred in & orders passed on the proposal along with those on the budget.

4. If

4. If the credit taken for the excess contribution of Rs 2.10 lakhs in respect of edl. fees & deleted the closing balance of Rs 96850 will be converted into a deficit of Rs 1.11 lakhs. The question for consideration is whether this deficit should be avoided. Unless an additional contribution is forthcoming it appears from the general funds a subsidy for (the deficit towards the deficit. (no expenditure on dearness) is Rs 3.00 lakhs)

5. The file may be sent to the LA + finance depts for remarks.

b.

Please see notes of the F.D. at Pt 1-3 above. With reference to x on Pt 2 ante, it is submitted that the R.E. for 1945-46 & B.E. for 1946-47 of the Corpn (General Funds) Gen. funds of the Corpn have not yet been received. The B.E. (Gen. Funds) for 1946-46 ~~was~~ is expected to close with a deficit of Rs 5.85 lakhs. ~~which will be converted into a deficit of Rs 7 lakhs if the provision for new roads at~~ ~~estimated costing Rs 1.22 lakhs, is deleted as unspent.~~ Govt have recently given a grant of Rs 2.5 lakhs for repairs to roads damaged by military traffic and also arrears of dr compensation. The C.G. has reported in another connection that even after taking these amounts into account the R.E. is expected to close with a deficit of Rs 56,000. The C.E.M.'s also request for (a ways & means) advance of Rs 5 lakhs is separately under consideration. In these circumstances and in the absence of the R.E. for 1945-46 & B.E. for 1946-47 of the General Funds it is not possible to offer remarks with reference to

7693

LA Dept 15 MAR 1946 SECRETARIAT, MADRAS

According to rept in file Page B. for 1946-47 proper to close with deficit of Rs 0.9 lakhs after

21.3.46

x on p2 ante

2. There is also another matter to be considered. The areas comprised in the Saidapet only Senthem and Purasaiwakkam 15 and 15 other villages (either whole or in part) have been included within the city from 1-4-46, and the Corpn. will take over the Conservancy & Allied Institutions in those areas from that date. It is therefore likely that the B.E. for E.E. Fund submitted by the Corpn will require revision. 21.3.46

3. The file may be passed on to Fin. Dept.

Fin

Dy no. 3893. I-B 22.3.46

Fin (Exp. B)

Please see the notes on Pt I-B above relating to the L.E. Fund budget of the Corporation of Madras. Pending receipt and consideration of the budget of the general fund account of the Corporation, L.A. dept. are unable to offer their remarks as to the amount of contribution which can be made from the general funds to the Ely. Edn. Fund. E.P.H. have observed that a subsidy will have to be paid from Govt. funds to cover the deficit if it is not met by contribution from general funds.

2. In Memo: No. 25476 A-4 Edn. dt 1-9-45, the Corpn. was informed that the deficit in the E.E. Fund account caused by the payment of dearness & war allowances at enhanced rates should be met by the payment of an additional contribution from the general funds to the E.E. Fund either in 1944-5 or (by the Govt.) No subsidy was given to the Corporation in the current

M. 69-Mac. fogs. 792 Edn. dt 22-5-45 (U).

current year towards payment of dearness allowance debitable to the E.E. account or the general account. The Corporation should be able to meet the expenditure on payment of dearness & war allowances in 1946-7 also from its own increasing taxation or by postponing new items of expenditure - see Para 2 above. If necessary, the subsidy needed may be promised by the Govt. towards payment of dearness allowance next year (by sanctioning a subsidy). The question is not, at any rate, ripe for consideration at present as the budget estimate of the general account for 1546-7 has not yet been received & examined by L.A. Dept.

LOCAL ADMINISTRATION DEPT. 3 MAY 1946 SECRETARIAT, MADRAS

ab 1.5.46 / 2/5/46 LA / LA

(Previous note of this dept on Pt. 3-4 ante.)

The B.E. of the Corpn (final figures) for 1946-47 has been since received & is being examined. A contribution of Rs. 4.5 lakhs from Genl. funds to E.E. fund is provided in it. The budget as framed opens with a balance of Rs. 2.9 lakhs & closes with a deficit of Rs. 16.46 lakhs. The Commr. however expects that the actual opening balance might be something like Rs. 4.40 lakhs (exact figure will be known only by 15th July) & that the actual deficit in the closing balance may be only about Rs. 7.96 lakhs.

the State however that if Govt. is ready for payment of arrears of War dearness allowance & for certain other liabilities the deficit may go up to Rs. 13.55 lakhs thus requiring that at least a fair portion of this amount may be given by Govt. as a free grant.

The B.E (Ext. funds) is now Examn. in the Secrt. Dept, as already stated, will be sent to Govt in due course.

With the above remarks, this file may be returned to Govt.

Under Secy. [illegible] BE (Genl Funds) may also be examined, along with the BE (Genl funds).

Sr. 11/5/46

Resubmitted. ~~Under the Budget has since been examined. After~~ making provision for a capital expenditure of Rs. 11.27 lakhs from the Revenue Head, the Revenue Head is expected to close with a deficit of Rs. 16.97 lakhs. Of the capital expenditure is omitted the deficit will be Rs. 5.70. In all probability a grant will have to be given to the Corporation towards payments of D.A. to W.A. to its staff. This question will be examined when the actual opening balance for 1946-47 is known.

1.5.46 / 7.6.46. The C.C.M has promised to submit a supplemental budget in respect of the areas newly added to the city. The correct financial position of the general account of the Corporation will be known after the supplemental budget is received & examined. Also the correct actual opening balance under general a/c for 1946-7, will be known only after the 1945-46 accounts are closed. Till then the credit taken in the budget for Rs 2 lakhs for 1946-7 for a contribution of Rs 6.50 lakhs from general a/c

It could be taken although the question of contribution from the Corporation to W.A. staff is not settled. Sr.

may be allowed to stand & the question whether the contribution can be increased, considered after the supplemental budget is examined in respect of the new areas & the actual opening balance in the general a/c for the current year are known.

With these remarks this may be returned to Secy. Hd.

ASST. SECRETARY TO GOVERNMENT
25 JUN 1946
EDUCATION AND PUBLIC HEALTH DEPT.

33915

E&PH Dept (B2)

The L.A. Dept have tentatively agreed to the retention of the Contribution of Rs 4.50 lakhs made from the general funds to the elementary education fund. ~~with~~ With this Contribution, the budget closes with a balance of Rs 238721/-0. This balance has been arrived at after taking credit of a Contribution of Rs 6,60,600/- in respect of Education tax. The Contribution payable is only in respect of the proceeds of tax realised at 8%, while the credit taken in the budget is at 12% of the proceeds. If the excess credit of Rs 2,20,200/-0 is deleted, the closing balance will be reduced to Rs 18,521/-0.

2 The Corporation has proposed an expenditure of Rs 1,41,871 on certain new schemes. The Director has approved some of the schemes costing Rs 61,863. He does not agree to the schemes costing Rs 3320/-0 and has suggested that the Corporation should obtain the sanction of the Govt. for schemes involving an expenditure of Rs 6024/-0. In the case of the remaining schemes he has not offered any remarks. As there is not sufficient money in the elementary

deduction from fund account for meeting the cost of the above schemes, the Commissioner may perhaps be informed that he may give effect to such of the schemes as can be implemented from out of the closing balances with the approval of the D.P.I. A draft order is submitted.

C.A.D.C. No. A1-390/46 dt/22-4-46.

Subj- Grant of arrears of d.a. for six months to teachers in Corp. schools.

The Corp. of Madras has resolved to sanction the arrears of d.a. at Govt. rates for six months to all the employees of the Corpn. i.e from 1-7-44 ~~to 31-12-45~~. The Commnr. has addressed for the sanction of Govt. to the debit of the expenditure on the payment of d.a. to teachers to the Edn. Fund. The extra cost on this acct. will be about Rs 50,000/-. The Edn. Fund of the Corpn will close with a deficit of Rs 1.11 lakhs at the end of 46-47. It is not known how the Corpn will meet the increased expenditure. L.A may first be consulted whether the gen. funds can make an addl. contribution to the Edn. Edn Fund towards the expenditure involved.

26/4.
2/5/46

30/4/46

11/5/46 LA

Please see the further communication from the Commissioner added to the above file. He asks for a subsidy from Govt. funds towards the grant of dearness allowance to teachers and that with retrospective effect from 1.7.44. The general question whether a subsidy should be given to local bodies towards the cost of dearness allowance is separately under consideration in L.A. If a subsidy is paid the need for the payment of an additional contribution (for the purpose) from the general funds may not arise. The file may be seen to L.A as has been intended.

Ltr B

The B.E. Hdqrs Corpn (Genl. funds) for 1946-47 is under examn in this Dept. & will be sent to Ed. Dept in due course. (L.A.O.O. dt.)

A Contribn of Rs. 4.5 lakhs has been fm Genl. funds to E.E. Fund has been provided in it. This is much higher than in previous years, viz. Rs. 3.2 lakhs. This does not apparently include, however, any contribn towards the Extra Expenditure involved in the payment of arrears of d.a. & w.a. to Elem. School teachers. The B.E. (Genl. funds) as framed by the Corpn is expected to close with a deficit of about Rs. 13.55 lakhs after taking into account the probable opening balance on 1.4.46 (actuals figure will be known only Early in July).

The Commr. has therefore requested that at least a fair portion of the above anticipated deficit might be given as a per grant.

With the above remarks, this may be sent to Ed. Dept. (The general position as at X on p. 1 above relates only to mufassal local bodies & not to the Madras Corpn.)

This may be examined with the Corpn budget.

8/6/46

Returned. The gr. Budget has since been examined. It is now proposed for the Corporation to increase its contribution to the Edn. Endt. Fund as the Revenue Accts. itself closes with a deficit. A grant will be required even for the deficit under the Revenue Accts. if the position does not improve with reference to the actual opening balance. It has been suggested in the last file that the C.C.M may be asked to come up to the Govt for grant to cover deficit under Rev Accts also.

30-10-46.

C.no 59841/B2/46 from the C.C.M. dt. 11.10.1946 to above.

The Commissioner, Corporation of Madras, reports that he has paid the arrears of dearness allowance to the E.E. staff. The orders in G.O. 1552 L.A., d/19-9-46 seem to apply only to mufassal municipal councils and not to the Corporation of Madras - c.f. the note of A.S., L.A., on page 2 ante. Besides, under Section 91 of the Madras City Municipal Act, the Corporation is competent to fix the salaries and allowances of its establishment. It is understood from L.A. that the Corporation has been paying dearness allowance to its employees at the rates sanctioned to Government employees from time to time even without a direction of Government. In this view, the sanction of Government does not seem to be necessary for the payment of the arrears of dearness allowance to the E.E. staff. Before a reply is sent to the Corporation, L.A. may see for remarks on this point.

The question of sanctioning a subsidy to cover the deficit in the E.E. fund may be considered when the question of sanctioning a subsidy to cover the deficit in general funds is taken up.

E.D.C. No.B1-349 of 194 8, Dated 8th February' 48.

Through the Mayor of Madras

9953

10 FEB 1948
EDUCATION AND PUBLIC HEALTH DEPT.

Enclosures : two No.

Sir,

Subject:— Audit - Audit Report on Elementary Education Fund for 1946-47 - Corporation of Madras - Excess expenditure - Ratification of - orders requested -

---

Ref:- (1) G.O.No.1297 Education and Public Health dated 3-7-46.
(2) G.O.No.Ms.1237 Education dated 12-6-47.
(3) Government Memorandum No.50966-B2/47 Education dated 26-6-47.

In the Government orders cited, Government were pleased to accord their approval for the Elementary Education Fund Budget of the Corporation for 1946-47 as passed by the Council on 14-2-1946 and 28-1-47 and shown in columns 1, 2, 3 and 4 of the accompanying statement. The actual expenditure under a few debit heads exceeded the budget allotment as follows:-

Debit Head.	Allotment Column IV	Expenditure.
	Rs.	Rs. A. P.
(1) Staff - Salaries and Allowances.		
(a) Masters.	12,00,700	13,25,473 3 5
(b) Clerks and Servants.	1,02,770	1,04,722 0 0
(5) Pensions and Gratuities.	35,000	38,199 6 10
(7) Other items.	1,45,656	1,46,480 4 0

In view of the inevitable expenditure involved in the payment of interim relief from 1-8-46 and arrears of Dearness Allowance for six months from 1-7-44 to 31-12-44 as stated in Government Memorandum No.22212-B2-6/46 Education dated 16-12-46 to the staff borne on the Elementary Education Fund, expenditure in excess of the allotment became inevitable as this was not anticipated at the time of the preparation of the budget in October 1945. Similarly excess expenditure under 'Pensions and Gratuities' was also incurred owing to the temporary increase in pensions sanctioned by Government in the G.O.Ms.2521 (Local Administration Department) dated 22-11-45 and Ms.915 (Local Administration Department) dated 16-5-46.

Consequent

Consequent on the increased contract rate for 1946-47 for the supply of bullock carts for conveying Muslim girls to schools, the expenditure under 'Other items' exceeded the budget provision by Rs.824-4-0.

In the circumstances explained above, I request that the expenditure incurred by the Corporation may be ratified as required in the G.O.No.139 Education dated 29-1-42. An extract of the relevant paragraph of the Audit Report is enclosed.

Expenduture was incurred in excess of the provision made in the budget extimate as approved in G.O.No.1297 Edn. & P.H. dated 3rd July 1946, under the following heads of accounts:-

Head of Account.	Actuals.	Budget Provisio
1. Staff: Salaries and	13,25,473 3 5	11,65,000 0
allowances: Masters, clerks and Servants	1,04,722 0 0	1,02,440 0
Contributions to provident Fund, Rs	727 0 0	...
Pension & Gratuities.	38,199 6 10	35,000 0 0
2. Contingencies		
House rent	88,465 11 0	87,000 0 0
Other items.	1,46,480 4 0	1,41,512 0 0

The expenditure under the following main heads of account exce the provision made in the budget as shown below:-

Head of Account.	Actuals.	Budget Provision.
1. Staff - Salaries and allowances	14,94,121 10 3	13,27,440 0 0
2. Contingencies and equipment.	2,34,945 15 0	2,28,512 0 0

The total expenditure under 'Ordinary' was Rs.18,53,584-2-3 against the total provision of Rs.17,04,432/- made in the Budget estim The sanction of the Council was not pointed out for the excess expen diture and the reappropriations indicating the source from which it was to be met. This may now be done and the requisite sanction of Government required for the excess expenditure under rule II (5) of G.O.No.139, EDN. & P.H. dated 29th January 1942 also obtained.

Edn to H. Deptt 53

Memo No. 9953-B2/48-2 Edn dt 5/4/48

Subj: Elementary Education fund - Corporation of Madras. Excess expenditure over budget allotment in 1946-47. Ratification of.

Ref: From the Commissioner of Madras EDC No. B1-349 of 1948 dt 8.2.48 & 20.3.48

The Government ratify the action of the Corporation of Madras in having incurred during 1946-47 from the Elementary Education fund under their control expenditure in excess of the allotment provided for in the budget for that year sanctioned in G.O. No. 1297 Edn dt 3.7.47.
