Public (C.L.) report

This department is concerned
with the "Quarterly list of gazetted
officers corrected up to 1-7-1944,
1-4-1944 and 1-4-1945." The above
publication was previously
classified as "for official use only."
and not available for sale

to the public - see G.O. no. 1649
Pub (C.L.) Confid. dated 21-5-1942.
The above restriction has since
been removed - see G.O. no. 2592

Public (C.L.) dated 29-10-1945.
As the publications in question relate
to the period when the bird lists
were classified as "for official use
only", the superseded copies
should not be sold to the public
as waste paper. That may be
specifically stated in the draft.

The draft order may be accepted subject to the remark that the S.G.P. should not have included the books mentioned at E on pages 3 and 5 C.F. in the list of superseded publications as all of them have not in fact been superseded and are still in current use. This may be pointed out to the S.G.P. who may be asked to remove the books from the list of superseded publications.
