No. 20/46-1 dated 25-4-1946.

Sub: Madras Educational Service - A.H. College of
Technology, Coimbatore - Creation of temporary
posts of Professors - Draft ad-hoc rules - submitting

With reference to paragraph 2 of G.O. No. Ms. 649 Edn,
dated the 25th March 1946, I have the honour to submit for
the approval of Government draft ad-hoc rules in respect of
the following temporary posts in the Arthur Hope College of
Technology, Coimbatore:-
1. Professor of Mechanical Engineering.
2. Professor of Civil Engineering.
3. Professor of Electrical Engineering.
As there are corresponding posts in the college of Engineering,
Guindy, I submit that the rules applicable to those posts may
be made applicable to the newly created temporary posts,
mutatis mutandis.

Draft ad-hoc rules.

The general and special Rules applicable to holders
of the permanent posts borne in the cadre of Professors in
the College of Engineering, Guindy (i.e., category 2 of Class
V

: 2 :

V of the Madras Educational Service) shall mutatis mutandis apply to holders of the temporary posts of Professors of Mechanical, Civil and Electrical Engineering, A.H. College of Technology, Coimbatore.

2. As regards the temporary posts of Professors of Automobile Engineering and Textile Technology, I shall submit draft ad-hoc rules shortly, in consultation with the Principal, A.H. College of Technology.

M.E.S. - Posts in the A.H. College of Tech., Coimbatore - Ad hoc rules.

Ref:- From the Dy. D.P.I. CL. No. 20/46-1, dt 25.4.46.

It is desirable that ad hoc rules for all posts in the M.E.S. sanctioned for the A.H. College of Technology, Coimbatore, together, are issued in a single order; so also in respect of posts in the M.E.S.S. This will avoid more than one refce. on the same subject to the M.P.S.C. and the Depts. of the Secy. Concerned. The Dir. is therefore, requested to expedite the draft ad hoc rules for all the M.E.S. posts in the college in advance of the rules for the M.E.S.S.

This may kindly be treated as

especially urgent by appointment can be ordered

Sir,

With reference to paragraph 2 of the Government Order cited above I have the honour to submit below a draft of the ad hoc rules to be framed for the post of Principal, Arthur Hope College of Technology, Coimbatore.

Draft ad hoc rules.

"The General and Special Rules applicable to the holder of the permanent post of Principal, College of Engineering, Guindy, borne in category 1 of Class V of the Madras Educational Service shall apply to the holder of the temporary post of Principal, Arthur Hope College of Technology, Coimbatore, except that the holder of the latter post shall draw pay in the scale of Rs. 1000-50/2-1200".

2. I may submit that the rate of increment, viz. Rs. 50/- biennial, in the scale of pay sanctioned for the post of Principal, Arthur Hope College, Coimbatore, is less than the rate of increment allowed to the posts of Professors in the scale of Rs. 600.75/2-900. As pointed out in my letter R.C.No.1179-C/46 dated 25.4.1946 recommending the revision of the scale of pay of the post of Principal

College of Engineering, Guindy, the rate of increment for the post of Principal, A.H. College of Technology, seems to be too low and requires revision so that it may not be less than the rate of increment sanctioned for posts on lower scales of pay. I have, therefore, the honour to recommend that the scale of pay sanctioned for the post in G.O. Ms. No. 709-Education dated 2.4.1946 may be revised as

Rs. 100-75/2-1150-100/2-1250.

3. As a result of the sanction of the scale of pay of Rs. 1,000-1,200/- ~~Dr.~~ J.J. Rudra, M.B.E., cannot continue as Principal, Arthur Hope College of Technology, Coimbatore, as he is already drawing pay in the scale of Rs. 1250-50/2-1500 in his substantive post. I may submit that Dr. Rudra's continuance at Coimbatore is essential for some more time. The Government have already sanctioned the continuance of Dr. Rudra at Coimbatore till the 30th June 1946- Vide G.O. No. Ms. 1650-Education dated 18.10.1945. I now request that the Government may be pleased to sanction the continuance of Dr. Rudra as Principal, Arthur Hope College of Technology, Coimbatore, on his own scale of pay, till such time as a substitute is appointed to the post.

4. I shall submit separately proposals for filling up the post of Principal, Arthur Hope College of Technology, Coimbatore.

SUBJECT:- Madras Educational Service - Arthur Hope
College of Technology, Coimbatore - Temporary
posts of Professors of Automotive Engineering
and Textile Technology - Draft ad hoc
rules - Submitting.

Ref:- Government Memo. No. 22562-A.1. Edn., dated 29-4-46.

In continuation of my letter Cl. No. 20/46-1, dated
25-4-1946 I have the honour to submit herewith drafted ad hoc
rules for the temporary posts of Professors of Automotive
Engineering and Textile Technology. I understand that the
University of Madras will be shortly issuing regulations in
regard to courses in Automotive Engineering and Textile
Technology and in that connection the question of prescribing
qualifications for Professorships in these subjects is also
under consideration. As the qualifications to be prescribed,

P.T.O.

by Government should generally be in conformity with those that may be laid down by the University I submit that the qualifications suggested in the draft ad hoc rules are subject to modification or confirmation, as the case may be, after the University Regulations are issued. In regard to the question of appointment to the above two posts Dr. J.J. Rudra, Principal, Arthur Hope College of Technology, Coimbatore states that it is not of urgency in view of the gloomy prospects of obtaining textile machinery and the delay in obtaining equipment from the I.E.M.E TRAINING Centres. I have, therefore, the honour to request that recruitment to the two posts may be deferred for the present.

(1) Professor of Automotive Engineering:

The general and Special Rules applicable to holders of the permanent posts borne in the cadre of Professors in the College of Engineering, Guindy (i.e., category 2 of class V of the M.E.S.) shall apply to the holder of the temporary post of Professor of Automotive Engineering, Arthur Hope College of Technology, Coimbatore, subject to the following modification in regard to qualifications:

Candidates for appointment to the post of Professor of Automotive Engineering must possess the following qualifications:--

- (i) An honours degree in Mechanical Engineering of any of the Universities of Aberdeen, Birmingham, Bristol, Cambridge, Dublin, Durham, Edinburgh, Glasgow, Leeds, Liverpool, London, Manchester, Oxford, Sheffield and St. Andrews.

or
B.E. degree of the University of Madras in Mechanical Engineering and diploma in Mechanical Engineering of the College of Engineering, Guindy with honours.

- (ii) Practical training and experience in Automotive Engineering for not less than 5 years; and

- (iii) Capacity to teach Automotive Engineering up to the standard prescribed for the Degree of Bachelor of Engineering of the University of Madras.

Preference will be given to candidates who possess in addition, teaching experience for a period of not less than 3 years.

(2) Professor of Textile Technology:

The general and Special Rules applicable to holders of the permanent posts borne in the cadre of Professors in the College of Engineering, Guindy (i.e., category 2 of Class V of the Madras Educational Service) shall apply to the holder of the temporary post of Professor of Textile Technology, Arthur Hope College of Technology, Coimbatore, subject to the following modification in regard to qualifications for appointment to the post:

Candidates must possess the following qualifications:

- (i) A degree of B.Sc. Technical (Higher Course) in Textile Industries of the *Manchester University.

- (ii) Practical training and experience in Textile Technology for not less than 5 years; and

- (iii) Capacity to teach Textile Technology up to the standard prescribed for the degree of Bachelor of Engineering of the University of Madras.

Preference shall be given to candidates who possess in addition, teaching experience for a period of not less than three years.

M. S. 46
for Director of Public Instruction.

*Note for the information of Government.

It is reported by Dr. Rudra that Manchester University is the only University in the United Kingdom that awards a

12
-2-
degree in Textile Technology. The University has two courses. One is B.Sc. Technical (Ordinary), which is of 3 years' duration and the other is B.Sc. Technical (Higher) which is of 4 years' duration and is equivalent to an honours degree. No University in India has so far awarded a degree in Textile Technology.

APPENDIX.
NOTIFICATION.

In exercise of the powers conferred by paragraph (b) of sub-section (1) and paragraph (b) of sub-section (2) of section 241 of the G. of I. Act, 1935, H.E. the Governor of Madras hereby makes the following rule:-

Rule.

The general and special rules applicable to holders of the permanent posts of Principal and Professors in the College of Engineering, Guindy, in categories 1 and 2 of Class V under "A--Men's Branch" of the Madras Educational Service shall apply to holders of the temporary posts of Principal and Professors of Mechanical Engg., Civil Engg. and Elec. Engg., Arthur Hope College of Technology, Coimbatore; and College of Engineering, Vizagapatam, temporarily located at Cocanada, subject to the modification that there shall be paid to holders of the temporary posts of Principals, Arthur Hope College of Technology, Coimbatore, and the College of Engineering, Vizagapatam, temporarily located at Cocanada, a pay calculated in the scale of Rs. 1,000-50/2-1,000 per annum.

Note: A temporary post of Principal and five posts of Professors of Engg. have been sanctioned for the A.H. College of Technology, Coimbatore. For the post of Principal and 3 posts of Professors (Mechanical, Civil and Elec. Engg.) the D.P.I. has submitted draft ad hoc

rules. He has also submitted separately proposals for filling these 3 latter posts. Orders on those proposals can be issued only after ad hoc rules for the posts are framed. It is therefore necessary to issue the rules as quickly as possible. The draft rules for the remaining 2 posts of Professors ^{are still} awaited from the D.P.I. The draft order above may be sent to Legal for scrutiny before the M.P.S.C. is addressed.

2. The suggestion in para 2 of the D.P.I.'s letter at c.f. 5-6 to raise the rates of increment of the post of Principal will have to be examined further only if a favourable decision is arrived at in the matter of revising the rates of increment ^{in the scale of pay} of the post of Guindy College Principal which is under separate consideration.

3. Action on para 3 c.f. 6 may be taken after the Director's reply to the Memorandum at C.F. 3 of L.F. is received.

May be sent to Legal u.o. with reference

Legal Department

Ad hoc rules for temporary posts are necessary only in cases where the relevant general and special rules have to be modified in their application to the holders of the temporary posts. As no modification to the rules has been proposed in the draft, the rule proposed in it is not necessary. It would be sufficient if an executive order is issued that the posts specified in the draft should be treated as temporary additions to the cadre of the corresponding permanent posts. Public (Services) may also see

W.r.t. Legal's note on p.2 ante, it may be stated that posts in class V of the M.E.S. have distinctly been shown under the heading "(College of Engg., Guindy)". and in view of this it seems that the Special rules and the General rules cannot be made applicable without the issue of ad hoc rules for the posts in the /A.H. College of Tech. Public (Ser.) may see for remarks, as suggested by Legal.

Public (Services) Department.

The letter of the D.P.I. on pages 1-2 C.F., the draft order, E. & P.H. and Legal notes on pages 1-3 above may be perused.

Ad hoc rules seem necessary in this case as the scales of pay admissible to the posts of the Principal, College of Engineering, Guindy (permanent) and the Principal, Arthur Hope College of Technology, Coimbatore (temporary) are different. As pay is also one of the conditions of service, any deviation from the sanctioned scale should be provided for by means of an ad hoc rule. E. & P.H. may therefore be requested to specify the modification in the ^{scale of} pay of the temporary post of Principal, as indicated in pencil in the draft on page 1 ante. The file may be returned to E. & P.H. who may let Legal see again for scrutiny.

The D.P.I. has since sent draft ad hoc rules for 2 other posts in the College - viz., posts of Profs. of Automotive Engg. and Textile Technology. In view of these, there seems to be no need to issue ad hoc rules for these posts ^{he} ^{two} ^{deferred}, so also the appointments to his two posts. 2. File may be sent to Legal again w.r.t.
