To The Secretary to the Government of Madras,

EDUCATION AND PUBLIC HEALTH Department.

Sir,

I have the honour to request Government to sanction an expenditure of Rs. 20,000/- (Rupees Twenty thousand) only for the purchase of a Universal Testing Machine and auxiliaries for the Arthur Hope College of Technology, Coimbatore. The machine is manufactured by Messrs. Alfred J. Amsler & Co., Switzerland and will be obtained through their Agents Messrs. Valkart Bros. The price quoted for a similar machine alone, without auxiliaries by the only manufacturers of Testing machine in U.K. is Rs. 21,800/-. The Principal states that a Swiss machine of the type that he wants to purchase now exists in the Engineering College, Guindy and it works perfectly well. Hence he requests the permission of Government to purchase the Swiss machine which is more advantageous to Government. As the machine is very urgently required

required in the College I request that orders may be passed urgently sanctioning the purchase of the machine.
