The draft order on page 1 above may be accepted.
At A on page 2 above, D.S., E & P.H., suggests
that these cases need not be sent to Finance every time.

Under Business rule 12(1) no department shall
without the previous consultation with the Finance
Department, authorise any orders (other than orders
pursuant to any general delegations made by the Finance
Department) which either immediately or by their reper-
cussions will affect the finances of this Province.
With reference to the above rule, all proposals for the
exemption from payment of rent and electric charges in
the Government Museum theatre, which affect the finances
of this Province, should be seen by the Finance Department
and a copy of the order communicated to ^{the} Accountant
General through the Finance Department. As requests
for such concessions from the Military may not continue
for a long time ^{and} it does not seem that any general dele-
gation need be made to the E & P.H. Department in the
matter.

In the circumstances this Department may suggest
that such cases may continue to be sent to Finance
Department as usual.
