Sir,

B & C MILLS - SCHOLARSHIP SCHEME

We thank you for your unofficial note on the scheme and candidates' applications. In view of the disappointingly small number of qualified candidates, there now appears to be no need for a Selection Board and we have, therefore, decided against holding the meeting originally fixed for 27th June with your predecessor Sri A.V. Tyagarajan. Please treat our letter to him of 18th June as cancelled.

We regret any inconvenience which may have been caused.

If this is a matter in which remuneration is not  
paid but is a labour for love, he may be allowed to  
help the B. & C. Co. in making selections for its  
scholarship. But if it is a matter in which remunera-  
tion is paid, I should strongly advise against allowing  
any of our officers for that purpose. I see from Mr.  
Tyagarajan's letter to the Director of Public Instruc-  
tion that he is to be paid remuneration. This paying  
of remuneration by private bodies, though may look  
fair, many times seems as a method of corruption for  
public ~~efficiency~~ <sup>demands</sup> and so, I should not like to allow  
Mr. Tyagarajan to undertake the work and I would ~~suggest~~  
suggest that it should be made a matter of policy with  
the department that these things may not be normally  
allowed unless for very exceptional reasons.
