Sir,

Dated Bangalore, the 13th June 1946.
ADMISSION OF STUDENTS FROM THE CIVIL
MILITARY STATION TO THE PROFESSIONAL COLLEGES
IN THE MADRAS PRESIDENCY.

I am directed to refer to the Madras Government P.H., dated the 29th November 1941 under which three seats are now reserved in the Professional Colleges in the Madras Presidency for students from the Civil and Military Station of Bangalore.

2. It is seen from a statement issued to the Press by the Hon'ble the Minister for Education, Madras, that an additional Engineering College has already been started in Coimbatore and that it is proposed to start two more colleges, one in Guindy and another in Cocanada, while in the meantime the maximum number of candidates are to be admitted. The Hon'ble the Resident will therefore be grateful if the Government of Madras will be so good as to increase the number of seats for Bangalore proportionately. Applications from deserving students have often to be rejected owing to the comparatively small number of seats allotted to Bangalore. I am also to request that should there be any proposal to increase the number of Medical Colleges in Madras Presidency, the possibility of increasing the seats for the Civil & Military Station, may kindly be considered. I am to request the favour of a very early reply.

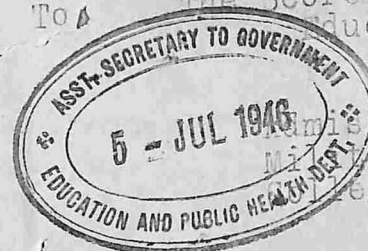

I have the honour to be,
Sir,
Your most obedient servant,

13/6
SECRETARY TO THE RESIDENT.

Under the orders in G.O.No. 5018-P.W., dated 29-11-41, 3 seats are reserved for students from the C. & M. Station, Bangalore, in the College of Engg., Guindy. The order is to be in force so long as the St. Joseph's College, B'lore, remains affiliated to the Madras Unty. Recently, it was ascertained from the Unty. that the College continues to be affiliated to it. The Hon'ble the Resident in Mysore has now requested that the no. of seats provided for students from the C. & M. Station may be proportionately increased, in view of the opening of addl. Engg. colleges at Coimbatore, Cocanada and Anantapur. In the L.F. when similar representations were considered from the Coorg Administration and the Govt. of Orissa were considered, it was conceded that the no. of reserved seats shd. be proportionately increased to the no. of seats in the addl. colleges.

2. The total no. of seats available in each of the Engg. Colleges in the Presy. is as follows:-

Engg. College, Guindy.	Engg. College, Anantapur at Guindy.	Engg. College, Coimbatore.	Engg. College, Anantapur at Coimbatore.	Engg. College at Cocanada.

increase to 174. A proportionate increase of 1 seat for the C. & M. Station may be allowed.

Coimbatore college: The no. of seats in the college is 75, plus 15 to be admitted for the Anantapur College. No seat has been reserved for students from the C. & M. Station. In view of the ^{total} ~~increase~~ strength of ⁽⁷⁵⁺¹⁵⁾ 90/2 seats may be reserved.

Cocanada College: The strength is 100. Following the proportion of reservation in the Guindy college (3 for 124), 3 seats may be reserved in this college for C. & M. Station students.

3. Thus, 5 more seats (in addn. to the 3 already existing) may be reserved - 1 against Anantapur college at Guindy, 2 at Coimbatore and 2 at Cocanada. The fees and other conditions as in para 2 of the G.O. at "6" may be imposed. Finance may seebefore circulation.

The order may take effect from 1947-48 as it is now too late to consider the increase for this year's admission.
