Sir,

Sub:-- Stationary - Reserve stock of Finger Print glass slabs and rubber rollers - Supply to the districts - Increase to 15% - Sanction requested.

Ref:-- G.O. Ms. 1806, Education & Public Health, dated 17.9.1940.

I request the Government to sanction the increase of the reserve stock of Finger Print glass slabs and rubber rollers sanctioned to each districts to 15% of the number of stations in each district which require the supply of these articles - Vide statement enclosed.

2. In their order cited the Government have sanctioned the supply of a reserve stock of three finger print glass slabs and three rubber rollers to each of the Police districts. Only after the condemnation of the Finger print slabs and rubber rollers can an indent for their replacement be sent to the Superintendent of Stationery, Madras. The replacement takes a long time and Police stations are at times liable to be without the Finger Print equipment for fairly long periods. I consider that the District Police Office stores should have a sufficient reserve stock to make an immediate supply to the stations when necessary. I request, therefore, that the increase proposed above may kindly be sanctioned.

M. (Kodum Nannu) 29.5.46

for Insp.-Genl. of Police.
