Ref: G.O.No.Ms.708 Edn., dated 1-4-1946.

The Inspection Commission of the University visited the Government Muhammadan College on 8-4-46 and has recommended (1) the appointment of a Mechanic for the Physics Department and (2) an additional assistant lecturer in English in addition to the staff sanctioned in G.O.No.708 Edn., dated 1-4-46. The commission has also recommended that an assistant lecturer in Zoology should be appointed in 1946-47 and a demonstrator may be appointed in 1947-48 as against the provision made for the appointment of a demonstrator in 1946-47 and an assistant lecturer in 1947-48. As regards the annual recurring grant towards laboratory charges, the Commission recommends that the amount should be raised from Rs.4800 to Rs.6000.

In view of the recommendations of the Commission I request that Government may be pleased to sanction the appointment of a Mechanic in the scale of Rs.38-2/2-50 for the Physics Department and an additional Assistant Lecturer in English in the scale of Rs.100--200 from 1946-47. An additional assistant lecturer in English is considered necessary for B.Sc. English. Government may also be pleased to permit me to appoint an assistant lecturer in Natural Science sanctioned in the G.O. referred to above from 1946-47 instead of from 1947-48. The demonstrator will be appointed in 1947-48. The recurring expenditure sanctioned towards laboratory charges may be raised from Rs.4800 to Rs.6000.

ASST. SECRETARY TO GOVERNMENT

Ref: Your Telephone message dated 15-5-1946.

The appointment of a Mechanic will minimise contingent expenditure on repairs of apparatus in the laboratory. Mechanics are employed in Government Arts College, Rajahmundry, Ceded Districts College, Anantapur, Presidency College, Madras, Government Victoria College, Palghat, Government College, Coimbatore, Government College, Kumbakonam, Government Brennen College, Tellicherry and Government College, Mangalore. The appointment of a Mechanic for the Muhammedan College is also necessary.

The University Commission has recommended the increase of the laboratory charges from Rs.4800 to Rs.6000 most probably due to the prevailing high cost for everything.

The Government sanction the employment for
a period of two years from the date of appointment of
an Asst. Lecturer in English on Rs.100-200 in the
Govt. Muhammadan College, Madras, in connection with
the opening of B.Sc.(Pass) course in the college. They
also approve the proposal of the D.P.I., that the
~~Demonstrator and~~ ^{and the Demonstrator for} Asst. Lecturer in Natural Science
sanctioned for the college in G.O.No.708 Edn., dated
1-4-'46, may be employed from 1946-47 and 1947-48
respectively.

12 2. The D.P.I. is informed that it is not necessary to employ a machanic in the college immediately as the laboratory has been newly opened and there will not be enough work for him. The Director may address the Govt. in due course when the need ~~xxx~~ for a mechanic actually arises.

3. The annual recurring allotment for the laboratory has been fixed recently after taking into account ~~with reference~~ to the prevailing ~~high~~ cost. This estimate will be modified if the Director can make out a case with definite facts and figures.

COLLEGE - Government Muhammadaw - Opening of B.Sc. (Pass) Course - Addl. staff - Sanction.

From the D.P.I. RC. No. 1060. A.K. 45 d/8-5-46.

The proposals of the D.P.I. in the c.f. are:

- (1) ~~an~~ appointment of a mechanic for Physics Dept. in the Govt. Muhdn. College, Madras;
- (2) ^{appointment of} an addl. Asst. Lecturer in English "
- (3) Raising of the annual recurring grant for Laboratory charges from Rs. 4,300 ~~to~~ 6000 "
- (4) Appt. of an Asst. Lecturer, Zoology in 1946-7 in Govt. Muhdn. College and a Demonstrator in 1947-48 in lieu of the provision made for a Demonstrator in 1946-47 and an Asst. Lecturer in 1947-48.

The University Commission which inspected the College has recommended the above proposals. The proposals are examined below:

(i) Appt. of a mechanic for Physics Dept.

The D.P.I. has reported that the appointment of a mechanic will minimise the contingent expenditure on repairs of apparatus in the laboratory; It cannot be expected that, with the opening of the laboratory, there will also be enough repairs to be attended to by a full time mechanic. The need for a mechanic may arise when the work in the laboratory will be in full swing, probably after a year. The colleges mentioned in para 1 on p.9 c.f. are well established ^{and} long-standing colleges; hence the need for a mechanic in the laboratory attached to ~~the~~ colleges. If the need for a mechanic is established in Muhdn. College also, the post may be sanctioned. The D.P.I. may be asked to report in the matter in due course. The Commission's recommendation is not to the ~~fact~~ ^{effect} that the mechanic should be appointed immediately.

(2) Appt. of an Addl. Lecturer:

The D.P.I. has reported that an addl. Asst. Lecturer in the scale of Rs. 100-200 may be appointed in 1946-47 for B.Sc. (Eng). The proposal may be accepted. Finance may see.
