R.C No. 2.A.K./46,

Station Madras, Dated the 15-4-1946 19

From (Name) Dr. S.R.U.Savor, M.A., D.Sc., I.E.S.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

Education and Public Health Department.

Sir,

In G.O.No.997, Edn., dated 22-7-1943 Government have laid down the procedure to be adopted in regard to the distribution of seats in the Engineering Colleges. The procedure is followed now both in the college at Guindy and in the Arthur Hope College of Technology at Coimbatore. It is likely that one or two Engineering Colleges will come into existence shortly. If the orders of Government in regard to the distribution of seats were to be followed by each college independently, Telugu students may be compelled to go to Coimbatore while Guindy is near and West Coast students will have to join in Guindy College while Coimbatore is nearer. This difficulty can easily be met by giving in the notification inviting applications full details of the courses provided in the different Engineering Colleges and requiring the applicants to mention in their applications the name of the course they

P.T.O.

propose to take and the college in which they would like to study. The applications for all the colleges may be received in the Engineering College, Guindy and classified there according to linguistic and communal basis. Selection of candidates may be made by a committee consisting of all the Principals of the Engineering Colleges.

The candidates selected may be allotted to the different Engineering Colleges taking into consideration the courses of study chosen by the candidates, and the distance of the Colleges from their homes.

In this connection I may mention that application for admission into the three Medical Colleges are received and tabulated in the Madras Medical College. Selection is made by a Committee consisting of all the Principals of Government Medical Colleges. Out of the candidates selected, Telugu District candidates are allotted to the Andhra Medical College, Vizagapatam and the rest are allotted to the Madras and Stanley Medical Colleges.

I request that my proposal may be approved.
