Rc. No. 609 D/46.

Station Madras, Dated the 20-6-1946. 19

From (Name) Dr. S. P. U. Savor, M.A., D.Sc., I.E.S.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

Education & Public Health Department.

Sir,

The management of the Manavedan High School, Nilambur submitted proposals for levelling 2½ acres of their land for use as playground. The site belongs to the Nilambur Kovilakam and the Senior Raja is the manager of the school.

2. The strength of the school is 287 distributed from class 5 to Form VI. It is reported that the extent of Playground is 5½ acres, that it is owned by the management and that a portion of it has to be levelled and made fit for use. According to G.O.No.1018 L.E. dated 31-5-30, 5 acres of playground is necessary for the school. With the addition of the proposed playground of 2½ acres the school will have a playground space of 5 acres as required by the G.O.

3. In the Tabular Inspection Report on the school for '42-43 the Divisional Inspector informed the management that the entire Playground space should be levelled and made fit for use before June '43. To comply with the above departmental requirement, the Correspondent, Manavedan High School, Nilambur started the work of levelling even before the scheme was placed on the approved list, in his anxiety to provide playground facilities as soon as possible.

P.T.O.

ble though this was in contravention of the rule 52(i) of the Grant-in-aid Code. The District Educational Officer, South Malabar was therefore requested to inform the Correspondent that no grant from Provincial funds could be sanctioned towards the work of levelling the Playground as the scheme as proceeded with, before it was placed on the approved list vide Rule 52 of the Grant-in-aid Code.

4. The Correspondent now reports that the provision of a playground is an urgent necessity, that part of the work had ~~been~~ done involving an expenditure of about Rs.3000/- and that an outlay of over Rs.6000/- is necessary for the completion of the work. He further reports that the failure to obtain special permission before commencing the work was due to his anxiety to comply with the departmental requirements of making the land available for use as playground. He therefore requests that the matter may be reconsidered and the scheme placed on the approved list for purposes of grant.

5. In these circumstances, I request that Government may be pleased to condone the irregularity committed by the management in having proceeded with the levelling of the playground without getting the scheme placed on the approved list and to permit the scheme to be placed on the approved list for purposes of grant. The original estimated cost of the scheme was Rs.9950/-. After orders of Government are received, detailed plans and estimates will be called for, the opinion of the Consulting Architect obtained and then the scheme will be placed on the approved list.

6. It may be mentioned here that a similar condonation was granted in G.O.No.Ms.578 Edn., dated 14-4-45 in respect of the scheme relating to St. Joseph's High School, Chingleput. (K)

for Director of Public Instruction.

Grant - Playground - Manavedan High School -
levelling work done without previous approval -
Irregularity - Condoned. Inclusion in the list of
approved list - Sanctioned

Cro 33429/46. From the DP 9 Ac. no 609 D/46 2.20.6-46

Order no 1368 Edu. 16.7.46

The Govt condone the action of the management of the Manavedan High School, Nilambur, in having levelled $2\frac{1}{2}$ acres of land for use as playground for the school without obtaining the previous approval of the Director of Public Instruction for the work. As the work was undertaken to comply with departmental requirements, the Govt sanction the inclusion of the scheme in the list of approved works, as a special case. While this approval does not convey any guarantee of Govt grant, it will render the work eligible for a grant of one-half of the cost not exceeding Rs 4975 (Rupees four thousand nine hundred and seventy five only) under the provisions of the Grant-in-Aid Code, if and when funds become available.

7.6.46

Note

The restrictions imposed in G.O. 1915 20 dated 9.12.41 do not apply to the provision of playgrounds for all schools (Both for boys & girls). The only irregularity committed by the management is the failure to get the previous approval of the DP 9 to the scheme for

levelling the land for playground purposes. In the circumstances explained, the irregularity may be condoned and the scheme may be included in the approved list.
