To A.S.

A'm p1 above:

The question relating to the employment of staff and creation of posts in the Statistical Branch of the Board of Rev. has ^{recently} been decided to be dealt with in Food Dept. A current relating to this subject has also been recently transferred to Food Dept. from this section. So it was thought that the question of supply of materials to the staff in the Statistical Branch may also be dealt with in Food Dept in consultation with E & P H.

The current may ^{perhaps} be transferred to E & P H since they have issued the original G.O. No. 682 Ed. dated 30.4.45. That Dept. will no doubt let the Food Dept. see the case before orders are passed.
