From

Dr. B. B. Dey, D. Sc. (Lond.), F. R. I. C.,
Officiating Director of Public Instruction, MADRAS.

To

The Secretary to Government,
Education and Public Health Department.

Sir,

SUB: Local Bodies - Secondary Schools - Expenditure from
Games Fund on games materials - Amendments to the
rules - proposed.

Rule 19 of the rules relating to educational and medical institutions under local boards issued in G.O. No. 3239, L & M., dated 12-8-1932 and amended by G.O. No. 996 Education, dated 6-5-1937 deals with Games Fees in Secondary Schools. It has been brought to my notice that Presidents of local boards empowered to sanction expenditure from the Games Fund under the above rule, have not been sanctioning the indents in time though they are sent up as early as April in each year and that there has also been considerable delay in buying the games articles; with the result that the Physical Education programmes in the schools are affected. In order to avoid the delay in the supply of games articles to the schools and to enable the Headmasters to carry out the Physical Education programmes regularly, it is proposed to empower the Headmasters to buy the games materials without any outside sanction; The Headmasters who are responsible for the administration of institutions can be trusted with the execution of indents prepared by the Games Committee. Besides, the expenditure is subject to audit by the Examiner of Local Funds and Accounts along with the other accounts of the school. If this proposal is acceptable to Government the following amendments may be approved.

For Rule 19(1) the following may be substituted:-
19(1). The expenditure proposed by the School Committee constituted under rule 21, may, if funds are available be sanctioned.

(a) by the Headmaster upto a limit of Rs. 10/- in cases relating to repairs or improvements to play-grounds; and without limit in other cases.

(b) by the President, District Board upto a limit of Rs. 250/- in cases relating to repairs or improvements to play-grounds

and (c) by the District Board in cases relating to repairs or improvements to play-grounds exceeding the limit of Rs. 250/-.

In the case of Municipalities, rule 17(1)(a), (b) and (c) of the rules issued in G.O. No. 4785, L & M., dated 1-12-1932 and modified by G.O. No. 996 Education, dated 6-5-1937 deals with Games fees in Secondary Schools and a similar amendment is also submitted in respect of schools under Municipalities.

For Rule 17(1) the following may be substituted.

17(1). The expenditure proposed by the School Committee constituted under rule 20 may, if funds are available, be sanctioned:-

(a).....

- (a) by the Headmaster upto a limit of Rs.10/- in cases relating to repairs or improvements to play-grounds; and without limit in other cases.
- (b) by the executive authority of the Municipal Council upto a limit of Rs.250/- in cases relating to repairs or improvements to play-grounds; and
- (c) by the Municipal Council in cases relating to repairs or improvements to play-grounds exceeding the limit of Rs.250/-.

The Exr. of L.F.A. cannot give any useful advice. The main point is whether the proposal would be acceptable to Dt. Bds. and their Presidents. The inconveniences pointed out by the Directors may perhaps be explained and the views of a few P.D.Bs. and Commrs. of M.Kis. ascertained. Among the former are suggested Vizagapatam, Bellary, Madura, Tirunelveli, Coimbatore and Malabar, and among the latter the headquarters M.Kis. in these 'sts.

to the rules - Objected to.

56053 PP. 3-4 ante Ref:- Government Memorandum No. 32346-1-B. Edn.
dated 29-9-45.

The objections noticed frequently in audit of the games fund
account of the Municipal High School are given below:-

1. Delays in remittances of collections in Savings Bank.
2. Collections are not remitted into the Savings Bank in full.
3. Cash Book not closed monthly.
4. Stock account of Games articles not maintained properly.
5. Drawing amounts from the Savings Bank in excess of the requirements.
6. Use of collections directly for expenditure instead of crediting all collections into the Bank and drawing the amount required for expenditure from the Bank.
7. Stamped receipts not obtained for payments exceeding Rs. 20/-
8. Incurring expenditure of more than Rs. 10/- without obtaining the sanction or approval of Executive Authority.
9. Expenditure on drinks, envelopes, printing invitations garlands and such other unauthorized items in connection with school sports.

Very often, the delay in passing indents in Municipal Office is due to want of all particulars such as opening balance, expected receipts and expenditure and closing balance, stock of articles on hand on the date of indent, etc. which lead to unnecessary correspondence, resulting in delay in purchasing games articles. In view of the nature of the objections raised in audit, I am against the proposed modifications in the existing rules. The objections in audit will be more if the control by the Commissioner over the expenditure is eliminated.

The expenditure on the purchase of games articles is considerably greater than the expenditure on other items. While Commissioners have to call for tenders for purchase of articles costing more than Rs. 300/-, the system of inviting tenders is dispensed with altogether in the case of purchase of games articles irrespective of the cost involved. If however, Government desire to modify the existing rules as proposed, the best course will be to give the Headmaster full powers over all items of expenditure from Games Fund as it is not worthwhile allowing the Commissioner to control over small items of expenditure and allowing the Headmaster to spend most of the Games Fund himself on the purchase of games articles without anybody's approval. In this case, the Headmaster will be held entirely responsible for the administration of the Games Fund.

Subject:- Schools - Local bodies - Expenditure from games fund on games materials - Amendment to the rules.

The D.P.I. points out that ~~the~~ delays on the part of Presidents of Dt.Bds. and Executive authorities of Municipal Councils in the matter of sanctioning indents for the purchase of games materials in secondary schools, in time, affects the physical education programme in the schools. In order to avoid the delay he proposes that the headmasters may be empowered to purchase games materials without outside sanction by amending the relevant rules relating to educational and medical institutions under local bodies as indicated at 'X' and 'M' on pages 1-2 c.f. ~~Selected~~ Presidents of Dt.Bds. and Commissioners of Municipalities have been asked whether they see any objection to the proposal. The Commissioners of Coimbatore, Tinnevely, Madura, Calicut and Vizagapatam and the Presidents of Dt.Bds., Malabar, Bellary, Madura, Coimbatore and Vizagapatam have no objection to the proposed amendments while the Commissioner of the Bellary Municipality and the President of the Tinnevely It.Bd. object to the proposal, the former on the ground that it will lead to more audit objections and the latter on the ground that the headmasters will abuse the powers. As stated by the D.P.I. at 'K' on page 1 c.f., the expenditure from the Games Fund is subject to audit by the Examiner of Local Fund Accounts along with the other accounts of the School and it does not appear that there will be any scope for abuse of powers by the headmasters. The proposed amendments may be proceeded with. Before doing so the remarks of the ~~Examiner of Local Fund Accounts~~ may perhaps be invited u.o. on the suggestion made by the Commr. Bellary

Office of the D. P. I.,
Madras, 16th May 1946.

Re-submitted.

The grounds urged by the President, District Board,
Tinnevely, and by the Commissioner of the Bellary Municipality are not valid and need not be considered. After all the amount which the Headmaster can spend on games materials, etc., is not large. His discretion is checked by the presence of the games committee. Apart from this the amount spent on games activities is also checked by the inspecting officers and particularly by the Regional Physical Director when he visits the school. Under these circumstances, the amendments may be proceeded with.
