To

The Hon'ble Minister for Education,
Fort St. George,
Madras.

Hon'ble Sir,

This is in connection with the

interview I had with you in the morning on behalf

of a Harijan girl student who is seeking admis-

sion in the Queen Mary's College in the Inter-

mediate class. She has to pay in advance Rs 49/-

towards fees, etc., as otherwise her seat will be

cancelled. My impression was that there is fee

~~no~~ concession for Harijan ~~girl~~ students in the

College classes and that they can continue their

studies without paying fees from their own pockets

It is said that fees will be returned when the

scholarship or fee concession is granted by the

authorities; but this process will give too much

difficulty for a Harijan who may not have the

necessary amount to advance for the fees. In

2

this case, as you have advised me, I ~~am~~ paying the amount from my own pocket so that the girl may be able to continue her study in the College, but I may not be able to pay for the next term and I hope the Government will issue orders immediately so that the remitted amount may be refunded.

I request you to take up this matter as an important ^{issue} ~~matter~~ ^{one} so that in future the obstacle may not come in the way of Harijan students entering the College for admission.

Yours sincerely,

R.V. Dayanathan

Madras Educational Rules - Rule 92 - Procedure for admission and grant of fee concessions - to Scheduled Caste students in Colleges.

£££

Under Rule 92(b) of the Madras Educational Rules students belonging to the Scheduled castes are eligible for full fee remission in college classes. However, it has been represented that in some colleges the authorities insist on the payment of the full term fees before the students are enrolled and ask them to claim refund of the same later on.

As many of these students come from very poor families they may not find the necessary funds to pay the fees in the first instance and get refund in due course. The undermentioned officers are therefore informed that scheduled caste students may be admitted as free students provided they pay the special fees and produce the necessary documents to establish their eligibility for full fee concession under Rule 92 Madras Educational Rules at the time of their admission.

R. Velayudhan E.R.

I am sending herewith a representation which I
Sri
have received from R. Velayudhan about the concession that
they are showing to the Harijan students. I understand that
while the Government agree to educate them without fees, rules
have been laid that the fees had to be deposited first and that
it will be refunded later on. I do not see that there is any
reason for such an arrangement. In fact it works hardship
against the poor harijan boys and girls who seek admission. Will
you kindly examine the matter and let me know what the actual facts
are?

I understand that Harijan boys and girls admitted in Govt. Colleges are not charged fees for tuition but I understand that fees are insisted upon from them at the beginning of the term before admission and in the other terms also but later on they are refunded to them. This causes great hardship especially as a great majority of them are so poor and I do not see any reason why ~~they~~ fees shd. be received from them and then refunded back. The matter may be examined and the proposals may be put up to the effect that the concession given to them may be given from the very beginning and fees may not be insisted to be paid in the beginning of the term.

FEE CONCESSIONS TO HARIJAN STUDENTS

MADRAS, 19.

Representations have been made to the Government to the effect that the majority of Harijan students seeking admission into high schools and colleges are unable to deposit the advance fees demanded by educational institutions. The present practice is that though Harijan students are admitted into educational institutions free of school and college fees, they are asked to deposit the total sum of the fees in advance at the beginning of the year, the money being refundable later. The Government has now altered this rule, directing that Scheduled Class students should be admitted free without having to deposit the advance, provided that they pay the special fees for laboratories, etc., and produce the necessary documents to their eligibility to the fee concession.
