Base Board and metal cover for typewriter - local
made - purchase - sanction - requested -

Supplies of typewriter now received are without base board and metal cover. several Offices to whom typewriters were supplied recently request the immediate supply of metal cover and base board. The typewriter and Office Appliances Co., Ltd., Madras and Messrs. Addison & Co., Ltd., Madras have offered to supply locally made metal cover and base board for typewriters at the rates quoted below. A reference has already been issued to other firms to quote rate for the supply of metal cover and base board and their reply is awaited.

I request sanction of Government for the purchase of locally made metal covers and base boards for typewriters at the rates offered by the respective firms, for supply to Officers, who require them.

and metal covers for typewriters have not yet been received. It is possible that ~~some of the~~ ^{some of the} firms may be less than those of M/s Addin & Co. which are proposed to be sanctioned by the ~~EST~~ ^{Finance} Dept. It would therefore seem desirable to wait till all the replies have been received and then issue orders finally. Meanwhile, the rates of M/s Addin & Co. may be approved for supply of baseboards & metal ^{Covers} to be made urgently. The number to be supplied immediately may be ascertained from the Asst. Secy.

Please see pp.1-2 ante. This department requires base board and metal cover for a Remington Typewriter No.J.771217 and a metal cover only for another Remington machine L.S. 34034. The former is a new machine and is kept in a dealwood box. The other one is without any cover. The need for them is great. Unless the machines are provided with covers the typists who are in charge of those machines cannot lock them up when they leave office and prevent mishandling of machines out of office hours. Further, there have been instances of loss of minor parts of typewriters and the explanation given by the concerned typists was that they were not responsible for the loss and that since the machines could not be locked up for want of covers some one would have handled them out of office hours and caused the loss. One of the machines J.771217 is kept in a room which has two open arches at one end through which any unauthorised person can get into the room after office hours. In the interests of the safety of the machines and to enable this department to fix the responsibility for any loss or damage caused to the machines it is necessary to provide them with metal covers as soon as possible.

It is not known when the base boards and metal covers will be available at the rate of Rs.27-8-0. The difference in cost between that quoted by the Company and that sanctioned in the G.O. cited is Rs.7-8-0 (Rs.35 - Rs.27-8-0). In the interest of the safety of the machines the extra cost does not appear to be much. E & P.H. may be requested to order the supply from Remington Rand Inc. early.

* Found 4 machines supplied entirely without base boards and metal covers.

The difficulty experienced by Home re: the safe custody of the typewriters & common to other Depts of the Sectt and Hds of Depts who have been supplied with new machines without base boards and metal covers. Home may arrange to keep ^{two machines} in places of safety till the base

base board and metal covers are supplied to them. The Sgs maybe asked to arrange for the speedy supply of base board and metal covers to the Home Dept by Messrs Addressing Co Ltd, Madras, who have quoted Rs 27.80 for a foolscap machine. The Remington Rand Inc, Madras, who quote a higher price of Rs 35/- propose to manufacture and supply metal covers and base boards and it will also take time for supply. So it does not appear necessary to place orders with The Remington Rand Inc, Madras, who have quoted a higher price - vide also the note of Rs on p 5 of the Go at (2).

2. The Sgs may be requested to state whether he has taken action on the orders ^{para 1} with Go No. 1387 Cndd. 18.7.46. These orders are intended to cover urgent cases like those of the Home Dept.

3. A draft on the Sgs is submitted. After issue, Home may see the case for perusal and return.
