Madras.

Sir,

I am a permanent Computer in this office. I was on military duty from 14th April 1944 to 7th Feb. 1946. After my discharge from the military I was able to procure a house on rent only at Thondiarpet, a place which is far away from office. On account of conveyance difficulties I find it extremely difficult without a cycle to attend the office in time and to purchase my provisions etc from the ration shops which are located at different places. I therefore request that I may be sanctioned with an advance of Rs 160/- for the purchase of a Bicycle which will facilitate me greatly to attend the office in time and to attend to my household needs without undue difficulty.

I was granted with a similar advance in 1940 but I had to dispose of the cycle purchased with this advance at the time when I joined the military as I had no place to leave my cycle and was also not aware as to how long I will have to be on military duty.

In view of the above circumstances I request that the advance now applied for may be kindly sanctioned at a very early date.

I beg to remain

Sir

Your most obedient Servant
N. K. Koodali
