Dr. S. R. U. Savor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.

From

The Secretary to Government,
Education and Public Health Department.

Sir,

SUB: Elementary Education Fund - Deputation of
teachers for attending refresher classes
in Physical Training - Expenditure - En-
hanced rate of Daily allowance - Requested.

REF: G.O. No. 558 Education dated 12-4-1944.

In the Government order quoted above the Government
have ordered that a daily allowance of not more than annas
8/- per day and the Travelling Allowance at the rates
admissible under the Madras Travelling Allowance Rules
should be paid to each teacher deputed by the Local Bodies
to attend refresher classes in Physical training.

The Y.M.C.A. Coimbatore will be conducting as usual
a refresher course in Physical Education from 1-5-1946 to
31-5-1946 and the course has had my approval. The General
Secretary and Physical Director of the Y.M.C.A. reports
that from experience it is found that the elementary school
teachers find it impossible to meet the increased cost of
food in these hard days which comes to Rs. 30/- to 40/-
per mensem within the rate of Daily allowance payable to

them under the Government order quoted above. In view of this, he has requested the sanction of a special grant to cover up the tuition fee, food and sundry expenses. Considering the present hard times and the high cost of living, I consider that the above request is reasonable. I, therefore, recommend that in addition to the usual Travelling Allowance charges the Government may be pleased to increase the rate of daily allowance from annas 8 to Rs 1-8-0 per teacher per day. If this recommendation is accepted it will obviate the difficulties of the deputees and will attract a greater number of teachers to attend such refresher courses.

As the course is to commence on 1-5-1946, I request that early orders may be passed in the matter.

The D.P.I. has recommended that the rate of daily allowance payable under the orders in G.O. 558 Edn., dated 12-4-44, may be raised from Re. 0-8-0 to Re. 1-8-0 in view of the increase in the cost of food. A secondary grade teacher in Govt. service deputed for a similar course of training will be eligible for a daily allowance of only twelve annas for the first ten days and six annas for the remaining period. It has been suggested ^{also} that in sanctioning a daily allowance it is sufficient to reckon only the extra amount reasonably to be allowed over what it would cost the

teacher to ^{have his} ~~food~~ at home and not the entire cost of meals at the training centre and that even on the latter reck-
oning to ^{the} ~~be~~ proposed daily allowance of Re.1-8-0 is too high. The Director is requested to offer his remarks ^{with reference} ~~on this suggestion~~ and to propose ^{by means} a revised rate of daily allowance.

I am of opinion that the Government rate fixed in the
Madras Travelling Allowance rules is quite inadequate. One
cannot get a meal at the hotels for less than 6 to 8 annas.
I therefore request that a daily allowance of at least
Rupee one may be sanctioned if it is not possible to give
them Rs. 1-8-0.

NOTES E.P.H. (C-1)

E.E. fund - Deputation of teachers for attending refresher classes in physical training.
Rate of daily allowance - Enhancement.

C.No. 22814C/46 From the D.P.I., R.C. No. 3583 - B/45, d/26-4-46 and 25-5-46.

In his letter d/26.4.46, the D.P.I.

Recommended that the rate of daily allowance payable under the orders in G.O. 558 Edw, d/12.4.44 might be raised from Re. 0-8-0 to Re 1-8-0 in view of the increase in the cost of food.

Sub 98(a) on pp 51-52 of Book No. 116 and p 57 of M.A.

Rule 98(a) on p 52 of Book No. 116

pp 3-4 of

A teacher who deputed pay between Rs 300 & 550 of a similar course of training will be eligible for a daily allowance of only twelve annas for the first ten days and six annas for the remaining period. The Director was asked to propose a revised rate of daily allowance taking into account only the extra amount reasonably to be allowed over what it would cost the teacher to have his food at home. The

D.P.I. states that the Govt. rate fixed in the M.T.A. rules is quite inadequate and that a daily allowance of at least Rupee one may be sanctioned.

For orders whether the revised rate suggested by the Director will be accepted and it be asked to remain in force for the year 1946. If so, the draft below may be approved. Finance may see.

Please see the notes of the E. & P.H. Department above. Beyond stating that one cannot get a meal at the hotels for less than 6 to 8 annas, the D.P.I. has not furnished any reason in support of his recommendation to allow a daily allowance of Re. 1/8 to teachers deputed by local bodies to attend refresher classes in Physical Training.

M. & P.H. state that secondary grade teachers in Govt. service deputed for a similar course of training are eligible for a daily allowance of 12 annas for the first 10 days and 6 annas thereafter. The same rates may be allowed to teachers deputed by local bodies also.

Yes. The important point which the D.P.T. does not seem to have understood is 'Q' and 3/4 cf.

The period of the refresher course referred to in p 10. f. is 31 days. If the teachers are paid daily allowance at the rate suggested by Finance at 'M' above, they will get a sum of Rs 15-6-0 against Rs 15-8-0 for which they will be eligible under the orders in G.O. 558 Edn. d/12.4.44. If the period of training exceeds 31 days, they will get proportionately smaller amounts.

It is submitted that while the orders in G.O. 558 Edn., d/12.4.44 were issued, the rate of daily allowance paid to Govt servants was not taken into account. Besides, Govt teachers in Govt schools servants enjoy a better scale of pay than that allowed to those employed in most of the local bodies. Their conditions of service are also different.

For orders whether this Dept will press for the acceptance of the D.P.T.'s proposal at p 50 f.

The rate suggested above Rs 15/6/- per month is indeed very low for modern conditions. The rate suggested by the D.P.T. i.e. 1-8-0 per day is perhaps

Prev. Fin. note on pp 1-2 above.

Please see the minutes of H.M. (Edn) above. Under the existing rules, if Govt servants of grade XI (on a pay of Rs 30 but not exceeding Rs. 55) are sent out for the training, they will be entitled to a daily allowance of Rs 12 for the first 10 days inclusive of the 50% increase, and as 6, thereafter the proposal at A above gives more a concession to local body servants, which is not admissible to Govt servants. This may lead to discontent among the latter. EPH may be requested to obtain the orders of H.P.H. also on this point.

The D.P.T.

has recommended that the rate of daily allowance payable under the orders in G.O. 558 Edn., d/12.4.44 might be raised from Rs 0.8-0 to Rs 1.0-0 in view of the increase in cost of food. This Dept accepted the proposal of the D.P.T. The Finance Dept suggested that the rates applicable to

The H.M. (Edn) ordered that the teachers in local bodies may be allowed a daily allowance of fourteen annas when they are deputed to undergo attend refresher classes in physical training. When the file was sent to Finance for perusal of the minutes of the H.M. (Edn), that dept suggested that as the order of the Government is in accordance with the order of the Government of Madras, the order of the H.M. (Edn) should be approved. The order of the H.M.
