Re No. 714 J/46 dated 27-6-1946. 194

Sir,

Sub: Teachers' Provident Fund - Sri K.S.Ramaswamy
Ayyar - payment of Government contribution -
Loss of original application for admission
to the Teachers' Provident Fund and the
Eligibility certificates - Admitting the
claim for Government contribution - request-
ed.

One Sri K.S.Ramaswamy Ayyar, who was formerly employed in the S.V.V.Ely.School, Kodumudi retired from service on 31-3-43 and his account was closed by the District Educational Officer, Coimbatore with full benefits. The bill for Government contribution on behalf of the teacher in question was returned to the Dt. Educational Officer by the Accountant-General, Madras, as the original application for admission and the eligibility certificate issued on his behalf were not produced. The Accountant-General has ruled that in the cases of claim~~ing~~ for Government contributions when both the original application for admission and the eligibility certificates are not forthcoming the orders of Government

will have to be obtained. (Vide Accountant-General's letter T9.Sc.II.462 dated 19-12-45 copy enclosed).

2. The District Educational Officer, Coimbatore who was addressed to account for the loss of these certificates in his office was not in a position to give any satisfactory answer. It would however appear that the office of the District Educational Officer, Coimbatore was shifted once in 1937, again in 1941 and subsequently twice in 1942. Presumably the records might have been mislaid during any one of these transits. All attempts to trace the records have proved futile. A certified copy of the card catalogue maintained by the District Educational Officer under Rule 2(c) of the Teachers' Provident Fund Rules was, however, sent to the Accountant-General. But since the Accountant-General insists that the orders of Government should be obtained as per the instructions contained in his circular referred to in para 1 above, I request that the Government may be pleased to instruct the Accountant-General, to admit the claim for Government contribution on behalf of the teacher in question.

Copy of letter T9.Sc.II-462 dated 19th December 1945 from the Assistant Accounts Officer, Madras to the Director of Public Instruction, Madras.

Ref: Para 3 of your letter dated 7-7-45 regarding records that will be accepted in place of the original application and the eligibility certificate - Teachers' Provident Fund.

With reference to your letter quoted above I have the honour to state that if the subscriber is alive and one of the two documents referred to above is missing, a certified copy of the card catalogue required to be maintained by the Inspecting Officers under Rule 2(c) of the Teachers' Provident Fund Rules may be accepted. If, however the subscriber is not alive, the question of payment will have to be considered in accordance with the spirit embodied in Rule 12 b of the Rules relating to the Provident Fund for Teachers in non-pensionable service, and such cases may be referred to this office for opinion as and when they come up. If both the documents in a particular case are lost orders of Government will have to be obtained for admitting the claim.

2. I would, however, add that the necessity for the proper records being maintained may be pointed to the District Educational Officers, who may, during their inspection verify, say, once in two or three years, the supporting documents and issue instructions for supplying omissions of this kind so as to avoid such cases as far as possible.
