of the paper for the above publication from
a local company who however have not been able

We understand that the Government

114 (2)

In G.O. No. 645 Edn. dated 25-3-46, the Government sanctioned the reprinting in the Government Press on payment of cost of the Madras Gardening Hand book by A.J. Platt published by the Madras Agri Horticultural Society. The Society was asked to supply the paper after getting necessary permission from the P.P.C.

154 (2)

The P.P.C., was asked to supply the necessary paper. The Superintendent, the Agri Horticultural Society now brings to the notice that the kind of paper required either for the text or the wrapper is not obtainable from a local company to whom a permit has been issued by the P.P.C. He therefore requests that as the Government Press has stock of the paper it may be permitted to use the paper from his stock for publication of the book. The Superintendent of the Society has not stated that the paper utilised by the S.G.P. will be reimbursed. Development may see. For orders.
