To

The Secretary to the Government of Madras,
Education and Public Health Department,
FORT ST. GEORGE.

Sir,

I have the honour to state that the clerical establishment of this office consists of the following posts:-

- One Manager and Accountant on Rs.100-10/2-150.
- Two Upper Division clerks - I Grade on Rs.85-4-125 (old scale) (Now Rs.70-100).
- Five Upper Division clerks - II Grade on Rs.55-5/2-70 plus Rs.6½ Presidency Allowance.
- Nine Lower Division clerks on Rs.30-55 plus Rs.6½ Presidency Allowance.

2. The employment of two Upper Division clerks on Rs.55-70, four Lower Division clerks and one typist was recently sanctioned from 1st April 1946 as a temporary measure for two years.

3. From the statement of establishment of this office relating to the lower division enclosed, it will be observed that two permanent Lower Division clerks of this office are on other duty in the Subordinate Educational Service as Senior Deputy Inspectors of Schools or School Assistants, as they possessed the prescribed qualifications. One permanent Lower Division clerk is working for the last 3 years in the Education Department in the Bellary District at his own request, though he has his lien in this office and another clerk is working in the Ration Department at Tirur in Malabar District.

4. The standard of efficiency of this office is maintained, among others, by the experienced clerks, conversant with the various branches of work of this office. One of such clerks is Sri V. M. Rangaswami Ayyangar, who has put in 26 years of service. He was appointed as a Lower Division clerk on 3rd January 1920 and confirmed as such on 1st March 1924. But being an unpassed clerk, he was not allowed to draw more than Rs.35/- from 1st February 1922 till June 1943. After 23 years of service, his pay was fixed at Rs.36/- in the time scale of Rs.30-55 in pursuance of G.O.No.1490 Edn., dated 3rd November 1943. The previous recommendation for granting the clerk a higher pay in the time scale (Rs.30-55) in consideration of his long service was not, however, approved - vide G.O.No.339 Edn., dated 8th March 1945.

5. Though he is an unpassed clerk, he is very efficient in the discharge of his duties. He is doing responsible work connected with the Government Examinations. He has a thorough grasp of the rules and regulations relating to the several examinations conducted by this office and he is able to apply the rules intelligently.

During

During his long service, he has worked in the several sections of the office and on account of his varied experience, proved himself as a very useful and capable member of the office. He is not only able to do work himself but also to guide properly and supervise the work of others. During the examination season, when there is heavy work, he used to supervise the work of other temporary clerks employed for seasonal work. With reference to G.O.No. Ms.122 Edn. 14 of 42 and Public Health, dated 27th January 1943, he passed the Account Test for Subordinate Officers, Part I, at the very first appearance in June 1943, despite the short notice given to him - this special test qualification has been prescribed only for Upper Division - I Grade (Rs.70-100). He could not, however, be promoted straightaway as an Upper Division clerk, II Grade, as he does not possess the minimum general educational qualification prescribed for ministerial service. He has studied only upto Form V and has also passed Book-keeping - Elementary Grade. Nevertheless, he is very efficient in his work.

6. In G.O.No.491 Edn., dated 20th March 1942, the Government were pleased to relax the relevant rules to the extent necessary to permit Sri Y.M.Varadaraja Pillai, who does not possess the prescribed minimum general educational qualification to rise above the efficiency bar of Rs.55 in the old scale of Rs.40-65 and also to render him eligible for appointment to any clerical post on Rs.55-70 for which minimum general educational qualification is prescribed. He was promoted in October 1942 as an Upper Division clerk in the scale of Rs.55-70 and he has already completed his probation and earned an increment. (M) 9

7. The pay of the post of Upper Division clerk - II Grade in this office is only Rs.55-70 and as chances of further promotion in this office are very remote, it does not attract clerks from other offices and Graduate clerks desire to go out as Deputy Inspector or School Assistants in the Subordinate Educational Service cadre to better their pay and prospects. The transfer of qualified permanent hands, who are juniors in service to Sri V.M.Rangaswamy Ayyangar, as Deputy Inspectors of Schools and to other posts in the Education and other Departments now necessitates the promotion of Lower Division clerks, who have put in only very short period of service and with no substantive appointment, as Upper Division clerks, ignoring the long and satisfactory service put in by Sri V.M.Rangaswami Ayyangar. By his work and conduct, Sri V.M.Rangaswami Ayyangar has proved himself to be worthy of promotion; to ignore his claim after 26 years of loyal and faithful service, merely on the technical ground that he does not possess the minimum general educational qualification is very hard. He is aged 47 and he has only 8 years of service and his promotion to the Upper Division - II Grade will not prejudicially affect any one with long years of service. At this age, it is impossible for him to pass the general educational test prescribed in G.O.No.2929 Public (Services), dated 5th October 1944, which is intended for persons fresh from schools or colleges. The case of this experienced clerk deserves very sympathetic consideration for his proved ability. I, therefore, strongly recommend that the concession (promotion to the upper grade) granted to Sri Y.M.Varadaraja Pillai (G.O.No.491 Edn., dated 20th March 1942) may be extended to Sri V.M.Rangaswami Ayyangar as well, with effect from 1st April 1946. I have the honour to be,
Sir,

Respected Sir,

I beg to represent the following for your honour's merciful
consideration and favourable orders:--

I am working as Store Havildar, II Grade, in the Military
Hospital referred to above and my pay is Rs.79. I joined His
Majesty's Defence ~~and~~ Department on 15th May 1944 the year in
which I appeared for the S.S.L.C.Public Examination. I am now
passing my twentieth year. For my loyal, faithful and good
service, I was promoted to Grade II from III in August 1945.

I beg to represent that my father Sri.V.M.Rangaswami Iyyengar
who is aged about 48 years is working as a Lower Division clerk
on a pay of Rs.39 in the scale of Rs.30 to 55 in the office
of the Commissioner for Government Examinations, Madras. He is
not in possession of the minimum educational qualification. He
entered that office in August 1916, as a temporary clerk and
continued to be so till December 1919, and from January 1920 to
March 1924, he acted as officiating clerk, and he was confirmed
in March 1924. He was drawing Rs.35 in the scale of Rs.23 to
Rs.35/- and he was permitted the pay allowed to Lower Division
Clerk (Rs.30 to Rs.55/-), in June 1943, after passing the
Account Test for Subordinate Officers part I in June 1943.
He has put in a service of nearly 30 years (temporary, acting
and permanent) and now the pay he gets is only Rs.39/-. He is
working very hard and I am certain that he is liked by all his
superiors for his honest, loyal, faithful, careful and efficient
work. A reference may, if necessary, be made to his officer

about his character, conduct and work. He has to educate two of my younger brothers, besides support ^{of} his aged widowed sisters, who are his permanent dependents. On account of dearness of things and my low pay, I am not able to give him full relief. He has to maintain a family consisting of my mother, two young school going boys, two widowed sisters and he finds it extremely difficult to manage the family in these costly and hard days, with his very meagre income. Besides this, the demobilization is staring at my face. I may be demobilized very shortly and it may take sometime for me to get employed, which means additional burden to my father, as I will not help him even with the small amount, which I am remitting him every month.

In consideration of my father's present poverty stricken status and his loyal and good service and in consideration of my loyal, faithful and good service to His Majesty's Defence Department, I most humbly and respectfully appeal to you for merciful consideration of his petition and request you to relax the rules, so as to render my father eligible for promotion to Upper Division Clerk's post, for which minimum general educational qualification is prescribed, and thereby give relief to a loyal family (the members of which are leading a miserable and famished life for a very long time) to a certain extent.

For this act of kindness, I shall ever be grateful.

I beg to remain,

Establishment - Office of the Commissioner for Government Examinations, Madras - Sri V.M.Rangaswami Ayyangar, Lower Division clerk - Promotion to the Upper Division - Educational qualification Relaxation of.

C.No.26414/46. - Letter from the Commissioner for Govt. Examinations, C.No.126-A/46 dated 14.5.1946. Letter from Sri M.P.Varadarajan, store Havildar, II Grade, C.M.H., Kumbargaon, dated 21-5-1946.

Sri V.M.Rangaswami Ayyangar is an unpassed Lower Division clerk in the office of the Commissioner for Govt.Examinations, Madras. From 1922 to June 1943, he was drawing only Rs.35/- p.m. in the scale of pay of Rs.23--35, as he did not possess the minimum general educational qualification. In G.O.No.1490 Edn., dated 5-11-1943, the Govt. relaxed as a special case the rule relating to the possession of the minimum educational qualification in favour of the clerk and permitted him to draw pay at the rate of Rs.36/- p.m. in the scale of Rs.30--55, with effect from the date of his passing the Account Test for Subordinate Officers, Part I, i.e. from June 1943.

2. The Commissioner for Govt.Examinations now requests that the relevant rules may be relaxed so as to render ~~the clerk~~ eligible for promotion as an upper division clerk on Rs.55-70. The grounds urged are:--

- (1) On account of the absence of the permanent lower division clerks of his office on other duty either as Dy.Inspectors or otherwise, his office is devoid of experienced clerks.
- (2) Sri V.M.Rangaswami Ayyangar is an intelligent, efficient and experienced clerk who is fit to hold the post of an upper division clerk, even though he does not possess the minimum general educational qualification.

(3) The promotion of Sri Rangaswami Ayyangar as an upper division clerk will not prejudicially affect the claims of any one with long experience.

(A) On account of his age, it is impossible for Mr. Rangaswami Ayyangar to pass the general educational test prescribed in G.O.No.2929 Public (Services) dated 5-10-44.

3. The proposal of the Commissioner for Govt. Examinations to fix the pay of the clerk at Rs.51/- in the scale of Rs.30--55 to enable him to reach the maximum of the scale before retirement was negatived in G.O.No.339 Edn., dated 8-3-44 -Vide notes on p.p. 3-7 n.f. of the G.O. The object of the present proposal is to enable the clerk to draw Rs.55/-. the minimum in the post of upper division clerk and to earn one or two increments before retirement. Attention is solicited to G.O.No.491 Edn., dated 20-3-1942 in which a similar exemption was granted in the case of another clerk. It is for consideration whether the proposal of the Commissioner for Govt. Examinations may be supported. vide in this connection - G.O. 493 Public (Ser) dt. 11.2.44 The remarks of Public (Services) may be invited u.o.

There seems to be a good case for relaxation of rules.

For over 20 years he was Shastri on a low pay of Rs 35 and for the last 3 years he is getting Rs 1 more!

He is now aged 47 and has 8 more years to serve. It is said that his promotion to the U.D. will not prejudicially affect his claims of any one with long years of service. The Commissioner also speaks highly of his efficiency as a clerk.

- (1) that the permanent l.d. clerks of the office are on other duty and those who have put in only short periods of service in the lower division and with no substantive appointment are available for promotion to the upper division;
- (2) that he is very efficient in the discharge of his duties although he studied only up to Form V;
- (3) that his promotion as an upper division clerk will not prejudicially affect the claims of any one with long service;
- (4) that it is impossible for him to pass the general educational test prescribed in G.O. no. 2929, Pub (Ser), dt. 5.10.44 at the age of 47 and
- (5) that a similar relaxation was granted to Sri Y. M. Varadaraja Pillai in G.O. 491, Edn, dt. 20.3.42.

2. (1) above: This is not a special feature peculiar to the office of the C.G.E. only. The same difficulty is being experienced in almost all Govt. offices including the depts of the Secretariat.

It will be seen from the statement on p. 3 cf. that as many as eight qualified l.d. clerks who are approved probationers are available for promotion to the upper division. Some of them have put in service of five to six years. In fact the permanent l.d. clerks said to have been on other duty have put in service varying between six to nine years only. The ground urged by the Commissioner is not therefore sustainable.

(2) above: This argument was invariably put forward by almost all heads of depts who recommended similar cases for relaxation of the qualification rule-- cf. the letter on p. 2 cf. and the order on p. 19 cf. of G.O. no. 1398, P.H., & 7.5.46.

(3) above: This is rather an incorrect statement. From the statement on p. 3 cf. it is clear that the only ~~permanent~~ ^{permanent} l.d. clerk who has put in the maximum service (26 years) is Sri Rangaswami Ayyangar. The other permanent ^{l.d.} clerks said to have been on other duty have put in service ranging between six to nine years and some of the officiating ^{l.d.} clerks have put in service varying between ~~four~~ ^{five} to six years. The posts of upper division clerks of the office of the C.G.E. are not included in the selection categories. As such, seniority is the criterion for promotion to the upper division from among qualified l.d. clerks. The proposed relaxation of rules in favour of Sri Ayyangar will really affect the prospects ~~for~~ ^{for} promotion of the qualified permanent and officiating l.d. clerks of the office who are now eligible for such promotion. It will therefore attract H.E.'s special responsibility under section 52 (1) (c) of the Govt. of India Act, 1935.

(4) above: Most of the unpassed clerks were entertained in pre-rule days. Hence most of them will be

4.

In view of the position set out above, it is clear that the Commissioner for Govt. Examinations has not made out a special case for

above forty. It is specially for such persons that G.O. 2929, Pub. (Ser), & 5.10.44 has been prescribed in order to enable them to be promoted to higher posts in the service. The test prescribed in that G.O. is only of the S.S. & C. standard.

If relaxation is allowed in one case on this ground, it will be impossible to resist similar requests and this will create an inconvenient precedent-- cf. para 2 of the letter on p. 1 cf. H. 1-2 of G.O. 1398, P.H., & 7.5.46 and the extract at (8)

(5) above: In G.O. 491, Education, & 20.3.42 relevant rules were relaxed in favour of Sri Varadaraja Pillai for a similar purpose. Relaxation in that case was allowed in view of his distinguishing ^{war} ~~military~~ service. A similar relaxation was also allowed to a deputy jailor in G.O. 2997, Home, & 30.8.45 on account of his good war record. The present case is not therefore analogous to the cases cited above. It is more or less identical to the case

disposed of in G.O. 1398, P.H., & 7.5.46, and the remarks of the former L. & P. H. Secretary in that case will also apply to this case.

Further, statutory rules are relaxed only in cases of undoubted hardship caused to individual officers by a strict application of the rules-- see G.O. 493, Pub. (Ser), & 11.2.44. The lack of parliamentary qualification for a number of years for promotion to higher posts cannot be held as a case of undoubted hardship caused to him.

In view of the position set out above, it is clear that the Commissioner for Govt. Examinations has not made out a special case for

relaxation of the statutory rules in favour of
 Sd Rangaswami ^{In the circumstances this} ~~Ayyangar~~ ^{this} department
 may therefore advise E & P.H. to reject the Commission's
 proposal as was done in the case disposed of G/p.19 of
 in G.O. 1398, P.H., d. 7.5.46.

5. After orders are passed on the above note,
 the file may be returned to the E & P.H. Dept.

There is really no hardship
 involved in this case justifying relaxation
 of rules to render the clerk eligible for
 promotion as an upper division clerk on
 Rs 55-70. The special pleadings on his
 behalf by the Secretary in charge of the office
 of the Commissioner for Govt Examinations
 should not, I think, be admitted in
 view of Mr J.B. Brown's remark as C.S.
 at A on pages 3-4 NR of G.O. 339 E & P.H.
 dated 8.3.45.
