ENCLOSURES

SEPARATE COPIES

I have the honour to state that the stock of teakwood planks of sizes noted below is exhausted and an early replenishment is necessary for manufacture of mounts of for blocks etc. in the carpentry section of this office. The Forest Utilization Officer, Madras has therefore been asked as usual to arrange for the supply of them. It is understood from the Forest Utilization Officer, Madras that the price can be known only after departmental conversion has been completed and the rejects etc. sold, which, he says, will take some time. The total quantity required works out to about 227.75 cubic feet. I request that Government may be pleased to accord sanction for a sum not exceeding Rs 2500/- at

at an approximate price of Rs 10/- per cubic foot including Railway freight and forwarding charges etc.

The expenditure will be met under "56 Stationery and Printing (d) Government Presses (Madras) - F. Other Expenditure - 4. Stores purchased in India."
