Respected Sir,

I have applied for the post of School Assistant in the Madras Educational Subordinate Service (Women's branch). In the prospectus sent by the Madras Public Service Commission, I find that an age limit of 30 years has been fixed. It is stated therein that the candidate should not be over 30 years on 1st July 1946. On 1st July 1946, I will be 30 years one month and 24 days i.e. I have exceeded the age limit by a month and 24 days only. At present I have not completed 30 years. I am otherwise fully qualified for the post applied for.

In this connection, I beg to submit that I worked as a school Assistant in the Girls' Christian High School, Tanjore for a period of four years from June 1939 to April 1943 and as Headmistress in the Little Flower Convent, Ranipet in the year 1943-44 and as Headmistress of the Beattie Memorial Training School, Chittoor in the year 1944-45. In short I was in service in various institutions for about 6 years.

Regarding my educational qualifications, I submit that I am a Graduate of the Madras University with Natural Science as my optional subject and Tamil my second language.

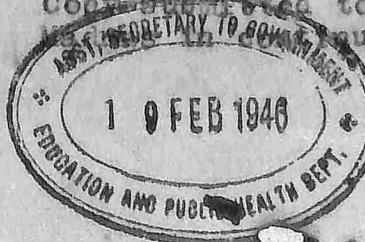

With an earnest view to serve the Government I have terminated my service in Mission schools.

As I have not completed 30 years now, that is, at the time of my sending in the application, and as I only exceed the age-limit by a few days on 1-7-1946, I request that I may be granted an exemption from the age limit for the present selection by the Madras Public Services Commission. I humbly request that orders may kindly be passed on my petition early so that my case may also be considered by the Commission together with the other applications.

I beg to remain,
Respected Sir,
