4. That the Memorialist has now applied for another post of a Lecturer in English now vacant in the Madras Educational service and since he will be over-aged by a short period of 24 days on 1st November 1940, he applied to the Government for exemption from the age rule, but to his great disappointment it was not granted in spite of the claims of the community which is a minority community and in spite of the peculiar and special circumstances under which the said Memorialist narrowly missed the chance in 1938;

Please see Memos at (H)+(Z)

5. That the Memorialist begs leave to point out that some six months ago another candidate in similar circumstances was granted exemption from the age rule by the Government -- Mr. B. N. Kalyana Rao who appeared as a candidate for the appointment of a Deputy Superintendent of Police;
