With reference to circular letter No. F.18/45-E(ii) dated 6-6-1946 from the Government of India, Department of Commonwealth Relations, assistance to evacuee University students may be continued on repayable basis pending further orders regarding non-repayable grants. As it is likely to take some time before final orders are issued by government of India after consultation with the Government of Burma for the continuation of the scheme of financial assistance to evacuee University students, it is requested that orders may kindly be issued similar to G.O. Mis: No. 1220/Edn: dated the 10th August 1945 issued by the Education & Public Health Department, Government of Madras, to enable evacuee University students, who had received financial assistance from Government during 1945-46 and have not completed their courses of studies in the University, also those students who after leaving the School Final stage have become eligible for admission to a University in 1946 and who have joined the University Classes in the current academic year 1946-47, to continue their studies without interruption.

A grant of an immediate repayable advance up to the amounts required by the students to meet their expenses for three months payable by the District

Magistrate, and the Collector of Madras, will be helpful to students whose parents are in receipt of financial assistance for maintenance from the Government of India or whose parents are stranded in Burma or Malaya..

From the Central Refugee Officer, Southern Zone, Madras, Letter No.881/F.A. dated 10-7-1946.

Order/Ms. No. 1457 Edn., d./- 26-7-46.

District Magistrates and the Collector of Madras are ~~informed that they may~~ ^{authorised to} sanction repayable advances to evacuee University students who have received financial assistance from the Govt. of India during 1945-46 and who have not yet completed their courses of study, and also to those evacuee students who, after passing their school final examination, have become eligible for admission to a University in 1946 and have joined the University classes in the current year, ^{in order to enable them} to meet the expenses of their education for the first three months, if after a review of the financial position of each ~~xxxxxx~~ student in the light of the changed circumstances now prevailing, it is considered that financial assistance is necessary and the student is eligible for such assistance according to the Govt. of India's letter No.F.18/45-E(11) dated 6.6.46. ^{Communicated with G.O.No 1223 Edn. d. 20.6.46} If the orders of the Govt. of India in regard to the continuance of the scheme of financial assistance for the academic year 1946-47 are not received before the expiry of the period, a further advance to cover the expenses for another three months may be made later on.

2. When repayable advances are sanctioned under this authorization, an undertaking should be obtained from the student, and if he is a minor, from his parent

or guardian, that the amount will be returned to Govt. in due course, but the actual payment of the advance need not be delayed until the undertaking is secured. The amount of advance made to each student should be reported to Govt. when recommendations are made later on for the grant of financial assistance after final orders of the Govt. of India are received in regard to the continuance of the scheme of financial assistance to evacuee university students during the academic year 1946-47.

PP1-2 of

Please see the Govt. of India letter in regard to the grant of repayable advances to Evacuee University students on p.p.1-2 of G.O.No.1225 Edn., dated 20-6-46. Last year, pending receipt of the Govt. of India's orders in regard to the continuance of their scheme of financial assistance, Dt. Magistrates and the Collector of Madras were authorised with the concurrence of the Govt. of India, to make repayable advance for a period of 3 months. This year, the Govt. of India have not specified the period for which repayable advance is to be given. The intention is that recoverable advance should be given till a decision is reached in regard to the continuance of the scheme of financial assistance during the academic year. As suggested by the Central Refugee Officer, D.Ms and the Collector of Madras may be authorised to pay repayable advance to meet the expenses for three months in the first instance, and if the orders of the Govt. of India are not received before the expiry of the period, to make another advance.

A draft order is submitted for approval.
