I invite your kind attention to para 4 of your D.O. referred to above. Since Government have decided that the Gandhi Training School in the Ramakrishna Mission Vidyalaya in Perianaickanpalayam should be taken up in the first instance, the Divisional Inspector of Schools, Coimbatore has suggested that the District Educational Officer Coimbatore and the Deputy Inspector of Schools, Coimbatore Range should be deputed to Wardha so that they can study, observe on the spot and given a practical knowledge as to how the Training School at Wardha is run. This will certainly help them to run the Training School at Periyanaickanpalayam efficiently/. I therefore recommend that the two officers may be deputed to Wardha for a fortnight's stay towards the end of August or the beginning of September by which time they would have observed the initial working of the Training school at

at Perianaickenpalayam.

I have the honour to submit a list consisting of 10 young men and women who are willing to undergo Basic Training at Wardha.

No.2 under Andhras is a Christian and No.2 under Malayalees is a member of the Scheduled class. A.M. Abdul Kadir Sahib, Assistant Lecturer in Languages, Govt. Muhdn. College, Madras who was suggested by the Hon'ble Minister in his note has applied for leave on average pay for 2 months and 16 days on Medical Certificate from 7th instant.

I presume that the candidates deputed to Wardha will be paid a deputation allowance equivalent to their pay in addition to other expenses and that the period of deputation will be treated as duty.

No teachers serving in the District Board Schools have been chosen as there is no time to consult the Presidents of the District Boards in the matter.

I also submit in this connection for the consideration of Government whether an undertaking from the candidates, other than Government servants should be taken, to the effect that they would work in some schools selected for them by Government after their return.

Copy of the letter from the Secretary, The Hindustani Talimi Sangh, Poona, dated the 27th August 1946 to the Hon'ble the Minister for Education.

We have already informed you the joining date of the 10 out of the 11 candidates deputed by your Government for training in basic education in Sevagram. Mrs. Kumari Devi, one of your lady candidates left on Sunday due to her inability to adapt herself to the living conditions and work at Sevagram. She said that she did not receive the information that was sent by us to be intimated to the candidates before selection.

A| We have made it quite clear in that letter regarding the living conditions and work during the training. She was mentally undersiled by the kind of work, that we had planned. We are glad that she left, without prolonging her stay so that you can even now select another candidate in her place. Mrs. Saradambal, B.A.,L.T., School Assistant, Presidency High School for Girls, Egmore, the other lady student deputed by your Government is quite happy in her work. She suggested the name of Miss. M. L. Sarojini, B.A.,L.T. School Assistant, Presidency High School for girls, Egmore, who is a suitable candidate for undergoing this training. Miss Sarojini applied along with Mrs. Saradambal for undergoing this training. But she was not selected. She was very disappointed as she has faith in Basic Education and the ideals of Constructive work as carried out under Gandhiji's guidance. You may select the best candidate you have and send her without delay as it is already a month late. The rest of the students are gladly settling down.

May I remind of the payment of the fees of Rs.200/- (Rupees two hundred) per student for the whole course. It will be helpful if you can send this amount in lump for the whole course.

Mr. Srinivasan, deputed by the Ramakrishna Vidhyalaya is doing excellent work. He is the best of the lot and more enthusiastic, anxious and willing to learn. He is sure to be a great help to Arunachalam. You propose keeping him here for 3 months so that he can get a clear idea of the work. Hope the work at Perianayakam Palayam is progressing satisfactorily.

Sir,

SUB:- Payment of salary and allowances of teachers Nos. 8 to 10 - deputed for training in the basic training school, Wardha - in G.O. No.Ms. 1463, Edn., dated 26-7-1946.

----

In submitting herewith letter Rc.No.3437-B.1/46, dated 3-9-1946 from the Commissioner, Chicacole Municipality communicating a copy of the Council's resolution No.228, dated 17-8-1946, I have the honour to state as follows:--

2) According to the instructions issued in sub-para 3 of para 1 of G.O. No.Ms.1463, Edn., dated 26-7-1946, the salary and allowances of (i) Sri K.Satyanarayana, Assistant Municipal High School, Chicacole, (ii) Sri T.A.Ramasubrahmaniam Assistant, Manthiramoorthy High School, Tinnevelly and (iii) Sri T.A.Venkatesan, Assistant, St. Joseph's Secondary School, Cuddalore deputed for training in the Basic Training School should be paid by the management of the respective schools during the period of their training in Wardha. In the case of the candidates (ii) and (iii) who were employed in Aided Secondary School, I have been authorised to take into account for purposes of grant payable to the institutions under the provision of the Grant-in-Aid Code, the pay and allowances drawn by the teachers during the period and also the pay and allowances granted ~~grankxx~~ to the ~~subsxxx~~ substitutes who may be employed in the schools during the absence of the teachers.

3) It has been represented to me that this will throw at least half the expenditure on the Aided Secondary Schools. In the case of the Municipal High School, Chicacole, it will entail additional expenditure to the Municipal Council to the full extent. This appears to be not equitable since, ~~so~~ these teachers are not expected to go back to the schools concerned. I, therefore, recommend that the entire expenditure should be admitted as a unit and paid to the schools in addition to the teaching grant. In the case of the Municipal High School, Chicacole, the Municipal Council may be paid additional grant as a special case. In the alternative, I suggest that the pay and allowances of the three teachers may be paid by the Department, the District Educational Officers concerned being authorised to draw and disburse the amount to the trainees.

4) I request the favour of early orders on this matter.

---

The Government were pleased to select Sri K. Satyanarayana, B.A.L.T teacher, M.H. School, for under-going training at Sevagram in the methods of basic education in their orders in G.O. No. 1463 Edn. dated 26-7-46 communicated to this office by the Director of Public Instruction in his R.C. No. 2424-C1-46 dated 29-7-46. As per the instructions contained in the above G.O. Sri K. Satyanarayana was relieved from his duty from 5-8-46 to join the said Training class.

2. In paragraph one of the G.O. referred to above the Government were pleased to order that the pay during the period of training and the travelling allowances should be paid by the Municipal Council according to rules. The matter was placed before the Council for information. The Council in its resolution No. 228 Dated 17-8-46 resolved to request the Government to pay the said allowances and pay during the period of training from the Provincial funds inview of the unsatisfactory financial condition of the Council. In G.O. No. (M.S.) 1463 Education dated 26-7-46 the Director of Public Instruction, while selecting Sri K. Satyanarayana, B.A.L.T. a teacher in the Municipal High School, Chicacole for training at Wardha in basic education, was pleased to request the Municipal Council Chicacole to disburse to him his pay and allowances during his period of training. According to the instructions given in the said G.O. the said teacher was relieved. The Municipal Council in its resolutio No. 228 dated 17-8-46 resolved to request the Government to pay the

the teacher's pay and allowances from out of Government funds in view of its bad financial condition. I think that the Council was justified in passing the said resolution as its budget for the current year is of deficit of about Rs. 40000/- and as for the said reason it cannot pay the said teacher and the substitute appointed in his place during his absence. There is also no guarantee under the ~~G.O~~.said G.O. that the said teacher's services will, after training, be given to the school from which he is deputed. On the other hand the Government has ~~made the said G.O~~.under the said G.O. taken an undertaking from the said teacher that he will, on return from training, work any educational institution selected by the Government. I, therefore, recommed to the Government that the pay and allowances of the said teacher during his period of training be paid by the Government ~~in~~ itsefl and relieve the poor Chicacole Municipal Council from payment thereof.

Sir,

My willpower forced me to write to you diret considering my poor financial difficulties in myold age. I am a poor but a big family man consisting of 8 members with an income of Rs. 55/- per mensum. My eldest son T.A.Ramasubramanian, B.A., B.T., was working as a mathematics assistant in the Mantharamoorthy High School, Tinnevelly town, on a salary of Rs.80 plus 18 excluding his private tution income. In the month of July last he received a communication from the District Educational Officer, Tinnevelly, through the Head ~~xxxx~~ Master, Sri. Mantharamoorthy High School, Tinnevelly calling applicants to the Basic Education Training at Wardha. He consented to join the wardha., School if the Government were prepared to bear his then salary of Rs.80 plus 18 and also T.A. lodging and boarding charges etc. In the last week of July 1946 on the oral promise of the then Divisional Inspector of schools that he ~~know~~ would be provided with a junior Deputy Inspector's post he joined the Government Training School, Tinnevelly, as a secondary grade teacher. He joined only with a hope that he would be posted very soon as Deputy Inspector after perusing the quarterly list of officers which ~~should~~ revealed that about 63 officers had to retire within January 1948. Considering his young age of 22 years I accepted his suggestion to join the Government Training School, Tinnevelly. In the G.O. Mis. 1463 Education it is clearly stated that he will get the pay drawn in the Mantharamoorthy High School and also other expenses. In the month of September '46 an order from the D.P.I. was issued to my son at Wardha stating that the management of Sri.Mantharamoorthy School was directed to pay him the salary while he was working as an assistant there. But the management reported to the Director stating that T.A.Ramasubramanian had no hold in the institution and refused to pay his pay and allowances. On receipt of this he approached the D.P.I. again for his pay the D.P.I. replied that his file had been sent to the Government for final disposal. It is more than ~~two~~ three months and he has not received any order from the D.P.I. regarding his pay and allowances. It seems that the papers are still pending in your office for disposal. Out of eleven persons selected for training he is the only man who had not received any pay for about 5 months. As stated above about my position, (In fact, I sold almost all the jewels and other articles.) I request youto sympathise ~~on mere~~ and dispose off the paper and to make arrangements to pay his salary and allowances at least before the ~~first~~ second week of January 1947, so that I am not entangled in furthet trouble.

Hoping to be excused for the trouble.

Sir,

Sub: Deputation of teachers to undergo training in Basic Education - Disbursement of pay - requested.

While I was working as an assistant in Sri Manthiramoorthi High School Tinnevelly on Rs 80/= plus Rs 18/=, the District Educational Officer, Tinnevelly (West) called for applications from trained teachers to undergo training in Basic Education at Sevagram. I gave my willingness to undergo the training provided I were given the pay and dearness allowance I was drawing then in addition to the boarding and lodging charges

Before the receipt of any orders on this application I was appointed as a Secondary Grade assistant in the Government Training School Tinnevelly by the Divisional Inspector of Schools, Madura under Rule 9(a); in a leave vacancy of 9 months, in his office G. 584 dated 19.7.46. I joined the Government Training School on 24.7.46. On 1.8.46 the Head Master Govt. Training School communicated to me the Proceedings No. 2424C/46 dated 29.7.46 on G.O. 1463 Edn dated 26.7.46 of the Director of Public Instruction wherein it is stated that Sri T. A. Ramasubramanian will be given the pay and dearness allowance by the management of Sri Manthiramurthi High School. The Headmaster, [illegible] strength of the wires of the Director and the Divisional

Inspector deputed me on 2.8.46 to enable me to join Basic Training School, at Wardha.

DIRECTOR OF PUBLIC INSTRUCTION
13 FEB 1947
MADRAS

After joining the Basic Training School, I requested the Director of Public Instruction to issue the necessary orders for the disbursement of my pay. The Director in his Proceedings No 4916 C4 dated 19.9.46 ordered the management of Sri Manthiramurthi High School to disburse my pay and allowance. But the management when approached by me informed me in their Sc 384 dated 30.9.46 that the Director of Public Instruction had been informed that I had no hold in that institution. On receipt of the management's reply I requested the Director to be pleased to disburse my pay by showing me a place in the government service. The Director in his Proceedings No 4916C4 dated 4.10.46 informed me that the matter has been placed before the government. But I am not yet favoured with any order.

According to the G.O. 1463 dated 26.7.46, I am entitled for pay and allowance during the period of training and I request that the Secretary may be pleased to issue necessary orders for the disbursement of pay from 4.8.46, the date of my starting to Wardha.

In this connection, I submit that I have exhausted all sources of my finance and my dependants and myself are put to a lot of pecuniary difficulties. The financial years also is coming to a close. Hence I pray your honour to be pleased to issue orders so that I may be in a position to draw the arrears of pay before 1.3.47.

I beg to remain,
Sir,

Deputation of teachers for training at Wardha

Extracts of notes from the file sanctioning the opening of a basic Trng. School in Coimbatore District:-

x x x

If the Government decide that the Wardha system of education must be gradually introduced throughout the Presidency we must have teachers and Inspectors who are well qualified not only in imparting instruction in this system but also in supervising and ~~in~~ inspecting the work done by teachers in the basic elementary schools. I would therefore suggest that Government may take up the question of deputing a number of Headmasters of training schools and a certain number of Inspectresses and District Educational Officers to other parts of India where it is reported that such Basic schools have been organised during the last few years. It would be best for these deputed officers to undergo a proper course of training at Wardha itself and also visit a number of schools where the system has been working so far in other parts of India. The expenditure involved in such training may be considerable but it is worthwhile spending larger ~~amounts~~ amounts so that the scheme may be a success at least as from next year.

As regards the matter referred to in page (9) of the G.F. regarding training of L.Ts. etc in Wardha I have since, received a reply from the Secretary, The Hindustani Talimi Sangh, Sevagram, Wardha and the letter is sent herewith. He has calculated the expenses of one person for studies in Sevagram to be about Rs430/- for nine months. It may be put as Rs 450/- plus the train charges of the trainee, which may be calculated at the inter-class rates. I suggest we may send ten persons.

With reference to the sending of 10 trained L.Ts. to Wardha for training in this method of education, the D.P.I. may be directed to call for~~th~~ applications and ~~make~~ the selection. It will be good if some of them are already teachers in the

the present training schools. Some of them can be new L.Ts who are prepared to come forward to work for this type of education.

T.S.A./24-6-46

I understand from a letter of the Secretary of the Hindustani Talimi Sangh, Sevagram, that their training camp will begin on the Ist of August and so we must select the candidates very soon. I do not know what arrangements you have made to make the selection. If you are to advertise for them you must do it soon.

We have to send ten candidates, of whom four may be from Tamilnad, three from Andhra, two from Malabar and one from Kannada. It will be good if at least one each from Andhra and Tamilnad can be a woman and atleast one of these ten can be a mulsim and a Christian.

I understand that one Mr. Abdul Khader who is the Arabic Instructor in the Muhammadan College is willing and anxious to go for this training. I ~~must~~ do not think we will be getting any other other Muslim candidate who will be willing to go and so he may be given a chance.

I hope to return by the 10th morning. It will be nice if we can finish the selection by about the middle of this month. I am expecting a tentative list before that date.

Sub:- Basic edn. - Deputation of officers and teachers for training at Wardha.

p7 of (B) In G.O. No. 1463 Edn. dt 26-7-46, the Govt. sanctioned the deputation of eleven candidates for training at Wardha. The D.P.I. subsequently reported that one of them Sri. K. Ramakrishna Shetty had expressed his unwillingness to go to Wardha. In his place one Sri T. Narasimha Bhatt was deputed and the original orders were modified suitably. The Director now reports that Sri. Shetty has proceeded to Wardha. In his letter on p. 3. cf. the P.D.B. Bellary reports that Sri. Narasimha Bhatt is not willing to undergo the training. In the circumstances it appears that orders in memo. on p.13C. of (B) shd be cancelled.

Pay and Allowances of Training/ non- Govt. schools deputed to Wardha for training.

In July 1946 the Govt. sanctioned the deputation of 11 officers and teachers for training at Wardha. Of these, one Miss. Kumari Devi ~~has~~ since left the course as it did not suit her. Of the remaining ten teachers, seven are Govt. servants, one teacher is from the Municipal High School, Chicacole and the other two teachers are from private high schools. In sanctioning the deputation, the Govt. ordered that the managements concerned should arrange to disburse the salaries and allowances due to these teachers. In respect of the two teachers deputed from private schools the Govt. permitted the D.P.I. to take into account for ~~the~~ purpose of assessing grants the pay and allowances of the teachers deputed and those of their substitutes, i.e. half the expenditure will be met by Government. But in the case of the Municipal Council, Chicacole, no subsidy will be paid by Govt. and the Council should meet the pay and allowances of the teacher and those of his substitute. The Director points out that such a distinction is not desirable and he proposes that either the Govt. should undertake to disburse the salaries of the teachers deputed for training from Provincial funds direct or should allow a full grant *to the managements towards the salaries of the teachers deputed from their schools and a subsidy towards the salary of the teacher deputed by the Municipal Council, Chicacole. Either of the alternatives can be adopted, the extra commitment to Govt. being the same in each case. For orders whether the proposals of the Director may be accepted.

The D.P.I. has furnished an estimate of ~~the~~ the extra cost on account of his proposal. It will be about Rs. 2,300 or 1,900 according as the teacher Sri T.A. Ramasubramanian is treated as a ~~teacher~~ one deputed from a private school or from a Government school. When orders were issued sanctioning the deputation, the teacher was employed in the private school. Just before he proceeded to Wardha for training, he secured an employment in Govt. service ~~under~~ ~~School as an emergency measure~~ in a temporary vacancy. If he is treated as having been deputed as a Govt. Servant, he should be re-employed in Government service after the training is over. The chances of his being re-employed under Govt. after are ~~rather remote~~ not definite. The teacher also stands to lose much by being treated as a Government servant. In the circumstances it appears that he should be deemed to have been deputed as a candidate from a private school, ignoring the fact that he held an officiating appointment under Government just before his deputation. If this view is accepted the extra cost to Government is Rs. 2,331/- Of this, the Govt. have committed themselves to an expenditure of Rs 792 under para 1 of G.O. at Ⓐ 2. Finance may see for remarks before circulation.

At the time of actual relief the training has already ceased connection with the private institution & so was in temporary Govt. service, it is only on the latter footing that he can be treated now.

Of the teachers deputed for training for Wardha with reference to the orders in G.O. 1463 Edn d 26-7-46 it is seen from Ⓐ the note of EPH on p 1-2 above and the DPI's reference on p 15 cf that three teachers from non-Govt. institutions were sent for training.

With reference

22

to the orders in para 1 G.O. 1463 Edn. dt. 26-7-46 the position in regard to private schools is that Govt. should ~~pay~~ meet half the cost of the pay and allowances drawn by the teachers during the period of ~~deput~~ training at Wardha and also half the cost of their substitutes – vide ~~als~~ 'A' & 'B' of E.P.H. note on p. 1 above. But in view of the fact that these teachers are sent for training at the instance of Govt. and these teachers are not expected to go back to the schools ~~[illegible]~~ ~~[illegible]~~ it is considered equitable to pay the full cost for the teachers' ~~who~~ are sent for training. ~~Same~~ In the case of teachers deputed from the Municipal Council it is understood that Govt. have agreed to meet the full cost of the teachers' pay and allowances.

Consistent with the above position the cost of three teachers who were sent for training is worked out by the D.P.I. as Rs 2331; as one teacher Sri T. A. Ramasubramaniam has worked in Govt. service just before he left for training E.P.H. holds that the cost of the teacher ~~cotte~~ should be paid on this footing. Excluding this case which is governed already by the orders in para 1 of the G.O. (a) viz. that the cost will be met by Govt. the cost in respect of the other two teachers for the training period of 9 months viz. ~~[illegible]~~ 1449 will be met by Govt. This may be agreed to.
