IN their order No. Ms. 649 Edn., dated 25th March 1946 the Government have sanctioned the employment in the Arthur Hope College of Technology, Coimbatore of five Professors (one each for Mechanical, Civil, Electrical and Automobile Engineering and Textile Technology) with effect from 1st April 1946.

2. I am submitting separately draft ad hoc rules for the above temporary posts. In anticipation of the approval of the ad hoc rules in respect of the posts of Professors of Mechanical, Civil and Electrical Engineering, I submit the following recommendations in regard to the filling up of these posts.

(1) Professor of Mechanical Engineering: I recommend that Lt. Col. Rao Bahadur S. Paul, Instructor in Mechanical Engineering,

College of Engineering, Guindy, may be appointed to officiate as Professor of Mechanical Engineering, Arthur Hope College of Technology, Coimbatore. Lt. Col. Paul was officiating as Professor of Mechanical Engineering, College of Engineering, Guindy, till 7th March 1946 when he reverted to his permanent post of Instructor owing to the reversion of Mr. A. Viswanath from his appointment under the Government of India. Although Lt. Col. Paul's transfer to Coimbatore will be very inconvenient to his work in the University Officers' Training Corps of which he is the Commandant, yet he may come back to the College of Engineering, Guindy, sometime in July 1946 if Sri A. Viswanath is appointed as organising Principal of the new Engineering College at Cocanada. Meanwhile he may be posted to Coimbatore so that he may help the Principal of that College in organizing the workshops, etc.

(2) PROFESSOR OF CIVIL ENGINEERING: The claims of the following three Instructors have to be considered for promotion to the post of Professor of Civil Engineering.

- (i) Major B.H. Marley: Permanent Instructor in Surveying and Drawing, College of Engineering, Guindy (now on other duty in the Defence Services).
- (ii) Sri N.S. Krishnaswami Ayyangar. Permanent Instructor in Civil Engineering, College of Engineering, Guindy.
- (iii) Sri V. Kalyanaraman. Officiating Instructor in Surveying and Drawing, College of Engineering, Guindy.

3

p.200, Bk. 112

Major B.H. Marley who is the senior-most of the above three officers is now serving in the Defence Services and the proper authorities have been addressed for his release with a view to depute him for foreign studies. Apart from this full particulars of his qualifications for appointment as Professor are not readily available. As the appointment has to be made immediately I recommend that, pending consideration of the claims of Major B.H. Marley, Sri N.S. Krishna-swami Ayyangar who possesses the prescribed qualifications may be appointed to officiate as Professor of Civil Engineering, under rule 31(a) of the General Rules for the Madras Provincial and Subordinate Services.

(3) PROFESSOR OF ELECTRICAL ENGINEERING: Of the following three Officers in the Electrical Engineering Department of the College of Engineering, Guindy, whose claims for promotion to the post of Professor have to be considered, none possesses the qualifications prescribed for the post:

- (i) Sri K. Sukumaran: Permanent Junior Instructor in Electrical Engineering and Officiating Instructor in Electrical Engineering, now holding the post of Professor of Electrical Engineering, College of Engineering, Guindy, temporarily, under emergency powers.
- (ii) Sri K.N.Ramanathan: Permanent Laboratory Assistant: Officiating Junior Instructor in Electrical Engineering and now holding the post of Instructor in Electrical Engineering under emergency powers.
- (iii) F/O A.R.Ramanathan: Permanent Laboratory Assistant: Officiating Junior Instructor in Electrical Engineering (On other duty in the Defence Services).

p.200, Bk. 112

Sri K. Sukumaran has had considerable experience in organising and fitting up Electrical Engineering Laboratory and his services will be very useful in organising the new Laboratory at Coimbatore. I, therefore, propose to post him as Professor of Electrical Engineering, Arthur Hope College of Technology, Coimbatore. He will continue to hold the post under Rule 31(a) of the General Rules as in the College of Engineering, Guindy. In this connection, I may state that the post of Professor

Professor of Electrical Engineering in the College of Engineering, Guindy, is reserved to be filled by direct recruitment of a War Service Candidate and it may be expected that such a candidate will be selected and appointed when the College re-opens after the summer vacation.

3. Proposals regarding filling up of the resultant vacancies in the College of Engineering, Guindy, will be submitted to Government after receipt of orders on these recommendations.

Viswanath took charge of the Principalship on the fore-noon of 1st July 1946, having relinquished his duties as Professor in the College of Engineering, Guindy, with effect from the afternoon of 30th June 1946. The Principal, College of Engineering, Guindy, reports that Messrs. S. Paul and R. Natesan have been attending to the duties of the Professor and Instructor respectively since 30-6-1946 A.N. Natesan as having taken charge of their new appointments as Professor of Mechanical Engineering and Instructor in Mechanical Engineering, respectively, on the after-noon of 30-6-1946, the date from which Sri A. Viswanath was relieved from the post of Professor.
