FORWARDED.

In G.O.Ms.No.1122 Education, dated 20.8.1943, Government
agreed with the Superintendent, Government Press, Madras, that the
leave applied for by Sri.S.Appadurai Pillai would be refused and
that he would be permitted to take the leave in 1944 or after his
retirement in January, 1945. In G.O.No.2202 Education dated
28.12.1945, Sri.S.Appadurai Pillai was permitted to avail of the
four months privilege leave refused from 2.1.1946. Under clause
IV of para 2 of G.O.No.1070 Finance dated 8.10.1945, the concessi-
on of taking privilege leave for six months preparatory to retirement
is admissible to officers provided privilege leave is taken in
combination with other leave and that the total leave is not less
than six months. It is for Government to say that if Sri.S.Appe-
durai Pillai had applied for privilege leave for six months, it
would also have been refused in the interest of public service.

Retransmitted.

2. I am of the opinion that clause (iv) of para 2 of G.O. No.1070, Finance dated 2-10-1945 should not be made applicable in this case, in view of the fact that this is not an application for grant of leave preparatory to retirement.

Since

Since the officer was debarred by the operation of Art.246 of the C.S.R. from earning privilege leave, the question of application for privilege leave for more than four months and its refusal is only hypothetical. But if the concession of accumulation of privilege leave upto six months was in force at that time and the same applied for, it would have also been recommended by me for refusal in the interest of public service. Under these circumstances, I would recommend the grant of the concession admissible under para 2 (i) of the G.O. even by relaxation of the rules, if necessary.

The Superintendent, Govt. Press, is informed that as

Mr. Appadurai Pillai applied for and was refused leave in August 1943

and at that time G.O. No. 1070, Finance, dated 8th October 1945 was not

in force, he could not have applied for more than 4 months leave. Therefore

he can now have only 4 months' leave which was refused in 1943 and no more.

Under the circumstances Government regret that the request of Mr. Appadurai

Pillai cannot be complied with.

Please see the letter from Sri Appadurai Pillai, Assistant
 Superintendent, Government press, requesting for the grant
 of an extension of his leave by 2 months with reference to
 the notes in G.O. 1070 Finance dated 8-10-45. Sri Appadurai
 Pillai has been granted Privilege leave for 4 months from
 2-1-46 by relaxing Article 234(b) of the Civil Service
 Regulations. The Accountant-General has stated that under

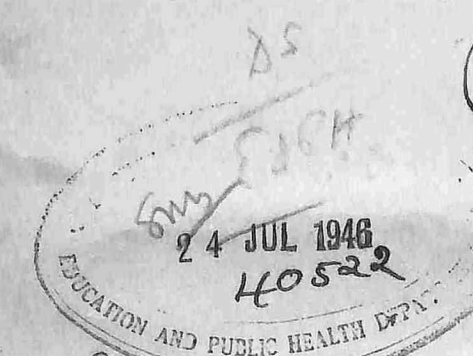

under Clause (IV) of para 2 of G.O. No. 1070 Finance dated 8-10-45
 the concession of taking privilege leave for 6 months preparatory
 to retirement is admissible to officers provided privilege
 leave is taken in continuation with other leave and that the
 total leave is not less than 6 months. The Superintendent,
 Government Press is of the view that para Clause IV of para 2
 should not be made applicable in this case in view of the fact
 that this is not an application for grant of leave preparatory
 to retirement. He recommends the grant of the concession asked
 for by relaxing, if necessary, para 2 (1) of G.O. 1070 Finance
 dated 8-10-45.

On Clause 2 (i) of the G.O. seems to apply to people
 who are in service and not to those who are on leave prepara-
 tory to retirement, for in the case of the latter, the addi-
 tional accumulation of leave is not possible. However the
 concession of drawing full pay for 6 months, has been extended
 to these officers also under clause (IV) of para 2 of the G.O.
 The concession amounts to conversion of "Other leave" into
 leave on full pay.

In the present case, leave for 4 months was refused
 and consequently only that leave can be sanctioned after the
 date of superannuation. As the leave is not combined with
 "other leave" and the total leave is less than 6 months, Sri Appadurai
 Pillai is not entitled to the concession under the order of 10/7/46.

G.O. 1070 Fin of 8-10-45.
 Mr Appadurai Pillai applied for and
 was refused leave in Aug 1946 and at that time,
 was not in force & he could not have applied
 for more than 4 months' leave. So, with B and B of,
 there is no point in speculating as what would
 have happened had he applied for privilege leave
 He can now have only 4 m. leave which
 was refused & no more.
