Governor's Secretariat-Flat file cases 1st sort-
additional supply-

50 urgent, 50 special and 100 ordinary flat file cases (1st sort) were originally supplied to this Secretariat by the Superintendent of Stationery in 1938. Since then this office has managed with the existing number of flat files by getting the old flat files repaired by the Government Press. With the recent expansion of this Secretariat and with the increased volume of correspondence, the existing stock of flat files is found to be inadequate. It may be requested to sanction the supply of additional flat file cases (1st sort) as follows--

50 urgent
50 special
100 ordinary.
