From (Name) Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.,

(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,

EDUCATION AND PUBLIC HEALTH Department.

Sir,

I have the honour to state that elementary edu-
cation for boys was made compulsory in Tiruvadi Panchayat
Area (Tanjore District) long before the present scheme of
compulsion and midday meals was introduced. Tiruvadi now
a centre selected for the introduction of compulsion for
all girls of school age during the current year-vide G.O.
No.Ms.1497 Mn., dated 31-7-1946. It is reported that
free midday meals are shortly to be provided for the poor
girls reading in girls' schools of the Panchayat area as
girls only are brought under the present compulsory scheme.
Now an issue has been raised whether the boys of school
age who are already under the old compulsory scheme may
be given the benefit of free midday meals. The President
District Board, Tanjore recommends that they should be
given midday meals.

2.Old compulsory schemes in rural areas are not common.
They have not proved a success in any centre. To ensure better
attendance and to avoid frequent resort to penal provisions
of the Act, it is necessary that the boys should be admitted

p.t.o.

admitted to the benefits of the midday meals. The fact that the boys were already under compulsion should not act as a ban on their enjoying the advantage of the present scheme. I therefore recommend that the boys of school age in the area may be given free midday meals subject to the condition that the number of children to be fed in the District during the current year does not exceed the number already fixed by the Government.

I have the honour to be,
Sir,
Your most obedient servant,
