[Signature]
 For SUPERINTENDENT.

Extract from C.No. 57535 H/45 regarding-

MINES - Minerals - Lignite Investigation - in S. Arcot
Officer-in-charge of the investigation - Powers.Ref: From the Superintending Geologist No.967/45 dated
30th October 1945.

To A.S.

The Geological Department are at present continuing the investigation of the occurrence of Lignite deposits in Vridhachalam in South Arcot district to prove the deposits with a view to their exploitation for industrial purposes. It is expected that the work is likely to be continued at least for one more year. The Government of Madras have placed at the disposal of the Geological Dept. two calyx drills belonging to the P.W.D. and have loaned the services of an overseer and a Surveyor of P.W.D. to assist the Geological Department in their work. The Government have also authorised Mr. R.N.P. Arogyaswamy, Asst. Geologist to be the officer-in-charge of drilling operations have sanctioned a permanent advance of Rs.400/- to him for expenditure in connection with the investigation. The entire expenditure on account of this investigation (except the pay and allowance of the Asst. Geologist) is met by the Provl. Govt. and it is being debited to "43.a. Industries - M. Miscellaneous - Expenditure 13. Investigation of Lignites.

The Superintending Geologist has now brought to the notice of the Govt. certain difficulties that are being experienced during the conduct of the drilling operations under the existing arrangements and has suggested certain changes in the procedure now adopted for incurring the expenditure, the payment of bills etc. connected with the investigation. They are noted on below for orders.

(2) that the officer-in-charge should be empowered to indent for all stationery and forms required in connection with the investigation from the Supdt. of Govt. Stationery, Madras.

SGA. TS. Proposal 2 above. The Department may support this request and send necessary extracts to E.& P.H. for issue of orders.
