Copy of Letter From B. Bhima Rao, Advocate, Bellary, B.A.B.L.M.L.C. dated 5th June 1946 to the Premier, Fort St. George, Madras; (2) the Minister for Public Health, Fort St. George, Madras. (3) The Minister for Education, Fort St. George, Madras. *****

Sub: Admission of students from Royalaseema Districts into the Madras Medical and Engineering Colleges. *****

When the Legislative Council was sitting last week, we, the members of Legislature from the Districts of Royalaseema presented a memorandum to the Minister for Education and urged that our Districts were badly treated in the matter of admission of students into the Engineering and Medical Colleges in Madras and that instructions should be issued to the Principals of the above Colleges to admit Royalaseema students to the extent of one-half the quota fixed for the Districts of Andhra Desa.

This demand is in accordance with the spirit of Sree Bagh Pact confirmed by the Andhra Conference held in Tungabhadra in May 1938.

On arrival in Bellary after the closure of the session of the Legislative Council, I am presented with resolutions of the Bellary Medical Association to a similar effect, which have been submitted to you by them already. I am informed that only one student from Bellary District was admitted into the Medical College last year and that in the previous years also similar injustice was committed in respect of candidates applying from Royalaseema Districts.

It is needless to state that it is more convenient for students from Royalaseema Districts to study in the Madras Medical Colleges than in Vizag; and hence Royalaseema students should have the priority in respect of admissions as demanded.

The dates for admission into the Medical and Engineering

P.T.

Colleges is drawing near. I request you to be good enough to send instructions at once to the Principals of the Colleges (Engineering Medical) to grant admissions to the students of Royalaseema to the extent of one-half the quota reserved for Andhra students as a (taking the Vizag College also into consideration) and to treat District fairly and squarely. Kindly see that no injustice is done to Royalaseema students in future.

The Hon'ble Premier and the
the Ministers for Education
and Public Health.
Fort St. George, Madras.

22267

A petition signed by a number of Members of the Madras Legislature representing the Royalaseema Districts viz., Chittoor, Chudappan, Kurnool, Bellary and Anantapur was presented to the Hon'ble Minister for Education regarding the admission of students from the Royalaseema Area into the Engineering and Medical Colleges.

A letter was also addressed to the Hon'ble Minister for Public Health in connection with the same. A reply has been received from the Hon'ble Minister for Education stating that special instructions have been issued that the claims of boys from the Ceded Districts should not be lost sight of. We now understand that this communication has not reached the Principals of the Engineering Colleges. We urge that the claims of the students coming from the Royalaseema area should not be judged by the same tests applied for the students of the other parts of the Presidency for the following reasons:-

(a) The educational facilities in the Royalaseema area are few and far between.

(b) This area is generally backward both economically and educationally. And if the condition of the Royalaseema is to be improved, special facilities should be provided by fixing a number of seats for that area in all the Technical and Medical Colleges.

(c) Regarding the Medical College, the admissions must be much more liberal for this area and greater percentage of seats than is allowable calculated on the population basis should be fixed as the private medical practitioners in this area are very few. It is also unlikely that people belonging to other parts of the Presidency would settle in these districts for private practice. It may be also mentioned that a number of Rural Dispensaries are vacant as qualified hands are not forthcoming. If at least the students of this area are admitted in larger numbers, there is a greater chance of these students settling in Royalaseema to render medical aid to the poor and the needy. It is also learnt that the Shree Committee has recommended the location of a Medical College either at Anantapur or Bellary for serving the needs of the Royalaseema area. Till the abovesaid college is established we request that the number of seats for the Royalaseema area should be reserved in the Madras Medical Colleges. We also urge that provision should be made by increasing the number of seats in the Vizagapatnam Medical College to satisfy the large number of students seeking admission. We suggest that this can be done by reorganizing the shift-system which is in vogue in the Madras Medical Colleges.

We request that the same principle of reservation of seats for the Royalaseema area be extended to the Engineering and Technical Colleges of this Presidency. We request that the same principle be adopted. If this concession is not made, students from this area will not have a chance of getting admission into the Technical colleges as admissions are limited students passing in specified subjects which are not provided in the Royalaseema area. There is no firm belief in the Royalaseema area. And therefore we urge that there is a need for giving special facilities for this area.

As admissions are to be made shortly in all the colleges, we request that special and urgent instructions be sent to all the principals to bear in mind the special claims of the students of Royalseema area seeking admission.

Yours sincerely,

M. Sankaranarayanan, M.L.C.

EPH(A)

Please see the petitions on pp 1-4 above.

The request in the petition is that students of Royalseema should be given $\frac{1}{2}$ one half of the quota reserved for Andhra students as a whole in the Engg & Medical Colleges. Attention in this connection is invited to

the notes on pp 3-4 of G.O. No. 2159 Edn D, 20.12.45 and the minutes of H.M. (Edn) on p 1NF and subsequent notes from p 2 NF of G.O. No. 1231 Edn D, 24.6.46. As the policy of the Govt. is for the present academic year is not to adhere to any proportion in the matter of admission to the Vign. & Anantapur Engg. Colleges, it is for orders whether the request in the petition should be considered.

In the file dealing with the admission of candidates to Engg. & Medical colleges, H.M. (Edn) minutes that the total number of seats in the Engg. & Medical colleges should be filled by communal quota seats reserved to be filled by communal quota seats reserved for English area should be filled by population. But finally no orders were issued as H.M. minutes that 20% should be filled by communal quota seats reserved for English area should be filled by population. But finally no orders were issued as H.M. minutes that 20% should be filled by communal quota seats reserved for English area should be filled by population.

now it is desirable. / see the representation on page 1-4 and - 2nd order. / 25.6.46 / 25.6.46 / 25.6.46

H.A. (Cdn)

They may be informed that as far as the engineering colleges are concerned, the instructions have been issued that the representation must be given to the ceded districts.

TSA

25-6-46

A draft memo is submitted. No specific instructions have been given to the effect that separate representation should be given to ceded dist. Please see in this connection the note on page 3 NF. H.M. Presumably H.M. has given oral instructions to the Principals.

27/6/46

H.A. (Edn) may kindly clarify. It is respectfully submitted that it is not usual to give oral instructions on these questions, and that if a minute is sent down, it is to be kept, and not to be taken to get a formal G.O. issued.

In view of the general instructions issued by me in my previous note, I have clarified it by a letter, copy of which must be in the office, if not already sent to the Dept.

G.O.

Dear Friend,

In pursuance of our discussions regarding the principles of selection, in addition to the order issued by Government. I shall be glad if you will kindly have in view a fairly proper distribution of the seats in the various districts. I think about 8 will be a proper number per district in Tamil Nad. For Nilgiris you may give one or tag it on to Coimbatore.

For Andhra also it may be worked out on similar lines.

Yours sincerely,

The minutes of H. M. (Edu) at the bottom of p. 7 ante may be perused. In view of the instructions given by H. M., there seems to be no harm in issuing the draft. For orders whether it may now issue.

district of A for a total period of ten years immediately preceding
the 1st of January last, exclusive of the periods spent by the said Y in
Government service in any other district or districts, and consequently
that X is a native of the district of A within the meaning of G.O.
No. 2786, P.H., dated the 26th October 1945.

Here enter details of residence of the parent. If any period is to be
excluded, the reason for the exclusion should be specified.

Place

* Signature

Date

Rank

* This certificate should be signed by an officer of the Revenue Department
not below the rank of a Tahsildar and should bear the stamp of the office of the
officer signing the certificate.

NOTE.—The scheme approved in G.O. No. 2786, P.H., dated 26th October
1945, applies only to British subjects. The idea of exclusion of periods spent by
the parents in Government service or by the candidate over his studies
is to make nativity relate really to the district to which the candidate
actually belongs by birth, parentage, possession of ancestral property, etc., and not
to make it dependent on the accident of Government service or of sojourn for
educational purposes. The idea is not to let nativity be acquired in any district
elsewhere to which a Government Officer might go during his service. The test is
applied with reference to the candidate and he is entitled to exclude both the
periods spent by him in studies elsewhere and by his parents in Government ser-
vice elsewhere if he was with them all along. For instance, if a student belongs
to a family in Tanjore, spends his boyhood with a parent who is in Government
service in various places elsewhere and then goes to Madras or elsewhere for his
studies he should be put down as a native of Tanjore where his father would have
spent, presumably, more than ten years before he entered Government service. If
a candidate belongs to more than one district by this test, he can elect any one of
the districts for purposes of the certificate.

Whichever of the two forms, I and II, is appropriate to the particu-
lar case should be used.

III

G.O. Ms. No. 2113, P.H., dated 17th June 1947.

[Education—Medical and Engineering Colleges—Admission
of Naturalised British subjects—Orders passed.]

Order—Ms. No. 2113, P. H., dated 17th June 1947.

The Government have considered the question of admitting
Naturalised British subjects to the Medical and Engineering
Colleges in the Presidency and proceed to pass the following
orders :—

(a) Applications from Naturalised British subjects who
applied for naturalisation certificates through the Madras Govern-
ment will alone be considered.

(b) A total period of ten years' residence in the Province should be insisted on in the case of these candidates, without requiring residence in any one district.

(c) The above period of ten years may be inclusive of the period of five years' residence required under section 3 (1) (c) of the Indian Naturalisation Act, 1926, if such residence was in the Madras Presidency.

(d) The district in which the candidate or his parents resided at the time of applying for admission to the College, may be taken as the district to which the candidate belongs, for purposes of the rule of linguistic representation laid down in G.O. No. 1358, P.H., dated 16th June 1943.

(e) Candidates need not be required to produce nativity certificates but should be required to furnish proof in support of (a) to (d). The certificate in this behalf should be signed by a Magistrate or by a gazetted officer.

2. The Surgeon-General/Director of Public Instruction is requested to dispose of the application of Sri V. Gopalakrishna Ayyar for admission to the Medical College/Engineering College, with reference to the orders in paragraph 1 above.

(By order of His Excellency the Governor.)

M. V. SUBRAMANIAN,
Secretary to Government.
