From the Director of Public Instruction, dated 8th July 1946, Rc. No. 474-B-1/46.

Order—No. 1506, Education, dated 3rd August 1946.

The Government have authorized Divisional Inspectors and Inspectress of Schools to sanction grants for construction of sheds for elementary schools under private management, in areas in which compulsory elementary education has been introduced. The grant payable to the managements for each shed is limited to the actual cost of the shed or Rs. 1,000 whichever is less. In cases where managements are not able to produce vouchers in support of the actual cost, a valuation of the shed may have to be

made for determining the grant payable from Provincial funds. The Government consider the Tahsildar to be the most appropriate authority who should furnish such a valuation statement. Collectors of the districts are therefore requested to instruct Tahsildars to issue on application from managements certificates of the cost of sheds in respect of which grants are claimed. These certificates should be signed by the officer himself and sealed.

To The Secretary to the Government of Madras,

EDUCATION AND PUBLIC HEALTH

Department.

Sir,

In my letter to Government A.C. No. 3465-B/45, dated 23-10-45, I suggested that the Divisional Inspectors and Inspectresses might be empowered to sanction and pay the grant due to aided elementary schools for the construction of temporary sheds in the compulsory area, for accommodating the pupils admitted as a result of the introduction of compulsion. It was also suggested that the grant payable to the management should be limited to the actual cost or to the cost of its construction as estimated by the Tahsildar, or Rs.1000/- per shed, whichever is less. These were accepted by Government in their memorandum No. 45883-AI-Edn. dated 6-11-1945. Accordingly, an estimate from the Tahsildar is necessary, for ordering the payment of the grant to the school.

2. The Divisional Inspector, Coimbatore brings to my notice that some Tahsildars refused to furnish the estimate on the ground that they have no instructions from the Government. This causes some inconvenience to the managers and delay in the payment of grant. The cost of materials and labour vary from place to place. Officers of the Revenue Department are conversant with these details. Further,

P.L.O.

A

Further, Government in their G.O. No. 1268 Edn dated 21-8-45 have instructed the Collectors of the Districts to render necessary help to the managements in securing additional accommodation for schools in the compulsory area. On account of the various duties and responsibilities attached to the post, a Tahsildar is the most suitable person to issue the certificate. I therefore request the Government may be pleased to instruct the Tahsildars to furnish the estimate in question, on request from the Correspondents of aided elementary schools in the compulsory area.
