Government have ordered in G.O.No.4549 Development dated 17-11-45 that the scheme for the supply of Coir goods should be treated as a State Trading Scheme and that suitable proforma accounts should be maintained. It is considered necessary that for this purpose separate accounts in respect of stationery, forms, stamps etc., should be maintained. With this end in view Government were informed in my letter No.143-CS/45 dated 9-12-45 that the Coir Section should be considered a separate unit for the purpose of supply of stationery articles and forms. Although the Coir Section will be a part and parcel of this Department, it is desirable to treat it as a separate unit for the purpose of supply of stationery articles and forms only, so as to enable the section to prepare accurate proforma accounts.

A draft order is submitted.

The supply of stationery articles is for the newly

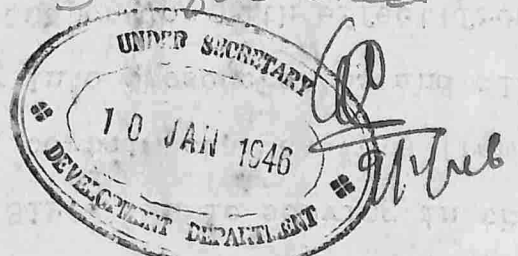

3 and sanctioned correspondence section ⑤ to the office of the D.I.C. and according to the suggestion made by that Dept in Aug 1943 to all Depts of the Sect, sanction for the supply of the stationery articles might as well have been included in the order on p 3 ante sanctioning the Section. It does not appear necessary to consult the S.G.S. beforehand in the matter. It will suffice if the D.I.C. signs the indent for stationery articles.

2. Gen may see the draft order for acceptance (especially para 2) before issue.
